By order of the board

SE Lewis

Company Secretary

25 March 1994

Statement of directors' responsibilities

The following statement, which should be read in conjunction with the report of the auditors set out below, is made with a view to distinguishing for shareholders the respective responsibilities of the directors and of the auditors in relation to the accounts.

The directors are required by the Companies Act 1985 to prepare, for each financial year, accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the company's profit for that financial year.

The directors confirm that the accounts have been prepared on the going concern basis and consider that in preparing the accounts on pages 6 to 15, the company has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates, and that all accounting standards which they consider to be applicable have been followed.

The directors have responsibility for ensuring that the company keeps accounting records which disclose with reasonable accuracy the financial position of the company and which enable them to ensure that the accounts comply with the Companies Act 1985.

The directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Auditors' report to the members of NatWest Futures Limited

We have audited the financial statements on pages 6 to 15.

Respective responsibilities of directors and auditors

As described on page 4 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 1993 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
