- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable group will continue in business

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charitable group's transactions and disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
