NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2007

1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year

Basis of Preparation of Financial Statements

The full financial statements from which these abbreviated accounts have been extracted, have been prepared in accordance with the Financial Reporting Standard for Small Entities (effective January 2005) under the historical cost convention

The company has ceased operations, so the going concern basis is no longer considered appropriate. The full financial statements have therefore been prepared on a break up basis, though no material adjustments would have been necessary under the going concern basis

The effect of events in relation to the year ended 31 March 2007 which occurred before the date of approval of the financial statements by the Board of Directors, have been included in the statements to the extent required to show a true and fair view of the state of affairs at 31 March 2007 and of the results for the year ended on that date

Financial Obligations

It has been agreed that any shortfall in funds will be met by the four Tees Valley Local Authorities to enable the company to meet all of its financial obligations

Government grants

Grant income receivable is only brought into account if the related grant claim has been submitted and approved by the date of approval of the financial statements. Revenue based grants received are credited to the profit and loss account as the related expenditure is incurred. Capital based grants are treated as deferred income and transferred to the profit and loss account over the useful lives of the assets to which they relate

2 COMPANY LIMITED BY GUARANTEE

The company is limited by guarantee and does not have a share capital. The liability of the members is limited to £1 each
