**CHILTERN RADIO LIMITED
STRATEGIC REPORT
FOR THE YEAR ENDED 31 MARCH 2021**

Introduction

The Directors present their Strategic report for Chiltern Radio Limited (the "Company").

The Directors, in preparing this strategic report, have complied with section 414C of the Companies Act 2006. It has been prepared solely to provide the shareholders with information to assess how directors have performed their duty to promote the success of the Company for the year ended 31 March 2021.

Business review

The principal activity of the Company, a subsidiary of the Global Media & Entertainment Limited group ('the Group'), is unchanged from last year and is the operation in the Luton, Bedfordshire, Buckinghamshire and Hertfordshire area of the independent radio licence for Heart 97.6 FM and, in the Bedford area, of Heart 96.9 FM.

Turnover for the year ended 31 March 2021 amounted to £7,990,000 (2020: £9,384,000).

Dividends of £nil were paid in the year (2020: £1,011,000).

Principal risks and uncertainties

The Company is a subsidiary of Global Media & Entertainment Limited Group, limited by shares. From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. The review of the business of Global Media & Entertainment Limited and its subsidiaries, which provides an analysis of the main trends and factors likely to affect the development, performance and position of the business, and a description of the principal risks and uncertainties facing the business, can be found in the Group financial statements of Global Media & Entertainment Limited.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the Company uses intercompany borrowings from other Group companies.

Market Risk

The key risk to the business is that an advertising slowdown may put pressure on traditional revenues, and reduce the value of the investments held. The risk is monitored and managed through Group management.

Interest rate risk

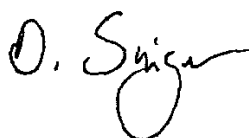

Interest rate risk arises from intercompany balances that bear interest at a fixed rate. The Directors have reviewed the Company's exposure to interest rates and have concluded that the risk is appropriate in relation to the financial results of the Company.

Financial key performance indicators

Given the straightforward nature of the business, the Company's Directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business. The KPIs for the Global Media & Entertainment Limited Group can be found in the Annual Report of Global Media & Entertainment Limited, which is available to the public.

This report was approved by the board on 6 December 2021 and signed on its behalf.

Results and dividends

The profit for the year, after taxation, amounted to £579,000 (2020: £50,000)

A dividend of £nil (2020: £1,011,000 was paid in the year. No dividend has been proposed since year end.

Directors

The Directors who served during the year and to the date of this report were:

Steven Gabriel Miron

Darren David Singer

Future developments

The Directors confirm that, after making enquiries, they have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis of accounting in preparing these financial statements. Further information around the assessment of Going Concern can be found in Note 2 of the financial statements.

Qualifying third party indemnity provisions

The Directors benefit from qualifying third party indemnity provisions in place for the Company and for the Global Media & Entertainment group.

Political contributions

The Company made no political contributions during the year (2020: £nil).

Matters covered in the strategic report

An indication of likely future developments in the business of the Company, and financial risk management objectives and policies are included in the Strategic report.

Post balance sheet events

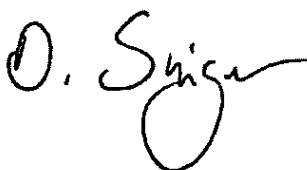

The Directors acknowledge that Covid-19 was declared a pandemic before year end, however note that the pandemic has impacted the performance of the Company following the date of these financial statements. The Directors' do not consider this to have an impact on the Company's ability to continue as a going concern. More information on this can be seen within the Going concern assessment within note 2 of these financial statements.

Small companies note

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board on 6 December 2021 and signed on its behalf.

Director

**CHILTERN RADIO LIMITED
DIRECTORS' RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 31 MARCH 2021**

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHILTERN RADIO LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. General information

Chiltern Radio Limited (the "Company") is incorporated and domiciled in the United Kingdom. The Company is a private company limited by shares, and is registered in England and Wales.

The principal activity of the Company is the production and transmission of radio programmes and the sale of radio advertising and sponsorship.

These financial statements are presented in pound sterling (£), which is the Company's functional and presentational currency. All amounts have been rounded to the nearest thousand, unless otherwise indicated.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The Company is a parent Company that is also a subsidiary included in the consolidated financial statements of its immediate parent undertaking established under the law of an EEA state and is therefore exempt from the requirement to prepare consolidated financial statements under section 400 of the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Financial reporting standard 101 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement
- the requirements of the second sentence of paragraph 110 and paragraphs 113(a), 114, 115, 118, 119(a) to (c), 120 to 127 and 129 of IFRS 15 Revenue from Contracts with Customers
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
 - paragraph 79(a)(iv) of IAS 1;
 - paragraphs 76 and 79(d) of IAS 40 Investment Property; and
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member
- the requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d)-134(f) and 135(c)-135(e) of IAS 36 Impairment of Assets.

2. Accounting policies (continued)

2.2 Financial reporting standard 101 - reduced disclosure exemptions (continued)

New accounting standards

The following new standards, amendments to standards and interpretations issued by the International Accounting Standards Board ("IASB") became effective during the year ended 31 March 2021. The accounting policies adopted in the presentation of these financial statements reflect the adoption of the following new standards, amendments to standards and interpretations as of 1 April 2020. The adoption of these standards has not materially impacted the Company's earnings, Balance Sheet, or introduced additional disclosure requirements:

- Amendments to IFRS 3 Business Combinations: Definition of a Business
- Amendments to IFRS 9, IAS 39 and IFRS 7: Interest Rate Benchmark Reform
- Amendments to IAS 1 and IAS 8: Definition of Material
- Amendments to References to the Conceptual Framework in IFRS Standards

2.3 Going concern

The financial statements have been prepared using the going concern basis of accounting. The Company's business activities, together with the factors likely to affect its future development and position, are set out in the Business Review section of the Strategic report on page 1. The Company participates in the group centralised treasury arrangements and so shares banking arrangements with its parent and fellow subsidiaries.

The Global Media & Entertainment group ("the Group") has prepared detailed forecasts of expected future cash flows for the three years ending 31 March 2024 ("the forecast"). The Board considers the forecast has been prepared on an appropriate basis taking into account current consensus forecasts of the outdoor advertising market.

The forecasts and going concern review performed at the Group level has not raised concerns over the ability of the Group, or Company, to continue as a going concern and more details on the Group's response to operational and financial risks, including the impact of Covid-19 can be seen within the financial statements of Global Media & Entertainment Limited.

The Directors have received suitable representations from Global Media & Entertainment Limited that it will continue to provide sufficient financial support to enable the Company to continue to trade for the foreseeable future and to not seek repayment of intercompany loans for a period of not less than 12 months from the date of approval of these financial statements.

Given the global political and economic uncertainty resulting from the Covid 19 pandemic, we have seen significant volatility and business disruption reducing our expected performance in 2020/21. The forecasts and going concern review performed at the Group level has not raised concerns over the ability of the Group, or Company, to continue as a going concern and more details on the Group's response to Covid 19 can be seen within the financial statements of Global Media & Entertainment Limited.

2.4 Revenue

Revenue recognition is based on the satisfaction of performance obligations, and an assessment of when control is transferred to the customer. The transaction price is allocated to these identified performance obligations, including an estimate of any variable consideration, and stated net of any sales taxes, agency commissions and trade discounts.

Under IFRS 15, the Company must evaluate whether the goods or services are transferred over time or at a point in time for each performance obligation.

A summary of how the key classes of revenue are recognised is provided below:

Radio advertising	Point in time, at date of broadcast
Sponsorship	Over the term of the contract
Internet revenue	Over the term of the contract
Transmission fees	Over the term of the contract
Production of adverts	Point in time, on date of release to clients
Enterprise revenue	Point in time, on agreed settlement with all parties

Contract assets

A contract asset is the right to consideration in exchange for goods and services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.5 Research and development

In the research phase of an internal project it is not possible to demonstrate that the project will generate future economic benefits and hence all expenditure on research shall be recognised as an expense when it is incurred. Intangible assets are recognised from the development phase of a project if and only if certain specific criteria are met in order to demonstrate the asset will generate probable future economic benefits and that its cost can be reliably measured. The capitalisation development costs are subsequently amortised on a straight line basis over their useful economic lives, which range from 3 to 6 years.

It is not possible to distinguish between the research phase and the development phase of an internal project, the expenditure is treated as if it were all incurred in the research phase only.

2.6 Interest income

Interest income is recognised in profit or loss using the effective interest method.

2.7 Share capital and reserves

Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

Profit and loss account

Retained earnings includes the cumulative net gains and losses recognised in the profit and loss account.

Capital redemption reserve

The capital redemption reserve arose on the repurchase of own shares.

Share premium

The share premium account includes the amount subscribed for share capital in excess of nominal value, less any costs directly attributable to the issue of new shares.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.8 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

At each reporting date the company assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined which is the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation on other assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

- Short term leasehold property - 2% - 20% per annum straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

2.9 Valuation of investments

Investments in subsidiaries are measured at cost less accumulated impairment.

Investments in unlisted Company shares, whose market value can be reliably determined, are remeasured to market value at each balance sheet date. Gains and losses on remeasurement are recognised in the Statement of comprehensive income for the period. Where market value cannot be reliably determined, such investments are stated at historic cost less impairment.

Investments in listed company shares are remeasured to market value at each balance sheet date. Gains and losses on remeasurement are recognised in profit or loss for the period.

2.10 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

CHILTERN RADIO LIMITED
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.11 Provisions for liabilities

Provisions are made where an event has taken place that gives the Company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to profit or loss in the year that the Company becomes aware of the obligation, and are measured at the best estimate at the Balance sheet date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are made, they are charged to the provision carried in the Balance sheet.

2.12 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the reporting date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance Sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax liabilities are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

2.13 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

3. Critical accounting judgements and key sources of estimation uncertainty

In preparing these financial statements, management have not made any significant judgements, estimates and assumptions that affect the application of the Company's accounting policies and the reported amount of assets, liabilities, income, expenses and other disclosures.

9. Taxation (continued)

Factors affecting tax charge/(credit) for the year

The tax assessed for the year is higher than (2020 - lower than) the standard rate of corporation tax in the UK of 19% (2020 - 19%). The differences are explained below:

	2021	2020
	£'000	£'000
Profit on ordinary activities before tax	<u>716</u>	<u>40</u>
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19% (2020 - 19%)	136	8
