NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently.

1.3 Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land and investment properties are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Leasehold property improvements	over term of lease
Equipment, fixtures and fittings	15% / 25% reducing balance

1.5 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.6 Investments

Fixed asset investments are stated at cost less provision for permanent diminution in value. Those held as current assets are stated at the lower of cost and net realisable value. Dividends are brought into account in the profit and loss account when received.

1.7 Stock

Stock is valued at the lower of cost and estimated net realisable value, after making due allowance for obsolete and slow moving items.

1.8 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

1.9 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

1.10 Freehold investment properties

No depreciation is provided in respect of the freehold investment property. The directors believe that this accounting policy is necessary for the accounts to show a true and fair view. Depreciation is only one factor reflected in the valuation and the amount attributable to this factor cannot be separately identified or quantified.

The freehold investment property is included at the directors' valuation as at 31 August 2015.
