**1 INTRODUCTION**

- 1.1 Steve Markey and Joph Young were appointed joint liquidators of B.I.E. Holdings Limited (“the Company”) by the members on 10 June 2019.
- 1.2 Steve Markey and Joph Young are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales under office holder numbers 14912 and 20290, respectively.
- 1.3 There has been no change in office holder since the date of liquidation.
- 1.4 The liquidation is now, for practical purposes, complete and this is the joint liquidators’ final account as required by Section 94(1) of the Insolvency Act 1986 (as amended) and Rule 18.14 of the Insolvency (England and Wales) Rules 2016 (“the Rules”). It shows how the liquidation has been conducted and the Company’s property disposed of, the outcome for members and other information that the liquidators are required to disclose.
- 1.5 All figures are stated net of VAT.

**2 CONDUCT OF THE LIQUIDATION**

- 2.1 The Company’s registered office was changed to Leonard Curtis House, Elms Square, Bury New Road, Whitefield, Greater Manchester M45 7TA on 9 July 2019.

**Assets Realised**

*Investment Property*

- 2.2 The director’s sworn declaration of solvency listed property as an asset with an estimated to realise figure of £185,801. Following appointment, the joint liquidators obtained an up to date valuation of £185,567 and a distribution in specie of this asset was completed on 10 June 2019.

*Investments*

- 2.3 An estimated to realise figure of £1,213,813 was attributed to investments. At the date of liquidation, the investments were valued at £1,000,775 and were subsequently distributed in specie on 26 June 2019.

*Director’s Loan Account*

- 2.4 £90,000 was anticipated to be received in relation to the overdrawn director’s loan account. Following the appointment of the joint liquidators’ funds totalling £94,412 were received.

*Book Debts*

- 2.5 £639,925 was expected to be received from the collection of the Company’s remaining ledger. An updated figure was provided by the director following the appointment of the joint liquidator. *Balance at Bank*

- 2.6 The Company operated a bank account with HSBC Bank PLC with an estimated credit balance of £107,235. Following their appointment, the joint liquidators wrote to the bank requesting for the balance of the account to be remitted to the estate account and requested that the account be closed. The balance of £67,000 was subsequently received and the account was closed. The difference between the estimated to realise figure and the amount received was due to the settlement of various creditor liabilities between the date the declaration of solvency was sworn and the date of the appointment of the joint liquidators.

**LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS**

The following Leonard Curtis policy information is considered to be relevant to creditors:

**Staff Allocation and Charge Out Rates**

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution that the office holders’ remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rate given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

<b>6 Jan 2014 onwards</b>	Standard	Complex	<b>1 Aug 2019 onwards</b>	Standard	Complex
	£	£		£	£
Director	450	562	Director	525	656
Senior Manager	410	512	Senior Manager	445	556
Manager 1	365	456	Manager 1	395	494
Manager 2	320	400	Manager 2	345	431
Administrator 1	260	325	Administrator 1	280	350
Administrator 2	230	287	Administrator 2	250	313
Administrator 3	210	262	Administrator 3	230	288
Administrator 4	150	187	Administrator 4	165	206
Support	0	0	Support	0	0

Office holders’ remuneration may include costs incurred by the firm’s in-house legal team, who may be used for non-contentious matters pertaining to the insolvency appointment.

**Subcontractors**

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

**Professional Advisors**

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

**Expenses**

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:

## B.I.E. Holdings Limited – In Members’ Voluntary Liquidation

- b) Case-specific expenses – this category includes expenses (other than office-holders’ fees) which are likely to be payable on every case but which will vary depending upon the nature and complexity of the case and the assets to be realised. They will include:

Type	Description	Amount
Agents’ fees	Costs of appointed agents in valuing and realising assets	Time costs plus disbursements plus VAT
Debt Collection fees	Costs of appointed debt collectors in realising debts	Generally agreed as a % of realisations plus disbursements plus VAT
Legal fees	Costs of externally appointed solicitors. Will generally comprise advice on validity of appointment, drafting of sale contracts, advice on retention of title issues and advice on any reviewable transactions.	Time costs plus disbursements plus VAT
Other disbursements	See <b>disbursements</b> section below	See <b>disbursements</b> section below

### Disbursements

Included within both of the above categories of expenses are disbursements, being amounts paid firstly by Leonard Curtis on behalf of the insolvent entity and then recovered from the entity at a later stage. These are described as Category 1 and Category 2 disbursements.

- a) Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision:

Internal photocopying	10p per copy
General stationery, postage, telephone etc	£100 per 100 creditors/ members or part thereof
Storage of office files (6 years)	£81.25 per box
Business mileage	45p per mile

Category 2 disbursements may be drawn if they have been approved in the same manner as an office holder’s remuneration.
