#### NOTES TO THE FINANCIAL STATEMENTS

#### 1. ACCOUNTING POLICIES

#### **Accounting convention**

The financial statements are prepared on the going concern basis under the historical cost convention and in accordance with the Companies Act 1985 and applicable accounting standards. The principal accounting policies are set out below

#### Going concern

The Company has a deficiency of capital. A letter of support has been received from the ultimate parent company, Misys plc, stating that it will provide continuing financial support as necessary to enable the Company to meet its obligations as and when they fall due, for a period of at least 12 months from the date of this report Accordingly, the Directors are satisfied that it is appropriate to prepare the financial statements on a going concern basis

#### Changes in accounting policies

The Company has adopted FRS 20 'Share-based payment' in these financial statements. The adoption of this standard represents a change in accounting policy which has no impact on the current or prior year figures.

#### Investments

Investments are shown at cost less provision considered necessary for any impairment. The need for any impairment write down is assessed by comparison of the carrying value of the asset against the higher of net realisable value or value in use. The value in use is determined from estimated discounted future cash flows. Discount rates used are based on the cost of capital.

#### Cash flow and related party disclosures

The Company is a wholly owned subsidiary of Misys plc and is included in the consolidated financial statements of that company, which are publicly available. Consequently, the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS1 (revised 1996) 'Cash Flow Statements'

The Company has also taken advantage of the exemption under FRS8 'Related Party Disclosures' not to disclose transactions with group undertakings since Misys plc is the beneficial owner of the entire equity share capital of the Company

#### 2 OPERATING LOSS

Remuneration of the auditors and Directors has been borne by a fellow subsidiary as was the case in the prior year. There were no employees in the year (2006, nil)
