#### DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2013

The directors present their report and the financial statements for the year ended 31 March 2013

#### **DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the surplus or deficit of the group for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregulanties.

#### **PRINCIPAL ACTIVITIES**

The principal activity of the group is the encouragement, promotion and regulation of the sport of gymnastics including the organising of displays and events

#### **BUSINESS REVIEW**

#### Governance

During the year, the Board said farewell to Paul Garber, Michael (Bunny) Warren and Helen Phillips and welcomed new Non-Executive Directors, Sara Sutcliffe and Nicola Bolton. The Equality Audit completed in early 2013 achieved a return rate of 100% for Board members. In companson with the 2011 audit, the percentage of female Board Members has increased by 10% (which equates to 1 additional female Board Member).

For the second year running, British Gymnastics achieved a green traffic light score in its 2012 self-assurance report to Sport England, which assures the Board and its funding partners (SE/UK Sport) that the organisation has sound governance, financial management, strategic planning, human resources and organisational policy in place

The organisation's risk register continues to be reviewed at each Board meeting

The Executive team has worked with the Board and high level dashboards will be reviewed by the Board at each meeting to monitor progress against the key performance indicators of the Strategic Plan

#### **High Performance**

Throughout 2012 GBR gymnasts produced excellent international results across all disciplines In preparation for the forthcoming Olympic Games, the results of the Men's and Women's teams at the European Championships were outstanding with the highlight being the men's junior and senior team gold medals

The 2012 Olympic Games saw the gymnastics team contribute an unprecedented 4 medals to the overall GBR Olympic team medal tally Outstanding performances from the Men's team (bronze), Louis Smith(silver – pommel horse), Max Whitlock (bronze – pommel horse) and Beth Tweddle (bronze – uneven bars) lifted the profile of the sport enormously in the UK and brought great pride to all British Gymnastics members

Following success at the Olympics, UK Sport awarded a 17% increase in the high performance funding to be paid direct to BG for the 2013-17 Olympic cycle

A restructure following the Olympic Games resulted in the establishment of the Performance Sport department which delivers all the programs for Olympic and non Olympic sports

#### **Events**

Following the successful organisation of the gymnastics program at the Olympic Games, Matthew Greenwood returned from secondment to Head of Events and the events department was restructured to give the department the strength and capacity to deal with the forthcoming 2014 Commonwealth Games and 2015 ART World Championships

BG holds a comprehensive events programme each year for all of its disciplines culminating in a British Championships for each discipline. The first joint Men's and Women's British ART Championships, held in Liverpool in June 2012, was a great success and attended by nearly 8,000 spectators.
