NOTES TO THE ACCOUNTS **Year ended 31 December 2007**

1 ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards. They have all been applied consistently throughout the year and the preceding year. The particular accounting policies adopted are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment.

Depreciation is not provided on freehold land.

On other assets depreciation is provided in equal annual instalments over the estimated useful lives of assets and is calculated on the cost of the assets.

The following rates are used:

Freehold buildings	2.5% per annum
Equipment	40% per annum
Studio equipment	40% per annum
Motor vehicles	25% per annum
Furniture, fixtures and fittings and equipment	40% per annum
Computer equipment	20% per annum

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rate expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements.

Deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted. A change in accounting policy has occurred during the year due to the introduction of FRS 19 which has resulted in no material adjustment to either the current or prior year.

Turnover

Turnover represents recording studio and crew hire fees receivable net of value added tax.
