GLYTHORNE LIMITED

REPORT OF THE DIRECTORS

The directors present their report together with the audited financial statements of the Company for the year ended 28 February 2012

Business review, principal activities and future outlook

Since the assignment of lease agreements to Lloyds TSB Commercial Finance Scotland Limited in 2010 there has been little in the way of financial activity on which to report. The directors plan to seek dormancy status and ultimately liquidation as soon as possible.

The loss before tax for the year ended 28 February 2012 amounted to £9 (2011 Profit £252) as set out in the statement of comprehensive income on page 6.

Principal risks and uncertainties

The principal risks and uncertainties of the Company are closely aligned to those of Lloyds Banking Group and are not managed separately.

Financial risk management

Disclosure of the Company's financial risk management objectives and policies is given in note 14 to the financial statements.

Key Performance Indicators (KPI's)

Given the straightforward nature of the business, the directors are of the opinion that analysis using KPI's is not necessary for an understanding of the development, performance or position of the Company's business.

Dividends

During the year ended 28 February 2012 no ordinary dividends were paid by the Company (2011 £900,000).

The directors are in the process of considering the options available with regard to reducing distributable reserves ahead of securing dormancy and ultimately liquidation.

Directors

The names of the directors who were in office during the year and up to the date of signing these financial statements are shown on page 1.

Directors' indemnities

The directors have the benefit of a deed of indemnity which constitutes a "qualifying third party indemnity provision". These deeds are in force during the whole of the financial year. The indemnities remain in force at the date of signing these financial statements. Deeds for existing directors are available for inspection at the registered office of Lloyds Banking Group plc.

GLYTHORNE LIMITED

REPORT OF THE DIRECTORS (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have prepared the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union. Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company, and of the profit or loss of the Company, for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable International Financial Reporting Standards (IFRSs) as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements,

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to independent auditors

In the case of each director in office at the date the directors' report is approved, the following applies

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Independent auditors

PricewaterhouseCoopers LLP are deemed to be re-appointed as auditors under section 487(2) of the Companies Act 2006.

On behalf of the board

I Lomas
Director

Date 29 August 2012

GLYTHORNE LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GLYTHORNE LIMITED

We have audited the financial statements of Glythorne Limited for the year ended 28 February 2012, which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity, the Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 28 February 2012 and of its profit and cash flows for the year then ended,
- have been properly prepared in accordance with IFRSs as adopted by the European Union, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Michael Newman (Senior Statutory Auditor)
for and on behalf of PricewaterhouseCoopers LLP

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. General information

The Company is a private limited company incorporated and domiciled in Great Britain

2. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to both years presented, unless otherwise stated

2.1 Basis of preparation

These financial statements are prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union. The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. Following the assignment out of all remaining lease agreements in 2010, the Company has effectively ceased trading and so the going concern basis is no longer considered appropriate. All costs to wind-up the Company will be borne by the parent company and so no provision has been made in these financial statements.

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

Details of standards and interpretations relevant to the Company but not effective at 28 February 2012 and not applied in preparing these financial statements are set out in note 16.

The financial statements have been prepared under the revised disclosure requirements of IAS 1 (revised) "Presentation of financial statements". The application of this revised standard, which affects presentation only, has not had any impact for amounts recognised in these financial statements.

2.2 Income recognition

Interest income and expense are recognised in the income statement for all interest-bearing financial instruments, using the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial asset or liability and of allocating the interest income or interest expense. The effective interest rate is the rate that discounts the estimated future cash payments or receipts over the expected life of the instrument to the net carrying amount of the financial asset or financial liability.

Finance lease income is recognised over the lease term using the net investment method so as to reflect a constant periodic rate of return on the Company's net investment in the lease. Initial direct costs attributed to negotiating and arranging the lease are included in the initial measurement of the finance lease receivable thus reducing the amount of income recognised over the lease term.

When calculating the effective interest rate, the future cash flows are estimated after considering all the contractual terms of the agreement but not future credit losses. The calculation includes all amounts paid or received by the Company that are an integral part of the overall return, direct incremental transaction costs related to the acquisition, issue or disposal of a financial instrument and all other premiums or discounts.

Once a financial asset or a group of similar financial assets has been written down as a result of an impairment loss, interest income is recognised using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss.

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

2.3 Financial assets and liabilities

Financial assets comprise amounts due from other group entities and financial liabilities comprise preference shares

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences any residual interest in the assets of the entity after deducting all of its financial liabilities. Financial liabilities are initially recognised at fair value and subsequently held at amortised cost.

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are derecognised when the rights to receive cash flows, or obligations to pay cash flows, have expired.

Preference shares are recognised initially at fair value, net of transaction cost incurred and the balances are subsequently stated at amortised cost.

2.4 Impairment of financial assets

At each balance sheet date the Company assesses whether, as a result of one or more events occurring after initial recognition, there is objective evidence that a financial asset or group of financial assets has become impaired. Evidence of impairment may include indications that the borrower or group of borrowers are experiencing significant financial difficulty, default or delinquency in interest or principal payments, it becoming probable that the borrower will enter bankruptcy or other financial reorganisation or the debt being restructured to reduce the burden on the borrower.

If there is objective evidence that an impairment loss has been incurred, a provision is established which is calculated as the difference between the balance sheet carrying value of the asset and the present value of estimated future cash flows discounted at that asset's original effective interest rate. If an asset has a variable interest rate, the discount rate used for measuring the impairment loss is the current effective interest rate. The calculation of the present value of the estimated future cash flows of a collateralised asset or group of assets reflects the cash flows that may result from foreclosure less the costs of obtaining and selling the collateral, whether or not foreclosure is probable.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, such as an improvement in the borrower's credit rating, the provision is adjusted and the amount of the reversal is recognised in the statement of comprehensive income.

2.5 Tax

Current tax which is payable on taxable profits is recognised as an expense in the period in which the profits arise.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantively enacted by the balance sheet date that are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised where it is probable that future taxable profit will be available against which the temporary differences can be utilised. The tax effect of losses available for carry forward are recognised as an asset when it is probable that future taxable profits will be available against which these losses can be utilised.

Deferred tax assets and liabilities are offset when they arise in the same tax reporting group and where there is a legal right of offset and the intention to settle on a net basis or to release the asset and settle the liability simultaneously.

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

3 Critical accounting estimates, and judgements in applying accounting policies

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although those estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

4. Net interest (expense) / income

	2012 £	2011 £
Interest and similar income		
Primary finance lease interest	-	158
Secondary finance lease interest	-	212
Profit on disposal of leased assets	-	894
Rebate of rentals less settlement fee	-	(885)
	-	379
Interest and similar charges		
Group interest expense (note 13)	-	(118)
Preference share interest (note 7, 13)	(9)	(9)
	(9)	(127)
Net interest (expense) / income	(9)	252

5. (Loss) / profit before tax

The loss before tax for the year ended 28 February 2012 amounted to £9 (2011 Profit £252) as set out in the statement of comprehensive income on page 6

Audit fees of £900 (2011 £2,000) are borne by the parent company

There were no employees during the year (2011 nil). Employee's contracts of service are with Lloyds TSB Commercial Finance Limited and their remuneration is included in that company's financial statements. The management charge includes the cost of these employees but it is not possible to ascertain separately the element that relates to employees' benefits expenses.

No remuneration was paid or is payable by the Company to the directors. The directors are employed by other companies in the Lloyds Banking Group and consider their services to this Company as incidental to their other activities within the group.

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

6 Tax

	2012 £	2011 £
a) Analysis of (credit)/charge for the year		
The (credit)/charge for tax is made up as follows		
UK corporation tax		
- Current tax	-	520
- Adjustment in respect of previous years' as per table (b) below	(16,532)	-
Total current tax	(16,532)	520
Deferred tax		
Deferred tax charge for the year	-	3,594
Adjustment in respect of previous years' as per table (b) below	-	-
Total deferred tax (note 9)	-	3,594
	(16,532)	4,114

(b) Factors affecting the tax (credit)/charge for the year

Statement of Comprehensive Income charge (note 6a)	-	(3,594)
Deferred tax transferred to parent company	-	(97,029)
At 28 February	-	-

The Finance (No 2) Act 2010 included legislation to reduce the main rate of corporation tax from 28% to 27% with effect from 1 April 2011

In his Budget speech on 23 March 2011 the Chancellor announced a further reduction in the rate of corporation tax to 26% with effect from 1 April 2011. This further reduction was enacted under the Provisional Collection of Taxes Act 1968 on 29 March 2011. Legislation to reduce the main rate of corporation tax from 26% to 25% from 1 April 2012 has been included in the Finance Act 2011 and substantively enacted on 5 July 2011. On 21 March 2012, the Chancellor announced that the main rate of corporation tax will be reduced from 26% to 24% with effect from 1 April 2012. Further reductions to the main rate are proposed to reduce the rate by 1% per annum to 22% by 1 April 2014.

The proposed further reductions in the rate of corporation tax by 1% per annum to 22% by 1 April 2014 are expected to be enacted separately each year.

10. Other payables

	2012	2011
	£	£
Amounts falling due within one year		
Preference shares (note 11)	153	153

11 Share capital

	2012	2011
<u>Ordinary shares of 25p each</u>	£	£
Authorised	847	847
Allotted, called up and fully paid	47	47
<u>6% non-cumulative preference shares of 25p each</u>		
Authorised, allotted, called up and fully paid (note 10)	153	153

The preference shares carry a dividend of 6% per annum, payable half yearly on 20 May and 20 November. The dividend rights are non-cumulative. On a return of assets, whether in a winding up or otherwise, there is a right to a return of capital paid up on the 6% preference shares in priority over the holders of the ordinary shares, but no further right to participate in profits or assets. The preference shares carry the right to receive notice of and to attend and vote in person on a show of hands at every general meeting and the right to one vote per 6% preference share on a poll thereafter.

Preference shares are classed as liabilities and included within other payables. Preference dividends are recognised as interest expense. Ownership is held by Lloyds TSB Commercial Finance Scotland Limited.

Ownership of the issued ordinary share capital of the Company is held by Lloyds TSB Commercial Finance Limited. On 1st April 2011 the voting rights of the ordinary shares were changed from non-voting to voting with each share carrying 1 vote.

12 Ultimate parent company

As described in note 11, Share capital, ownership of all ordinary shares is held by Lloyds TSB Commercial Finance Limited.

The 6% preference voting shares are held by Lloyds TSB Commercial Finance Scotland Limited, who by virtue of control, remain the Company's immediate parent undertaking. Lloyds TSB Commercial Finance Scotland Limited is a wholly owned subsidiary of Lloyds TSB Commercial Finance Limited.

The Company regarded by the directors as the ultimate parent company is Lloyds Banking Group plc, which is also the parent undertaking of the largest group of undertakings for which group financial statements are drawn up and of which the Company is a member. Lloyds TSB Bank plc was at the balance sheet date the parent undertaking of the smallest such group of undertakings.

Copies of the financial statements of Lloyds TSB Commercial Finance Scotland Limited are available from 110 St Vincent Street, Glasgow G2 4QR.

Copies of the financial statements of Lloyds TSB Commercial Finance Limited are available from No 1 Brookhill Way, Banbury, OX16 3EL.

Copies of the ultimate parent company's financial statements are available from the Company Secretary's Department, Lloyds Banking Group plc, 25 Gresham Street, London, EC2V 7HN.

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

13 Related party transactions

A number of transactions are entered into with related parties in the normal course of business. The outstanding balances at the year end and related expense for the year are as follows

	2012 £	2011 £
Lloyds TSB Commercial Finance Scotland Limited		
<u>Balance outstanding at 28 February</u>		
Amounts due from immediate parent company (note 8)	72,125	72,654
Group relief receivable/(payable) (note 6)	16,532	(520)
<u>Transactions for year ended 28 February</u>		
Group interest expense	-	118
Preference share interest	9	9
	<u>9</u>	<u>127</u>

Preference dividends payable to Lloyds TSB Commercial Finance Scotland Limited are disclosed in note 7

Group interest expense relates to the notional funding cost of lease agreements and is payable to Lloyds TSB Commercial Finance Scotland Limited

Lloyds TSB Commercial Finance Scotland Limited owns all 612 voting Preference shares

Directors and key management personnel

Key management personnel are those persons having authority and responsibility for planning and controlling the activities of the Company. Accordingly, key management comprise the directors of the Company and the members of the Lloyds TSB Commercial Finance Limited board which comprises the statutory directors of that company and certain other senior management. There were no transactions between the Company and key management personnel during the current or preceding year. Also there was no remuneration paid to key management personnel during the current or preceding year.

14 Financial Risk Management

The Company has now ceased trading and therefore it is no longer subject to any financial risks.

A description of the financial assets and liabilities and associated accounting is provided in note 2.3

14.1 Credit risk

Credit risk associated with amounts due from immediate parent company is considered minimal.

14.2 Liquidity risk

Liquidity risk is the risk that the Company is unable to meet its obligations as they fall due.

Since the assignments to Lloyds TSB Commercial Finance Scotland Limited there are no external liabilities, hence there is no liquidity risk.

14.3 Interest rate risk

Interest rate risk is the risk of financial loss as the result of movements in interest rates and arises largely because of timing differences between the re-pricing of financial assets and liabilities.

Rates of interest payable to Lloyds TSB Commercial Finance Scotland Limited are matched to rates receivable from customers, so that the interest rate risk faced by the Company is limited.

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

14 Financial Risk Management (continued)

14.4 Fair values of financial assets and liabilities

Financial instruments include financial assets and financial liabilities. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. There is no difference between the fair value and carrying value of financial assets and liabilities.

Financial assets in this context are amounts due from immediate parent company. The accounting policy for such financial instruments is explained in note 2.3.

14.5 Market risk

The Company is not subject to market risk as all remaining lease agreements were assigned to Lloyds TSB Commercial Finance Scotland Limited during 2010.

15. Capital management

The Company's objectives when managing capital are to safeguard the entity's ability to continue as a going concern, and indirectly, to support the Lloyds Banking Group's regulatory capital requirements.

The Company's parent manages the Company's capital structure and advises the board to consider making adjustments to it in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company's parent may adjust the amount of dividends to be paid to shareholders, return capital to shareholders, issue new shares, or sell assets.

The Company's capital comprises all components of equity, movements in which appear in the statement of changes in equity on page 8.

GLYTHORNE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

16. Future accounting developments

The following pronouncements will be relevant to the Company but were not effective at 28 February 2012 and have not been applied in preparing these financial statements

Pronouncement	Nature of change	Effective date
IFRS 9 Financial Instruments Classification and Measurement 1 & 2	Replaces those parts of IAS 39 Financial Instruments Recognition and Measurement relating to the classification, measurement and derecognition of financial assets and liabilities Requires financial assets to be classified into two measurement categories, fair value and amortised cost, on the basis of the objectives of the entity's business model for managing its financial assets and the contractual cash flow characteristics of the instrument The available-for-sale financial asset and held-to-maturity categories in existing IAS 39 will be eliminated The requirements for financial liabilities and derecognition are broadly unchanged from IAS 39	Annual periods beginning on or after 1 January 2015

1 At the date of this report, this pronouncement was awaiting EU endorsement

2 IFRS 9 is the initial stage of the project to replace IAS 39 Future stages are expected to result in amendments to IFRS 9 to deal with changes to the impairment of financial assets measured at amortised cost and hedge accounting

The full impact of this pronouncement is being assessed by the Company However, the initial view is that this pronouncement is not expected to cause any material adjustments to the reported numbers in the financial statements

17 Post balance sheet events

The company is in the process of redeeming the preference share capital out of distributable reserves thus changing the immediate parent company from Lloyds TSB Commercial Finance Scotland Limited to Lloyds TSB Commercial Finance Limited The Company is aiming to secure dormancy status (and ultimately liquidation) as soon as possible

18 Dividends per share

During the year ended 28 February 2012 no dividends were paid by the Company (2011 £900,000 at £4,787 per share)
