#### Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

## Directors' report for the year ended 31 December 2007 (continued)

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- · make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any
  material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to
  presume that the company will continue in business, in which case there should be supporting
  assumptions or qualifications as necessary

The directors confirm that they have complied with the above requirements in preparing the financial statements

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

For persons who were directors at the time the report was prepared, the following applies

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- the directors has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information

#### **Auditors**

Our auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office. The auditors are deemed re-appointed in accordance with Section 386 of the Companies Act 1985 by virtue of an elective resolution passed by the members on 11 September 1995.

By order of the board

# Independent auditors' report to the members of SunGard Business Integration (UK) Limited

We have audited the financial statements of SunGard Business Integration (UK) Limited for the year ended 31 December 2007 which comprise the profit and loss account, the balance sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein

#### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the statement of directors' responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the directors' report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it

#### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

# Independent auditors' report to the members of SunGard Business Integration (UK) Limited (continued)

#### Opinion

In our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 December 2007 and of its loss for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and

lause Coopers M

the information given in the directors' report is consistent with the financial statements

#### Notes to the financial statements – 31 December 2007

#### 1 Principal accounting policies

The financial statements have been prepared in accordance with the Companies Act 1985 and applicable Accounting Standards in the United Kingdom A summary of the more important accounting policies, which have been applied consistently, is set out below

#### (a) Change in accounting policy

The company has adopted FRS 25, 'Financial instruments' disclosure and presentation', in these financial statements. There was no impact in 2007 or in 2006 following this change in accounting policy

#### (b) Basis of accounting

The financial statements have been prepared under the historical cost convention

#### (c) Going concern

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends on the continued support of the ultimate parent company. The ultimate parent undertaking has confirmed its intention to provide such support for a period of at least one year from the date of signing these financial statements.

If the company was unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet value of assets to their recoverable amounts, to provide for further liabilities that might arise, and to reclassify fixed assets as current assets

#### (d) Turnover

Turnover represents income from services provided and costs recovered during the year, excluding value added tax

Revenue from standard software licenses is recognised on a despatch basis, provided that the Company's remaining obligations, if any, are insignificant. Revenue from projects and customisations is recognised on the basis of value of work completed. Revenue from maintenance and other services is recognised over the terms of respective contracts.

#### (e) Tangible fixed assets

Tangible fixed assets are shown at cost less depreciation

Depreciation is calculated to write off the cost to the company of fixed assets on a straight line basis over the expected useful lives of the assets as follows

Leasehold properties - over the shorter of the remaining lease term or 10 years

Furniture and equipment – 5 years
Fixtures and fittings – 8 years
Computer equipment – 3 years

#### Notes to the financial statements – 31 December 2007

#### (f) Leases

Costs in respect of operating leases are charged on a straight-line basis to profit and loss account

#### (g) Deferred Tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or right to pay less tax in the future have occurred at the balance sheet date. An asset is not recognised to the extent that the transfer of economic benefits in the future is uncertain

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

Following changes to the UK corporation tax system announced in the March 2007 Budget statement, the corporation tax rate has been reduced from 30% to 28% with effect from 1 April 2008. The effect of this change would be to reduce the deferred tax liability provided at 31 December 2007.

#### (h) Foreign currencies

Income and expenses denominated in foreign currencies are translated at the monthly average exchange rate. Monetary assets and liabilities denominated in foreign currencies are translated at the rate ruling at the balance sheet date. Profits and losses on exchange for the year, both realised and unrealised, are included in the result for the year.

#### (i) Pension costs

Contributions are made to a defined contribution pension scheme operated by SunGard Systems Ltd (a group company). Pension commitments arising in respect of the defined contribution scheme are charged to the profit and loss account on the basis of contributions payable for the periods and any excess or deficit of funding compared with cumulative pension costs is provided on the balance sheet. The contributions to the pension scheme are recognised on an accruals basis as detailed in note 16.

The company is exempt under the terms of Financial Reporting Standard no 1 (revised 1996) from publishing a cash flow statement. The company is also exempt under the terms of Financial Reporting Standard No 8 from disclosing related party transactions with entities that are part of the SunGard Data Systems Inc. group or investees of the SunGard Data Systems Inc. group

#### 20 Share based payments

The Company adopted FRS 20, "Share-Based Payments", on 1 January 2006 and recorded share-based payment expense for all awards granted after 7 November 2002 and still outstanding as of adoption date

SunGard Capital Corp and SunGard Capital Corp II (holding companies for SunGard Data Systems Inc referred to as the "Parent Companies") have granted options to employees of SunGard Business Integration (UK) Limited to acquire their shares

Awards of time-based and performance-based options have been granted to purchase "Units" in the Parent Companies Each "Unit" consists of 1 3 shares of Class A common stock and 0 1444 shares of Class L common stock of SunGard Capital Corp and 0 05 shares of preferred stock of SunGard Capital Corp II All awards under the Plan are granted at fair market value on the date of grant. Time-based options vest over five years as follows 25% one year after date of grant, and 1/48th of the remaining balance each month thereafter for 48 months. Performance-based options vest upon the attainment of certain annual or cumulative earnings goals based on Internal EBITA (defined as income from operations before amortisation of acquisition-related intangible assets, stock compensation expense and certain other items) targets for the Company during a specified

#### Notes to the financial statements - 31 December 2007

performance period, generally five or six years. Time-based and performance-based options can partly or fully vest upon a change of control and certain other termination events, subject to certain conditions, and expire ten years from the date of grant.

At 31 December 2007 and 2006 options to purchase approximately 3,307 units of the Parent Companies were outstanding at an exercise price of \$20.72. The fair value per option granted in each year calculated using the Black-Scholes pricing model and the related assumptions used in the calculation are as follows.

	2007	2006
Share price at grant date (\$)	\$20 72	\$18
Exercise price (\$)	\$20 72	\$18
Expected volatility	60%	62%
Option life (years)	10	10
Expected life (years)	5 0	48
Risk free rate	4 6%	4 8%
Expected dividends expressed as a dividend yield	0%	0%
Weighted average fair value per option (\$)	\$11 47	\$9 99

The fair value of each option award is estimated on the date of grant using the Black-Scholes option-pricing model. Since SunGard Capital Corp and SunGard Capital Corp II are not publicly traded, they utilise equity valuations performed by an external valuation firm based on (a) stock market valuations of public companies in comparable businesses, (b) recent transactions involving comparable companies and (c) any other factors deemed relevant. The risk-free rate for periods within the contractual life of the option is based on the U.S. Treasury yield curve in effect at the time of grant Expected volatilities are based on implied volatilities from market comparisons of certain publicly traded companies and other factors. The expected term of stock options granted is derived from historical experience and expectations and represents the period of time that stock options granted are expected to be outstanding. The requisite service period is generally five or six years from the date of grant.

The total non-cash charge in respect of employee share option plans for the year was £4,142 (2006 Nil) all of which related to equity settled share based payment transactions and this charge has been included in the profit and loss account within administration expenses

For time-based options the share option charge is recognised based on a graded-vesting attribution approach
