4. Called up share capital

Authorised, issued and fully paid up	2015	2014

5. Freehold property

On 11 July 1997, the company acquired the freehold of 23–25 Courtfield Gardens. The cost, including professional fees, was £15,014. During 2007, the company began extending the leases, by deed of variation, to 999 years with no ground rent accruing. In view of this, the directors considered that the freehold reversion had minimal value and therefore wrote it down to £nil in 2007/8.

6. The company has a commitment to redecorate the exterior and interior of the block every third and fifth year respectively.

7. The only income chargeable to Income Tax received in the period was bank interest, see note 1(b). Tax is at the Trust rate of 20%.

8. Remuneration to directors totalled £178 (2014 £130) to S Treanor for administration and maintenance work in the year. In 2014 £705 was also paid to H Edwards. There were no other transactions with related parties.

9. A sinking fund has been set up to meet the cost of future major expenditures. The movement on the fund during the year was as follows:

	2015	2014
Balance at beginning of year	46,654	44,397
Transfer during the year	6,400	9,200
Transfer (to) roof replacement fund (see note 11)	-	(7,943)
Balance at end of year	<u>£53,054</u>	<u>£46,654</u>

10. Legal costs - lease renewals accounting treatment

To cover the legal costs borne by the company on the individual lease renewals, it was agreed at the 2008 AGM to apply £9,165 of the maintenance payments contributed by the flat owners in 2007/8 to a reserve fund (lease renewal fund). As the leases are renewed, funds are released from the lease renewals fund. In this way, all lessees contribute towards this fund. During the year there were no lease renewals. The balance on this account of £1,535 represents the legal costs for the remaining 4 flats awaiting renewal.
