Directors' responsibilities for the financial statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

REPORT OF THE DIRECTORS

Directors' responsibilities for the financial statements (continued)

The directors are responsible for keeping proper accounting records, for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ON BEHALF OF THE BOARD

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 30 SEPTEMBER 1997

1 ACCOUNTING POLICIES

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention.

The principal accounting policies of the company have remained unchanged from the previous year and are set out below.

Cash flow statement

Exemption has been taken from preparing a cash flow statements on the grounds that the company qualifies as a small company.

Turnover

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

Depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office equipment

20% on cost

Motor vehicles

25% on reducing balance

Deferred taxation

Deferred tax is provided for under the liability method using the tax rates estimated to arise when the timing differences reverse and is accounted for to the extent that it is probable that a liability or asset will crystallise. Unprovided deferred tax is disclosed as a contingent liability.

Hire purchase and leasing commitments

Assets held under hire purchase contracts or finance leases are capitalised in the balance sheet and depreciated over their expected useful lives.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the capital balance outstanding.

2 TURNOVER

The turnover and loss before taxation are attributable to the one principal activity of the company.
