## **Directors' Report**

---

### **Review of the 9 months to 31 December 1999**

During the period ended 31 December 1999, the Company did not trade and received no income and incurred no expenditure. Consequently, the Company made neither a profit or loss. These accounts relate to a 9 month period as the accounting reference date was changed from 31 March to 31 December during the period to reflect the year end of the Company's new ultimate parent undertaking.

### **Principal Activities**

The Company has not traded during the period and has made neither profits nor losses. The Directors do not foresee any major change in the nature or scale of activity at present.

### **General Meetings**

Elective resolutions have been passed in accordance with Section 379A of the Companies Act 1985 (as amended) to dispense with the laying of accounts before the Company in General Meeting (pursuant to Section 252 of the Act) and to dispense with the holding of the Annual General Meeting (pursuant to Section 366A of the Act).

### **Auditors**

An elective resolution has been passed that, in accordance with Section 379A and 386 of the Companies Act 1985 (as amended), the Company dispense with the obligation under Section 384 of the Act to appoint auditors annually.

### **Directors' Responsibilities**

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit and loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures being disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Auditors' Report to the members of International Cigarette Consultants (Ivory Coast) Limited

---

We have audited the financial statements on pages 6 to 7 which have been prepared under the historical cost convention and the accounting policies set out on page 7.

### Respective responsibilities of directors and auditors.

The directors are responsible for preparing the Annual Report. As described on page 3, this includes responsibility for preparing the financial statements in accordance with applicable United Kingdom accounting standards. Our responsibilities, as independent auditors, are established by statute, the Auditing Practice Board and our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the Annual Report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

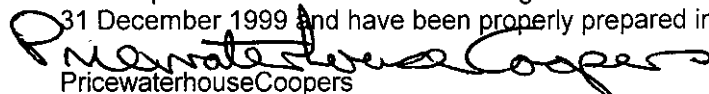

### Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs at 31 December 1999 and have been properly prepared in accordance with the Companies Act 1985.
