#### **Closed Churches Fund**

Funds from churches closed after 1972 are held under the terms of the URC Trusts as shown in the 1972 URC Act, as modified by the Act of 1981. The income from these funds is directed to the General Purposes Fund.

The Bar Property, Scarborough is administered under this fund but these assets are subject to apportionment to the non-uniting Congregational Bodies and the Northern Province.

#### Statement of Executive Council's Responsibilities

Company Law requires the Executive Council to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the association and of the excess of income over expenditure of the association for that period. In preparing those financial statements, the Executive Council is required to:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) prepare the financial statements on the going concern basis unless it is inappropriate.

The Executive Council is responsible for keeping proper accounting records, for safeguarding the assets of the association and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### REPORT OF THE AUDITORS TO THE MEMBERS OF

#### THE UNITED REFORMED CHURCH (YORKSHIRE PROVINCE) TRUST LIMITED

We have audited the financial statements on pages 6 to 15 which have been prepared under the accounting policies set out on page 6.

#### Respective responsibilities of the Executive Council and Auditors

As described on page 4 the Executive Council is responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### **Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practice Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Executive Council in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 1995 and of its excess of income over expenditure for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

#### PRINCIPAL ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention and the Companies Act 1985 except for certain assets which are shown at valuation on 26 June 1968 and where the financial statements format required by the Companies Act 1985 is considered inappropriate for the activities of the association.

The principal accounting policies of the association, which are unchanged from the previous year, are set out below.

#### **Investments**

Investments are included at the lower of cost or valuation at 26 June 1968, and market value.

#### Depreciation

Depreciation is calculated to write down the cost of tangible fixed assets by equal annual instalments over their expected useful lives, which are:

5 years

Office refurbishment Office equipment 4 years

It is standard accounting practice to depreciate freehold property. However as the majority of such property has been acquired at no cost to the association then no depreciation has been provided. Properties which have been acquired for consideration have had no depreciation provided in these financial statements as the sums involved are considered to be immaterial both on an annual charge and cumulative charge basis. It is the Executive Council's view that this departure from standard accounting policy does not affect the view presented by the financial statements.

The asset cost at the year end was £86,316 (1994: £81,468)

#### **Property**

Property purchased by the association is shown at cost. Other properties which have been passed to the association, at no cost, via Closed Churches are included in the balance sheet at nil, as the Executive Council is unable to assess their values accurately. These are disclosed in note 7.

Expenses of holding such properties, pending disposal or further use, are written off against income in the year in which they are incurred.
