### **Directors' responsibilities for the financial statements**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

"The directors have taken advantage of the exemption conferred by section 249A(1) not to have these accounts audited and confirm that no notice has been deposited under section 249B(2) of the Companies Act 1985.

The directors acknowledge their responsibilities for ensuring that:

- i The company keeps accounting records which comply with section 221 of the Companies Acts 1985; and
- ii The accounts give a true and fair view of the state of affairs of the company as at 30 September 1996 and of its profit or loss for the year then ended in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Companies Act 1985 relating to accounts, so far as applicable to the company."

The financial statements were approved by the Board on 24 June 1997

## **NOTES TO THE ACCOUNTS**

**FOR THE YEAR ENDED 30 SEPTEMBER 1996**

---

### **1 ACCOUNTING POLICIES**

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention.

The principal accounting policies of the company have remained unchanged from the previous year and are set out below.

#### **Cash flow statement**

Exemption has been taken from preparing a cash flow statements on the grounds that the company qualifies as a small company.

#### **Turnover**

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

#### **Depreciation**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office equipment	20% on cost
Motor vehicles	25% on reducing balance

#### **Deferred taxation**

Deferred tax is provided for under the liability method using the tax rates estimated to arise when the timing differences reverse and is accounted for to the extent that it is probable that a liability or asset will crystallise. Unprovided deferred tax is disclosed as a contingent liability.

#### **Hire purchase and leasing commitments**

Assets held under hire purchase contracts or finance leases are capitalised in the balance sheet and depreciated over their expected useful lives.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the capital balance outstanding.

### **2 TURNOVER**

The turnover and loss before taxation are attributable to the one principal activity of the company.
