The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest pound (£).

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS102), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The Company therefore qualifies for the reduced disclosures for subsidiaries under FRS 102 including the exemption to present a cash flow statement. The Company is also exempt under Section 33.1A of FRS 102 from disclosing related party transactions with wholly owned subsidiaries of the HeidelbergCement AG group.

2.2 Going concern

The financial statements have been prepared on a going concern basis as an indirect parent undertaking has stated that, subject to unforeseen circumstances, it intends to provide financial support to enable the Company to meet its liabilities as and when they fall due and the Directors reasonably believe the indirect parent undertaking would be in a position to provide this support.
