EUROPEAN ACADEMY GREAT BRITAIN

Committee Annual Report For the year ended 30 April 2023

History, objectives and activities of EAGB

The European Academy Great Britain was established on 17 February 1981 as an educational charity to increase knowledge of educational subjects of European interest. The Committee currently focuses on young people between 13 -19 years of age. The EAGB collaborates with a wide range of schools and works closely with their teachers in developing educational courses.

Management and governance arrangements

The memorandum and articles provide for a minimum of 3 members of the committee. Were there a requirement for new members of the committee, these would be identified and appointed by the remaining members of the committee. New members of the committee are briefed on their responsibilities, the governing document, administrative procedures, the history and philosophical approach of the charity. A new member of the committee would receive copies of the previous year's report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What You Need to Know".

The committee annually review the risks that the charity faces. To date these have included minor areas of risk relating to employing staff which have been covered by proper procedures and insurance. It has also considered the problems of student fluctuations and the risks relating to terrorism which could cause cancellations.

Achievements and performance

The European Academy Great Britain recommenced its educational commitment following the Coronavirus pandemic, by providing courses for 125 students and 14 teachers from Norway, Sweden and Finland - Sweden 48 %, Norway 29% and Finland 23%

Nydalen Vgs Skole, Nydalen (25-29.09.22)

This school returned with 34 students and 6 teachers. Within the group several students had special educational needs and two boys had a hearing impairment. The school, offered the course to all students on an inclusive basis. As a result 3 support staff were included amongst the accompanying teachers: two interpreters for the boys with a hearing impairment and a full-time live-in assistant for the students with special educational needs.

As in previous successful programmes organised by the European Academy for Nydalen Vgs, the group participated in a four-day programme and was split in two: English and Photography and Entrepreneurship/Business. The two groups' activities ran along side to focus on their specific interests, and some activities were enjoyed by the whole group together.

The English and Photography group participated in a *Hamlet* workshop at Shakespeare's Globe theatre and private tours of the Tate Modern, the British Museum and The Victoria and Albert Museum. They explored the contrasting areas of Camden with its cultural diversity and the historic Albertopolis area to include Kensington Gardens, Hyde Park, The Serpentine and The Royal Albert Hall.

The Entrepreneurship/Business group met in St Ermin's Hotel where students learnt first hand about the many facets of the hotel and hospitality industry. Students were offered future job shadowing opportunities and work experience. Other activities included a visit to the Bank of England where they participated in some active learning; a visit to the Docklands area of London, where they worked on their independent business research to include live interviews of individuals in commerce. A visit was also arranged to a football club (QPR). Students were able ask questions and witnessed the day to day running of a professional sports club and business model.

Both groups participated in a City Walk after taking the Elizabeth line for the first time, and the last evening's visit to the Lyceum Theatre to see the sensory magnificence of *Lion King*. A script of the musical was provided to the interpreters in advance. They visited the Museum of Brands workshop (*brand evolution challenge*), a *Twelve Night* workshop and had a tour of Shakespeare's Globe theatre, a guided tour of the Tate Modern, a Bank of England active learning session. In addition, the school visited the multicultural area of Southall with a temple visit.

One of the highlights of the week was at Sky Studios, where split into two groups, one class in the morning and the other in the afternoon, the students experienced working in media. They wrote, produced, enacted and filmed themselves reporting on a topic of their choice (*Money and Me* was one topic and the other *Social Networking*). Together with a tour of Sky, students left with an excellent insight into the many facets of working for a major media group – from marketing, business, operations and news and sports production.

Suomalaisen Yhteiskoulun Saaio (SYK), Helsinki (6-11.11.22)

This Finnish school returned for the sixth time with 27 Religious Education and English students and 2 teachers. The week commenced with a morning of Shakespeare including a workshop (*Romeo and Juliette*), followed by a River Thames walk and South Bank experience, and visit to the British Museum.

Places of worship visited included St Paul's Cathedral, St Bartholomew the Great and the Less, where they had guided tours. Temple visits included a Sikh Gurdwara, a tour of BAPS Shri Swaminarayan Mandir Hindu temple, a central London Buddhist temple, London Fo Guang Shan, and a local West London Hindu Tamil temple. At each temple the students received a warm welcome and tour; and they were able to ask questions, sample the local vegetarian curries and be immersed in their differing rich cultures.

The final evening was spent at the Prince of Wales Theatre where the teachers decided to take their students once again to the controversial musical *The Book of Mormon*.

As usual, students followed a format of beginning their studies with a preparatory session to help them work out how to carry out the projects, and finished with an evaluation session. All students were hosted by local families in West London.

Financial review, investment policy and reserves

The committee have set a policy to ensure that any surplus funds earn maximum interest to maximise the total return with a minimum of risk.

Since the income of the foundation can fluctuate based on school registrations, the committee plan to provide a stable base for its activities and ensure as far as is reasonably possible staff security. There was an excess of £3685 of income over expenditure. The adequacy of the reserves policy is reviewed annually.

Public Benefit

Students exchanged experiences with local schools. A social issues programme was organised for the students. They volunteered at a local centre where those who are homeless in the area can find food, warm clothing and a sense of community. The centre estimates that in excess of 1000 individuals access their services on various days of the week. They come from a range of ethnic backgrounds that include Black African and Caribbean, Asian Chinese and White Europeans. The aim was to raise awareness of the need to provide a caring and safe environment for the poor, socially marginalised and those who suffer from isolation or are in any kind of need.

Future plans

The committee intend to continue organising the wide range of schools courses it already undertakes.

Statement of Committee Members' responsibilities

Charity law requires the members of the committee to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and its financial activities for that period. In preparing those financial statements, the committee members are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The committee members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act

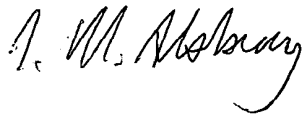

~~2011~~ They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner

The committee intend to ask the existing accountant to undertake the independent examination of the charity in the following year.
