# **EUROPEAN ACADEMY GREAT BRITAIN (EAGB)**

## **Committee Annual Report For the year ended 30 April 2019**

### **History, objectives and activities of EAGB**

The European Academy Great Britain was established on 17 February 1981 as an educational charity to increase knowledge of educational subjects of European interest. The Committee currently focuses on young people between 13 -19 years of age. The EAGB collaborates with a wide range of schools and works closely with their teachers in developing educational courses.

### **Management and governance arrangements**

The memorandum and articles provide for a minimum of 3 members of the committee. Were there a requirement for new members of the committee, these would be identified and appointed by the remaining members of the committee. New members of the committee are briefed on their responsibilities, the governing document, administrative procedures, the history and philosophical approach of the charity. A new member of the committee would receive copies of the previous year's report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What You Need to Know".

The committee annually review the risks that the charity faces. To date these have included minor areas of risk relating to employing staff which have been covered by proper procedures and insurance. It has also considered risks relating to terrorism which could cause cancellations and aims to systematically build up a reserve of three years operating income to cover fluctuations in student registrations.

### **Achievements and performance**

The European Academy Great Britain continued its educational commitment by providing support to 153 students (as compared with 247 in 2018) and 12 teachers (compared with 20 in 2018). Two of our regular schools managed to visit but unfortunately some of the other regular schools were unable to secure their funding. One school continued to bring two classes so this made up somewhat for the shortfall in numbers.

### **Nydalen Vgs Skole, Nydalen**

(23 - 27.09.18)

This school returned with 45 students and 2 teachers. They participated on a four-day varied and busy programme. The group was split into two: English and Photography students and Entrepreneurship/Business students. Activities included visits to a homeless centre for some invaluable volunteering work, a visit and guided tour of the Tate Modern on the South Bank, a guided Walk, covering the Westminster area, a Brexit lecture and Q&A session at the London School of Economics, a guided visit of Sky Studios and the Daily Telegraph, a visit to Siemens' The Crystal, a visit to Borough Market, and a presentation at St Ermin's Hotel. In addition, an afternoon multicultural visit was experienced at the Gurdwara Sikh temple in Southall. Additional activities included a Photo Safari and assignments where students were set

goals so as to use their business skills organised by the photography and business teachers respectively.

### **Tibble Gymnasium, Tibble**

(07 - 11.10.18)

This School returned with two classes (64 students and 4 teachers). The aim of their four day programme was to enhance their international English and economy studies. After a Preparation session at Ealing Town Hall, they spent a morning at Shakespeare's Globe for two separate workshops (*Hamlet* and *Twelfth Night*). They also explored the South Bank area and had a guided tour of the Tate Modern. A business presentation was organised at Handelsbank, followed by a visit to Siemens' The Crystal. The group split for two separate sessions at Sky Studios where they spent three hours producing first hand a news report. The students wrote, produced, enacted and filmed themselves reporting on a topic of their choice: social networking. Together with a tour of Sky, students left with an excellent insight into the many facets of working for a major media group - from marketing, business, operations and news & sport production. Another highlight for the school this year was a visit to the Sikh temple.

### **Ski Vgs Skole, Ski**

(3 – 08.03.19)

This School returned with 44 students and 4 teachers. Students were split into four study groups: Education, Multicultural London, World War II and Imperialism.

For the Education group, activities included visits to Harrow School and two high schools, one state-funded and one private (St Benedict's and Drayton High), and a guided visit and presentation at the University of West London, where they met the Student Union leader and were able to ask questions about university life in London. Students focussing on Multiculturalism visited the Sikh temple in Southall and undertook a guided walk through the East End of London, rich in its multicultural nature. This year again, they also participated in a workshop at the Black Cultural Archives in Brixton. The WWII group visited the Imperial War Museum and Churchill War Rooms, followed a guided Blitz walk and in addition a Total War educational workshop was organised at the National Army Museum.

The Imperialism group had a very successful week, exploring this new study topic. They spent a morning at the Institute of Commonwealth Studies, where they were welcomed by the Institute's Deputy Director and they had a presentation/workshop. They also visited the Museum of London Docklands and took the Emirates Cable car across to North Greenwich. In addition to this, they undertook a guided walk and a visit to the National Theatre. The whole school group visited the British Museum.

All schools followed a format of beginning their studies with a preparatory session to help them work out how to carry out the projects, and finished with an evaluation session.

**Financial review, investment policy and reserves**

The committee have set a policy to ensure that any surplus funds earn maximum interest to maximise the total return with a minimum of risk.

Since the income of the EAGB can fluctuate based on school registrations, the committee plan to build up gradually 3 years of operating income to provide a stable base for its activities and ensure as far as is reasonably possible staff security.

There was an excess of £13,114 of income over expenditure. The adequacy of the reserves policy is reviewed annually.

**Public Benefit**

Students exchanged experiences with local schools. A social issues programme was organised for the students. They volunteered at a local centre where those who are homeless in the area can find food, warm clothing and a sense of community. The centre estimates that in excess of 1000 individuals access their services on various days of the week. They come from a range of ethnic backgrounds that include Black African and Caribbean, Asian Chinese and White Europeans. The aim was to raise awareness of the need to provide a caring and safe environment for the poor, socially marginalised and those who suffer from isolation or are in any kind of need.

**Future plans**

The committee intend to continue organising the wide range of schools courses it already undertakes.

**Statement of Committee Members' responsibilities**

Charity law requires the members of the committee to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and its financial activities for that period. In preparing those financial statements, the committee members are required to:

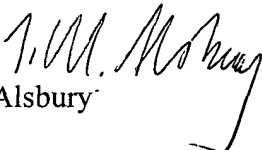

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The committee members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Independent Examiner**

The committee intend to ask the existing auditors to undertake the independent examination of the charity in the following year.

Signed on behalf of the trustees

**Independent examiner's report to the trustees of The European Academy Great Britain Limited by Guarantee ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2019.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached
