AUDITORS' REPORT

TO THE SHAREHOLDERS OF INTEGRATED MANAGEMENT SERVICES (HOLDINGS) LIMITED

We have audited the financial statements on pages 3 to 7 which have been prepared under the historical cost convention and the accounting policies set out on page 5.

Respective responsibilities of the director and auditors

As described on page 1 the company's director is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

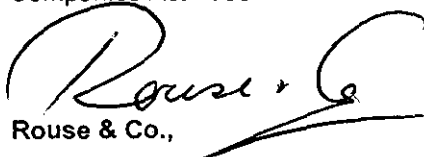

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 2000 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2000

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

As shown in the financial Statements, the liabilities of the company exceed its assets by £25,723. The continuation of the company's activities is dependent upon the continued availability of loans from its director. The financial statements have been drawn up on a going concern basis, which assumes that these facilities will continue to be available.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.3 Investments

Current asset investments are stated at the lower of cost and net realisable value.

1.4 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability will crystallise in the foreseeable future.

1.5 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

1.6 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts.
