The Directors are responsible for preparing financial statements for each financial year which give a true and fair view, in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

Each of the Company's Directors in office at the date of this report confirm that so far as he is aware, there is no relevant audit information, that is, information needed by the Company's auditors in connection with preparing their report, of which the Company's auditors are unaware, and that he has taken all steps which he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the auditors are aware of that information.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

Accounting convention

The financial statements are prepared on the going concern basis under the historical cost convention and in accordance with the Companies Act 1985 and applicable accounting standards. The principal accounting policies are set out below.

Changes in accounting policies

The Company has adopted FRS 21 'Events after the Balance Sheet Date' and the presentation requirements of FRS 25 'Financial Instruments: Disclosure and Presentation', in these financial statements. The adoption of the standards represents a change in accounting policy which has had no impact on the prior year figures.

Investments

Investments are shown at cost less provision considered necessary for any impairment. The need for any impairment write down is assessed by comparison of the carrying value of the asset against the higher of net realisable value or value in use. The value in use is determined from estimated discounted future cash flows. Discount rates used are based on the cost of capital.

Cash flow and related party disclosures

The Company is a wholly owned subsidiary of Misys plc and is included in the consolidated financial statements of that company, which are publicly available. Consequently, the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS1 (revised 1996) 'Cash Flow Statements'.

The Company has also taken advantage of the exemption under FRS8 'Related Party Disclosures' not to disclose transactions with group undertakings since Misys plc is the beneficial owner of the entire equity share capital of the Company.

2. OPERATING LOSS

Remuneration of the auditors and Directors has been borne by a fellow subsidiary as was the case in the prior year. There were no employees in the year (2005: nil).
