Notes to the financial statements for the year ended 31st October 2007

1. Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for the period. In preparing those financial statements the directors are required to:

1. Select suitable accounting policies and then apply them consistently
2. Make judgements and estimates that are reasonable and prudent.
3. State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
4. Prepare the financial statements on the going concern basis unless it is inappropriate to presume the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for the safeguarding the assets of the company and hence for taking reasonable steps for the prevention and determination of fraud and other irregularities.

2. Accounting policies

The financial statements are prepared under the historic cost convention and include the results of the ongoing operations of the company.

3. Called up share capital	2007	2006
Authorised ordinary shares of £1 each	100	100
Issued and fully paid	100	100
