Basis of preparation

These financial statements are the first financial statements in which the Company had adopted FRS 101 'Reduced Disclosure Framework'. This transition has not impacted equity or profit or loss previously reported.

As permitted by FRS 101, for both periods presented, the Company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cash flow statement and related party transactions with other wholly-owned members of the group. Equivalent disclosures are, where required, given in the group accounts of Judges Scientific plc. The group accounts of Judges Scientific plc are available to the public.

The financial statements have been prepared on the historical cost basis.
