Broglia Press 86 Limited ("the Company") - In Administration

Joint Administrators' First Progress Report for the period from 4 October 2010 to 3 April 2011

Issued on: 3 May 2011

Alexander Kınnınmonth and Nigel Fox of RSM Tenon Recovery are the Joint Administrators of the Company and this is their report on the progress of the administration of the Company for the period from 4 October 2010 to 3 April 2011

1. Statutory Information

Statutory information relating to the Company is attached at Appendix I

2. Joint Administrators' receipts and payments account

A summary of the Joint Administrators' receipts and payments account relating to the Company for the relevant period from 4 October 2010 to 3 April 2011 is attached at **Appendix II**

3. Action taken by the Joint Administrators since appointment

As no meeting of creditors was requisitioned I can confirm that creditors have been deemed to approve the Administrators' proposals previously circulated on 11 November 2010

It was not a viable option to continue to trade the Company because the staff had not been paid their salaries for the month of September 2010. The employees had been sent home due to non-payment and were awaiting the appointment of Administrators in order to clarify their position. As a result, the Company formally ceased trading on 4 October 2010 upon the appointment of Duncan Swift and Stanley Donald Burkett-Coltman as Joint Administrators. Shortly prior to their appointment, steps had been taken to secure the services of the Company's contracts manager for a limited period of time in order to provide us with assistance in identifying completed and part completed works to customers with resulted in realisations of £22,667. The contracts manager also assisted our team in sorting through the completed works held on site in order that these could be provided to customers to ensure that they would not withhold payment of funds due to the Company as a result of losses incurred from the loss of any of the printed works stored on their behalf

Immediately following appointment, the Joint Administrators took control of the Company's trading premises and secured it in order to protect the assets located on site. Independent valuers Edward Symmons LLP ("ES") were instructed to inspect the Company's assets and to provide a valuation.

Upon appointment, a number of parties expressed interest in either purchasing the business as a going concern or specific parts of it. The Joint Administrators therefore sourced the information these parties required in order that they could consider making an offer for the business. The required information was provided to all parties but no offers were forthcoming. It was therefore apparent that a sale of the business could not be achieved by the Administrators and as a result, the employees were all made formally redundant from 8 October 2010.

At this point, ES were asked to provide their opinion on a strategy for disposing of the Company's assets. On receiving this advice, it was agreed that ES would set up an auction to sell the assets. This auction took place on 19 November 2010.

Plant and Machinery and Furniture and Equipment

ES valued the Company's plant and machinery on a forced sale basis at approximately £96,750 These items were sold at the auction mentioned above and realised the sum of £192,419 49

The Company's printing presses were subject to a chattel mortgage in favour of Gold Group Printing Limited ("Gold Group") and were estimated to be worth £350,000. It was estimated that the liability to Gold Group was £110,000 but it transpired that they were owed considerably more. The sum of £371,000 was realised in this regard and forwarded to Gold Group under the terms of its mortgage. The balance remaining to Gold Group is an unsecured claim in the Administration.

Book Debts

At the outset of the Administration, RBS Invoice Finance ("RBSIF") instructed RSM Tenon's debt collection team to collect the debtor ledger on their behalf. I have therefore assisted the collection team in securing the records that will assist with the collection process and in trying to resolve any disputes that have been raised. I can advise that to date, the sum of £655,393.96 has been received and paid to RBSIF under the terms of their fixed charge and at present it is hoped that further realisations will be made to discharge the liability to RBSIF in full. I will continue to assist RBSIF and the RSM Tenon debt collection team to ensure that debtor collections are maximised.

There were also a small number of unfactored book debts which related to the sale of scrap paper and other products estimated at £4,540 The sum of £3,795 has been realised in this regard

Cash at Bank

The sum of £1,938 was held in the Company's bank account at the date of Administration and has been forwarded to the Administration account

A small amount of petty cash in the sum of £4 27 has also been received

Work in Progress

The sum of £22,667 was received from customers in consideration of part completed printing works available for collection

Associated Debtor

The management accounts indicate that the Company's holding company, New Broglia Press Limited ("New Broglia") owes the Company £75,115 Enquiries have been made in this regard and there is no prospect of a realisation in this regard as it is likely that New Broglia will be placed into Liquidation at some point in the near future

Administrators have a duty to submit confidential reports or returns to the government's Disqualification Unit on the conduct of those persons who acted as directors of the Company in the three year period before the Administration. I can confirm that the Joint Administrators have complied with their duties in this regard

4. Liabilities and dividends

Secured Creditors

As mentioned above, Gold Group Printing Limited have received the sum of £371,000 under the terms of their chattel mortgage over the printing presses

RBSIF have to date received £655,393 96 and it is expected that the liability to it will be settled in full

Preferential Creditors

The former employees of the Company submitted claims to the Redundancy Payments Office ("RPO") for arrears of wages and holiday pay. A claim in the sum of £40,905.61 has been received from the RPO. Unfortunately, due to insufficient realisations, it is not expected that there will be a distribution to preferential creditors in this regard.

Prescribed Part

There are provisions in the insolvency legislation that require an Administrator to set aside a percentage of a company's assets for the benefit of the unsecured creditors in cases where the company granted a "floating charge" over its assets to a lender on or after 15 September 2003. This is known as "the prescribed part of the net property". A company's net property is that left after paying the preferential creditors and costs and expenses of the Administration, but before paying the lender who holds a floating charge. An Administrator has to set aside

- 50% of the first £10,000 of the net property, and
- 20% of the remaining net property up to a maximum prescribed part of £600,000

As it is expected that the liability to RBSIF will be discharged in full and that it will not have to rely on its floating charge, the prescribed part provisions will not apply

Unsecured Creditors

Claims of £1,952,138 have been received from unsecured creditors to date. Unfortunately, due to insufficient realisations, it is not expected that a distribution to unsecured creditors will be made in this regard.

5. Joint Administrators' Remuneration, Disbursements and Expenses

The Joint Administrators' Proposals provided for the Joint Administrators to be remunerated with reference to time properly spent in dealing with matters in the Administration, up to a maximum of £140,000, and that disbursements would be drawn in accordance with the tariff outlined in **Appendix III.** The Joint Administrators' remuneration and disbursements on the basis outlined in the Proposals were approved by the secured and preferential creditors on 27 January 2011

The Joint Administrators' time costs were charged (exc. VAT) as follows

	•	Incurred	Paid
For this period	from appointment 4 October 2010 to 3 April 2011	£126,524	£111,532

In accordance with Statement of Insolvency Practice 9 attached at Appendix III is a breakdown of these time costs

Since the end of this period to the current date, further time costs have been incurred of £1,750 representing 10 6 hours and further fees of £10,000 have been drawn

The Joint Administrators' disbursements incurred during the period of this report and those reimbursed in the period are summarised below. Details are in the attached **Appendix III.**

Category 1 disbursements for this period 3 April 2011	from appointment - 4 October 2010 to	Incurred £829 77	Paid £827 41
Category 2 disbursements for this period 3 April 2011	from appointment - 4 October 2010 to	£350 45	£350 45

The secured and preferential creditors resolved on 27 January 2011 that the Joint Administrators be authorised to draw pre-appointment costs of £18,468 plus VAT, including fees charged plus expenses and disbursements incurred by them, out of the assets of the Company as an expense of the Administration, and to be drawn as and when funds permit. These costs have been paid in full

Creditors have a right to request further information from the Administrators and additionally have a right to challenge the Administrators' remuneration and expenses time limits apply. Details can be found in the document 'Remuneration Guidelines Administration (post 6 April 2010)' which you can access and download at http://www.rsmtenon.com/creditorguides. Appendix III – Information relating to the Joint Administrators' Fees and Expenses

Broglia Press 86 Limited

Information relating to the Joint Administrators' Fees and Expenses

1. Explanation of Administrators' charging and disbursement recovery policies

1.1. Time recording

Work undertaken on cases is recorded in 6 minute units in an electronic time recording system. Time properly incurred on cases is charged at the hourly rate of the grade of staff undertaking the work that applies at the time the work is done. The current hourly charge out rates are

Grade	£
Director and associate director	340 – 435
Senior manager, manager & Supervisor	205 - 310
Other senior professionals	150 - 170
Support and administration staff	95 - 105

Disbursement recovery

Disbursements are categorised as either Category 1 or Category 2

Category 1 disbursements will generally comprise external supplies of incidental services specifically identifiable to the case. Where these have initially been paid by RSM Tenon Recovery and then recharged to the case, approval from creditors is not required. The amount recharged is the exact amount incurred Examples of Category 1 expenses are postage, case advertising, specific bond insurance, company search fees, invoiced travel and properly reimbursed expenses incurred by personnel in connection with the case Also included will be services specific to the case where these cannot practically be provided internally such as printing, room hire and document storage.

Category 2 disbursements include elements of shared or allocated costs incurred by RSM Tenon Recovery and recharged to the estate, they are not attributed to the estate by a third party invoice and/or they may include a profit element. These disbursements are recoverable in full, subject to the basis of the disbursement charge being approved by creditors in advance. Examples of category 2 disbursements are photocopying, internal room hire, and internal storage.

The current levels of Category 2 disbursements recovered by RSM Tenon Recovery are as follows

Category	Basis
stationery	4p, 3p, 35p per envelope, letterhead or label
photocopying	5p per page
postage	actual 1st or 2nd class
faxes	50p per page
storage	£7 20 per box per year
room hire	£100 fixed charge
car mileage	45p per mile
other travelling	actual

Please note that on 6 April 2011 the rate at which mileage is charged was increased to 45p per mile from 40p per mile in accordance with HM Revenue and Customs' approved mileage allowance payment

The costs recharged are based upon the actual cost of the materials used or the costs which would have been incurred if that service had been sourced externally
