TIDDINGTON INVESTMENTS LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2010

The directors present their annual report and audited financial statements of the Company for the year ended 31 December 2010

PRINCIPAL ACTIVITIES

The principal activities of the Company are the holding of investments in fixed interest stock exchange securities and the receipt of interest thereon

REVIEW OF BUSINESS AND FUTURE DEVELOPMENTS

The profit and loss account for the year is set out on page 6. Given the straight forward nature of the business, the directors are of the opinion that the key performance indicator for the business is profit before tax. Profit before tax for the year was £358,317 (2009 £403,609).

The decrease in profit before tax was driven by investment income, which was down on 2009 due to a fall in the interest received on the index linked gilts, this was largely because of the reduction in investments following the maturity in 2009.

During the year, none of the remaining indexed linked gilts reached maturity.

The directors do not envisage a change in trading activities in the future.

DIVIDENDS AND TRANSFERS TO RESERVES

The directors do not recommend the payment of a dividend (2009 £nil).

The retained profit for the financial year of £257,988 (2009 £284,570) will be transferred to reserves.

FINANCIAL RISK MANAGEMENT

The Company is exposed to financial risk through its financial assets and financial liabilities. In particular, the key risks relate to market risk, interest rate risk and credit risk.

Market Risk

The Company's main assets are the fixed interest stocks held. There is a risk that the value of the investment can go down. The company has sufficient reserves to ensure that a fall in value will not create a liquidity risk.

Interest Rate Risk

There is a risk that interest rates may go down. The term of deposits made is regularly reviewed to minimise the impact this may have.

Credit Risk

There is a risk that interest or principal will not be returned on the firm's cash deposits placed with financial institutions. This is considered a low risk owing to the capital and client money regimes to which the Company is subject.

GOING CONCERN

After making enquiries, the Directors consider that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2010

DIRECTORS

The directors during the year and up to the date of signing of the financial statements were as follows

C Wood, BSc, CChem, MRSC, FSI (Retired 31/03/10)

R Torrance BA,ACA

K Arif, BsocSc (Hons) FIA

P A Glover, BsocSc (Hons) (Appointed 01/06/10)

The parent company has put in place deeds of indemnity for the benefit of the Directors and Company Secretary of the parent company and of its associated companies. The deeds of indemnity are qualifying third party indemnity provisions in accordance with the Companies Act 2006. The qualifying third party indemnity was in force during the financial year and also at the date of approval of the financial statements.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2010

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- ◆ select suitable accounting policies and then apply them consistently,
- ◆ make judgements and accounting estimates that are reasonable and prudent,
- ◆ state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- ◆ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

In accordance with Section 418, directors' reports shall include a statement, in the case of each director in office at the date the directors' report is approved, that

- ◆ so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- ◆ the directors have taken all the steps that they ought to have taken as directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TIDDINGTON INVESTMENTS LIMITED

We have audited the financial statements of Tiddington Investments Limited for the year ended 31 December 2010 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Note of Historical Cost Profit and Losses, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page 4 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

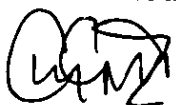

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

NOTE TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2010

1 ACCOUNTING POLICIES

These financial statements have been prepared on the going concern basis, under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards and accounting policies in the United Kingdom. The main accounting policies have been set out below.

a) New Accounting Standards

No new accounting standards were adopted during the year.

b) Cash at bank and in hand

Cash at bank and in hand represents deposits repayable on demand with any qualifying financial institution and cash in hand.

c) Deposits with Credit Institutions

Deposits with credit institutions represent deposits with qualifying financial institutions subject to time restrictions or penalties for early withdrawal.

d) Investment Income

Income from investments represents interest income, which is included in the profit and loss account on an accruals basis.

e) Other Financial Investments

Investments relate to holdings of index linked gilts classified as available for sale. Movements in fair value are recognised through the revaluation reserve.

In the year of disposal or maturity, the difference between net sales proceeds and net carrying value shall be recognised in the Profit and Loss Reserve in the period in which the disposal occurs in accordance with Financial Reporting Standard 3.

As required by the Memorandum of Association, any surpluses or deficits arising on realisation of assets are transferred to the capital reserve and will not be available for distribution. This will include all unrealised gains and losses recognised in the Revaluation Reserve up until the year before disposal, and all realised gains and losses recognised in the Profit and Loss Reserve in the year of disposal.

f) Capital Reserves

The capital reserve represents the cumulative gains on indexed linked gilts on maturity transferred from the investment revaluation reserve.

g) Taxation

Current tax which is payable on taxable profits is recognised as an expense in the period in which the profits arise. Tax on revaluation of investments is recognised in the revaluation reserve.
