# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MAY 2001

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cashflow statement on the grounds that it is a small company.

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable accounting standards.

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Leasehold

over the remainder of the term of the lease

Plant and machinery

20% reducing balance

Fixtures, fittings & equipment

20% reducing balance

Motor vehicles

25% reducing balance

#### 1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

#### 1.6 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value.

#### 1.7 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company during the year in accordance with SSAP 24.

#### 1.8 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
