Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For the 13 months ending 30 April 2017 the Company was entitled to exemption from audit under section 480 of the Companies Act 2006 relating to dormant companies.

The members have not required the Company to obtain an audit of its accounts for the period in question in accordance with section 476 of the Companies Act 2006.

The Directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and preparation of accounts.

## Principal activity

The Company did not trade during the period and made neither a profit nor a loss. There is currently no intention for the Company to trade in the future. The Company has been a dormant company in terms of section 1169 of the Companies Act 2006.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (“FRS 101”).

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (“Adopted IFRSs”), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The consolidated financial statements of Conviviality plc are prepared in accordance with International Financial Reporting Standards as adopted by the EU, and are available to the public and may be obtained from Companies House.

- Cash Flow Statement and related notes
- Disclosure in respect of capital management
- The effect of new but not yet effective IFRSs
- Disclosures in respect of the compensation of Key Management Personnel

As the consolidated financial statements of Conviviality plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

## 1. Accounting Policies (continued)

### Basis of preparation (continued)

The Company's business activities, together with the factors likely to affect its future development, position and strategy, are set out in the Directors report on pages 1 and 2.

### Going concern

The Company has not traded during the current period. The Directors do not expect that this position will change in the foreseeable future. The Directors expect to be able to operate within the level of its current resources to meet current obligations. Consequently, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

### Trade and other debtors

Trade debtors are recognised at fair value less any provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation and default or delinquency in payments are considered indicators that the trade debtor is impaired. The movement in the provision is recognised in the profit and loss account.

### Critical accounting estimates and judgements

The preparation of financial statements in conformity with FRS 101 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. There are no judgements, estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities.
