

Brookside Productions Limited

Accounts 30 September 1999 together with directors' and auditors' reports

Registered number: 1532805

Directors' report

For the year ended 30 September 1999

The directors present their annual report on the affairs of the company, together with the accounts and auditors' report, for the year ended 30 September 1999.

Directors' responsibilities

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will
 continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal activities and business review

The principal activity of the company continues to be the production of television programmes, principally the serial "BROOKSIDE" for the Channel Four Television Corporation. This year the profit of the company attributable to ordinary shareholders was £16,041 (1998 - £364,444).

The directors expect the general level of activity to continue in the coming year.

Results and dividends

Results, dividends and recommended transfers to reserves are as follows:

Retained profit at 30 September 1998

Profit for the financial year

Dividends

Retained profit at 30 September 1999

Directors' report (continued)

Directors and their interests

The directors who served during the year are as shown below:

Phil Redmond

(Chairman)

Alexis Redmond

Leon Rhys Morgan

Andrew Gossage

(Appointed 24 November 1999)

No director has any beneficial interest in the shares of the company. The interests of the directors in the shares of the holding company are disclosed in the consolidated accounts of that company.

Details of transactions with related parties are given in note 14.

The directors have no other interests required to be disclosed under Schedule 7 of the Companies Act 1985.

Year 2000

During the year the company has successfully implemented its Year 2000 plan with the associated costs of this work being charged to the profit and loss account as incurred.

There have been no significant problems detected since the balance sheet date.

Auditors

The directors will place a resolution before the annual general meeting to reappoint Arthur Andersen as auditors for the ensuing year.

By order of the Board,

Joans Bly

Joanne Bibby

Secretary

ARTHURANDERSEN

Auditors' report

To the Shareholders of Brookside Productions Limited:

We have audited the accounts on pages 4 to 11 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of the accounts. In accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the company's state of affairs at 30 September 1999 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to accounts

30 September 1999

1 Accounting policies

A summary of the principal accounting policies, all of which have been applied consistently throughout the year and the preceding year, is set out below.

a) Basis of accounting

The account are prepared under the historical cost convention and in accordance with applicable accounting standards.

b) Tangible fixed assets

Tangible fixed assets are stated at cost net of depreciation.

Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a straight-line basis over its expected useful life as follows:

Freehold land and buildings 50 years

Residual value is calculated on prices prevailing at the date of acquisition. Profits or losses on the disposal of fixed assets are included in the calculation of operating profit.

c) Taxation

Corporation tax payable is provided on taxable profits at the current rate.

Deferred taxation is provided using the liability method on all timing differences only to the extent that they are expected to reverse in the future without being replaced.

d) Cash flow statement

Under the provisions of Financial Reporting Standard No. 1 (Revised), the company has not prepared a cash flow statement because its parent undertaking, The Mersey Television Company Limited, which is incorporated in England and Wales, has prepared consolidated accounts which include the accounts of the company for the year and which contain a consolidated cash flow statement.

e) Pensions

The company provides pensions to one of the directors through a separately administered defined contribution pension scheme. The amounts charged to the profit and loss account is the contribution payable in the year.

The company also operates a personal pension plan for its employees. The amount charged to the profit and loss account in respect of pension costs is the contributions payable in the year.

2 Production income

Production income is stated net of production costs and has arisen wholly in the UK from the company's principal activity.
