The Financial Statements of Vitassem Limited (the "Company") for the year ended 30 December 2018 were authorised for issue by the Board of Directors on 23rd December 2019 and the Statement of Financial Position was signed on the Board's behalf by Russell Cash. Vitassem Limited is incorporated and domiciled in England and Wales.

These Financial Statements were prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" and the Companies Act 2006. The Company's Financial Statements are presented in Sterling.

The Company has taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group accounts as it is a wholly owned subsidiary of Fluidpower Shared Services Limited.

The results of Vitassem Limited are included in the consolidated financial statements of Flowtech Fluidpower plc which are available from Bollin House, Wilmslow, England SK9 1DP.

These Financial Statements have been prepared on a going concern basis and on the historical cost basis except for the modification to a fair value basis for certain financial instruments as specified in the accounting policies below.

The principal accounting policies adopted by the Company are set out in note 2.

2 Accounting policies (continued)

2.2 Going concern

The Financial Statements have been prepared on the going concern basis which the Directors believe to be appropriate for the following reasons. The Company is dependent for its working capital on funds generated by other group companies. The Company's ultimate parent, Flowtech Fluidpower plc, has provided the Company with an undertaking that for at least 12 months from the date of approval of these Financial Statements, it will continue to make available such funds and guarantees as are needed by the Company. This should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the Directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these Financial Statements, they have no reason to believe that it will not do so.

Based on this undertaking, the Directors believe that it remains appropriate to prepare the Financial Statements on a going concern basis. The Financial Statements do not include any adjustments that would result from the basis of preparation being inappropriate.

2.3 Significant judgements, key assumptions and estimates

In the process of applying the Company's accounting policies, which are described above, management has made judgements and estimations about the future that may have a significant effect on the amounts recognised in the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Management do not believe there are any judgements, key assumptions or estimates of sufficient significance to require disclosure.

Equity comprises the following:

- "Share capital" represents the nominal value of equity shares
- "Retained losses" represent retained losses of the Company
