Subject to Clause 16 2, if the Assignee is satisfied that all the liabilities which the Assignor is liable to indemnify the Assignee pursuant to the Indemnity have been irrevocably paid or satisfied in full and that all facilities which might give rise to such liabilities have terminated, the Assignee shall at the request and cost of the Assignor release, reassign or discharge (as appropriate) the Derivative Agreement from the Charges

16 2 Retention of security

If the Assignee considers that any amount paid or credited to it under the Indemnity is capable of being avoided or otherwise set aside on the Winding-up of the Assignor or any other person, or otherwise, that amount shall not be considered to have been paid for the purposes of determining whether the Assignor has indemnified the Assignee in full pursuant to the Indemnity

16 3 Consolidation

Section 93 of the LPA shall not apply to the Charges

17 Enforcement costs

The Assignor shall, within three Business Days of demand, pay to the Assignee the amount of all costs, losses, liabilities and expenses (including legal fees) incurred by the Assignee in relation to this Deed (including the administration, protection, realisation, enforcement or preservation of any rights under or in connection with this Deed, or any consideration by the Assignee as to whether to realise or enforce the same, and/or any amendment, waiver, consent or release)

18 1 Payments

All payments by the Assignor under this Deed (including damages for its breach) shall be made in the Currency of Account and to such account, with such financial institution and in such other manner as the Assignee may direct

- (b) the presentation of a petition or the passing of a resolution in relation to the Winding-up of the Assignor,

the Assignee may open a new account in the name of the Assignor with the Assignee (whether or not it permits any existing account to continue) If the Assignee does not open

such a new account, it shall nevertheless be treated as if it had done so when the relevant event occurred. No moneys paid into any account, whether new or continuing, after that event shall discharge or reduce the amount recoverable pursuant to this Deed.

19 Tax gross up and indemnities

19.1 Definitions

(a) In this Deed

"Tax Credit" means a credit against, relief or remission for, or repayment of any Tax.

"Tax Deduction" means a deduction or withholding for or on account of Tax from a payment under this Deed.

"Tax Payment" means an increased payment made by the Assignor to the Assignee under Clause 19.2 or a payment under Clause 19.3.

(b) Unless a contrary indication appears, in this Clause 19 a reference to "determines" or "determined" means a determination made in the absolute discretion of the person making the determination.

19.2 Tax gross-up

- (a) The Assignor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.
- (b) The Assignor shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Assignee accordingly.
- (c) If a Tax Deduction is required by law to be made by the Assignor, the amount of the payment due from the Assignor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.
- (d) If the Assignor is required to make a Tax Deduction, the Assignor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (e) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Assignor shall deliver to the Assignee a statement under section 975 of the Income Tax Act 2007 or other evidence reasonably satisfactory to the Assignee that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

19.3 Tax indemnity

- (a) The Assignor shall (within three Business Days of demand by the Assignee) pay to the Assignee an amount equal to the loss, liability or cost which it determines will be or has been (directly or indirectly) suffered for or on account of Tax by it in respect of this Deed.
- (b) Paragraph (a) above shall not apply
 - (i) with respect to any Tax assessed on the Assignee.

- (A) under the law of the jurisdiction in which the Assignee is incorporated or, if different, the jurisdiction (or jurisdictions) in which the Assignee is treated as resident for tax purposes, or
 - (B) under the law of the jurisdiction in which the Assignee's office through which it is acting in connection with this Deed is located in respect of amounts received or receivable in that jurisdiction,
- if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by the Assignee, or
- (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 19 2

19 4 Tax Credit

If the Assignor makes a Tax Payment and the Assignee determines that

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required, and
- (b) the Assignee has obtained and utilised that Tax Credit,

the Assignee shall pay an amount to the Assignor which the Assignee determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been made by the Assignor

19 5 Stamp taxes

The Assignor shall pay and, within three Business Days of demand, indemnify the Assignee against any cost, loss or liability that the Assignee incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of this Deed

19 6 VAT

- (a) All amounts expressed to be payable under this Deed by the Assignor to the Assignee which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, if VAT is or becomes chargeable on any supply made by the Assignee to the Assignor under this Deed and the Assignee is required to account to the relevant tax authority for the VAT, the Assignor must pay to the Assignee (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and the Assignee must promptly provide an appropriate VAT invoice to the Assignor)
- (b) Where this Deed requires the Assignor to reimburse or indemnify the Assignee for any cost or expense, the Assignor shall reimburse or indemnify (as the case may be) the Assignee for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that the Assignee reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority
- (c) Any reference in this Clause 19 6 to the Assignor shall, at any time when the Assignor is treated as a member of a group or unity (or fiscal unity) for VAT

purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to the Assignor shall be construed as a reference the Assignor or the relevant group or unity (or fiscal unity) of which the Assignor is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be)

- (d) In relation to any supply made by the Assignee to the Assignor under this Deed, if reasonably requested by the Assignee, the Assignor must promptly provide the Assignee with details of that the Assignor's VAT registration and such other information as is reasonably requested in connection with the Assignee's VAT reporting requirements in relation to such supply

20 Conduct of business by the Assignee

No provision of this Deed will

- (a) interfere with the right of the Assignee to arrange its affairs (tax or otherwise) in whatever manner it thinks fit,
- (b) oblige the Assignee to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim, or
- (c) oblige the Assignee to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax

21 Other indemnities

21.1 Currency indemnity

- (a) If any sum due from the Assignor under this Deed (a "Sum"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of
 - (i) making or filing a claim or proof against the Assignor,
 - (ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Assignor shall as an independent obligation, within three Business Days of demand, indemnify the Assignee against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to the Assignee at the time of its receipt of that Sum

- (b) The Assignor waives any right it may have in any jurisdiction to pay any amount under this Deed in a currency or currency unit other than that in which it is expressed to be payable

21 2 Indemnities separate

Each indemnity in this Deed shall

- (a) constitute a separate and independent obligation from the other obligations in this Deed,
- (b) give rise to a separate and independent cause of action,
- (c) apply irrespective of any indulgence granted by the Assignee,
- (d) continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of the Indemnity or any other judgment or order, and
- (e) apply whether or not any claim under it relates to any matter disclosed by the Assignor or otherwise known to the Assignee

22 Set-off

22 1 General set off

The Assignee may set off any matured obligation due from the Assignor under this Deed (to the extent beneficially owned by the Assignee) against any matured obligation owed by the Assignee to the Assignor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Assignee may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

22 2 Set off in respect of Derivative Agreement

The Assignee agrees that any obligation that the Issuer has under the CSA shall be set off against any obligation that the Assignor has under the Transaction in accordance with the terms of the Derivative Agreement notwithstanding the assignment contained in this Deed.

23 Rights, amendments and waivers

23 1 Ambiguity

Where there is any ambiguity or conflict between the rights conferred by law and those conferred by or pursuant to this Deed, the terms of this Deed shall prevail.

23 2 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Assignee any right or remedy under this Deed shall operate as a waiver of any such right or remedy or constitute an election to affirm this Deed. No waiver or election to affirm this Deed on the part of the Assignee shall be effective unless in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

23 3 Amendments and waivers

Any term of this Deed may be amended or waived only with the consent of the Assignee and the Assignor.

24 Invalidity

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired
