NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2008

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

As shown in the financial statements, the liabilities of the company exceed its assets. The continuation of the company's activities is dependent upon the continued availability of loans from its director. The financial statements have been drawn up on a going concern basis, which assumes that these facilities will continue to be available.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.4 Investments

Current asset investments are stated at the lower of cost and net realisable value.

1.5 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts. The investment in the company's subsidiary, Coltrade Limited, has been written off.

2 Debtors

Debtors include an amount of £29,043 (2007 - £27,601) which is due after more than one year.
