NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 August 2019

1. STATUTORY INFORMATION

Angel (Tonbridge) Indoor Bowls Association Limited (a company limited by guarantee) is a private company, limited by guarantee

, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover comprises revenue recognised by the company in respect of goods and services replied during the year, exclusive of Value Added Tax and trade discounts.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property - 5% on cost Fixtures & fittings - 10% on cost Bowling surface - 10% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Government grants

Government grants received as contributions towards expenditure on fixed assets are accounted for by deducting the amount of the grant from the purchase price or production cost of the related asset.

In the opinion of the Council Members this treatment is appropriate to the company in order for the financial statements to give a true and fair view, due to the grants being received for the specific purpose of reducing the cost of the purchase of the asset.

This policy has no effect on the income and expenditure account. The inclusion of the grant as a deduction against the related fixed asset has resulted in a reduction in the fixed asset net book value.

Reserves accounting

Reserves have been created by the Council Members out of unrestricted accumulated reserves to show amounts allocated for specific purposes or future projects.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 8 (2018 - 6).
