LIQUIDATOR'S ACTIONS SINCE LAST REPORT

During the reporting period I have continued to monitor the position with regard to the potential claim in relation to the Company's trucks. This matter remains ongoing and I am unable to estimate a timescale for resolution.

There is certain work that I am required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken since my last progress report is contained in Appendix 1.

RECEIPTS AND PAYMENTS ACCOUNT

My Receipts & Payments Account showing transactions during the reporting period is enclosed. All amounts are shown net of VAT. I have reconciled the account against the financial records that I am required to maintain.

The balance of funds is held in an interest-bearing estate bank account.

ASSETS

Purchase of truck claim

As previously reported, I entered into an agreement with a litigation funder, Manolete Partners PLC, who have agreed to fund litigation in relation to the historic financing of the Company's trucks. To date £5,000 has been paid into the liquidation estate in relation to the purchase of that claim. The agreement includes payment of my time costs in assisting with the claim and will not result in any additional costs to the estate.

The claim being considered by Manolete relates to a price fixing cartel operated by Truck Manufacturers who have already been fined over £3.4 billion by the European Commission. Manolete are running a "class action" in relation to illegal overcharging.

The nature of the claims was such that it would have been uneconomic to have pursued outside of a "class action".

A review was undertaken of the various parties who are also running such class actions and determined that Manolete's proposal offered potentially the best outcome to creditors.

I am unable to predict the unlikely outcome of this claim but am continuing to monitor the position with Manolete until the matter is fully resolved.

There have been no other realisations or assets to be dealt with in the reporting period.

LIABILITIES

Secured creditors

An examination of the Company's mortgage register held by the Registrar of Companies, showed that the Company has granted the following charges

| Туре | Created | Persons Entitle | ed | Particulars | | | |
|-------------------|-------------|-----------------|------------------------|-------------|---------|----------|--|
| Debenture | 7 July 2009 | Bibby Fina | ncial | Fixed | and | floating | |
| | | Services | charge over all assets | | | | |
| Chattels Mortgage | 27 May 2009 | Bank of Scotlan | d plc | In res | pect of | vehicles | |
| | | | | held by | the Co | ompany. | |

The debts due to Bank of Scotland and Bibby Financial Services were settled in full by the former Administrator. Accordingly, there are no remaining outstanding secured debts.

Preferential creditors

The statement of affairs anticipated no preferential creditors and no claims have been received.

Crown creditors

The statement of affairs included £1,421,488.14 owed to HMRC. HMRC's claim of £1,697,635.88 has been received.

Unsecured creditors

The statement of affairs included unsecured creditors with an estimated total liability of £370,487.52. I have received claims from creditors at a total of £442,660.34.

DIVIDEND PROSPECTS

I am unable to estimate whether a dividend will be paid to creditors until such time as the outstanding truck claim has been resolved.

INVESTIGATION INTO THE DEBTOR'S AFFAIRS

The Company exited Administration into Creditors' Voluntary Liquidation on 22 April 2010 and the previous Liquidators were appointed 30 April 2012.

During the course of the investigations, it was discovered that there was an outstanding debt of £1,188,596 due to the Company from Fountain Park Holdings Limited ("FPHL"). Solicitors, Moon Beever, were instructed to initially review the matter and following receipt of their advice, to issue proceedings to wind up FPHL.

A Winding Up Order was made against FPHL on 14 August 2012. This resulted in a dividend payment of £11,000 being received from the liquidation of FPHL.

Following the identification of a number of potential claims against the former Director of the Company, and considering the recoverability of the claims, Liquidators succeeded in negotiating a settlement with him in the total sum of £40,000. It was agreed that this amount was to be paid over a period of thirty months. This agreement has been settled in full and I have received the sum of £40,000.

A potential claim has been identified in relation to the financing of the Company's trucks. Further investigations and discussions will be required before the potential outcome can be assessed. To date, £5,000 was received in relation to the purchase of that claim by Manolete. Whilst my previous progress report advised that further recoveries were unlikely, I am continuing to liaise with Manolete until the matter is fully resolved.

LIQUIDATORS' REMUNERATION

My remuneration was approved on a time cost basis. Schedules of my time costs incurred are enclosed.

LIQUIDATORS' EXPENSES

For a breakdown of expenses incurred and drawn both cumulatively and in the reporting period please refer to note 2 to the receipts and payments account.

For a breakdown of category 1 disbursements incurred and drawn both cumulatively and in the reporting period please refer to note 3 to the receipts and payments account.

FURTHER INFORMATION

The office holder is required to undertake this work as part of his statutory functions.
