## Euro Medium Term Note Programme

Under this Euro Medium Term Note Programme (the "Programme"), each of Tokyo-Mitsubishi International plc ("TMI"), Bank of Tokyo-Mitsubishi (Belgium) S.A. ("BTMB"), BTM Finance (Holland) N.V. ("BTMH"), Bank of Tokyo-Mitsubishi (Deutschland) Aktiengesellschaft ("BTMD") and Tokyo-Mitsubishi International (HK) Limited ("TMIHK") (each an "Issuer" and together the "Issuers") may from time to time issue in one or more Tranches (as defined on page 20) notes in bearer form ("Bearer Notes") or registered form (the "Registered Notes") (together, the "Notes") denominated in any currency (including ECU) agreed by the Issuer of such Notes (the "relevant Issuer") and the relevant Dealer(s) (as defined below).

The Notes will not be guaranteed by The Bank of Tokyo-Mitsubishi, Ltd. (the "Parent"). Payment of all amounts due in respect of Notes issued by BTMH will be unconditionally and irrevocably guaranteed by BTMB (in this capacity, the "Guarantor") and TMI, BTMB, BTMD and TMIHK will have the benefit of a Keep Well Agreement (the "Keep Well Agreement") between the Parent and TMI, BTMB, BTMD and TMIHK, as more fully described herein under "Relationship of the Issuers and the Guarantor with the Parent" on page 80. The maximum aggregate nominal amount of all Notes from time to time outstanding will not exceed U.S.\$4,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase as provided herein. A description of the restrictions applicable at the date of this Offering Circular relating to the maturity of certain Notes is set out on page 9.

The Notes will be issued on a continuing basis to one or more of the Dealers specified on page 8 and any additional Dealer appointed under the Programme from time to time, which appointment may be for a specific issue or on an ongoing basis (each a "Dealer" and together the "Dealers").

Application has been made to the London Stock Exchange Limited (the "London Stock Exchange") for Notes issued under the Programme during the period of twelve months from the date of this Offering Circular to be admitted to the Official List of the London Stock Exchange (the "Official List"). Notice of the aggregate nominal amount of, interest (if any) payable in respect of, the issue price of, the issue date and maturity date of, and any other terms and conditions not contained herein which are applicable to, each Tranche of Notes will be set forth in a pricing supplement (the "Pricing Supplement") applicable to such Tranche which, with respect to Notes to be admitted to the Official List ("Listed Notes") will be delivered to the London Stock Exchange on or before the date of issue of the Notes of such Tranche. Copies of this Offering Circular, which comprises listing particulars (the "Listing Particulars") in relation to Notes issued under the Programme during the period of twelve months from the date of this Offering Circular, approved as such by the London Stock Exchange pursuant to the Financial Services Act 1986 (the "FSA"), have been delivered for registration to the Registrar of Companies in England and Wales. Copies of each Pricing Supplement (in the case of Listed Notes) will be available from Companies Fiche Service, operated by Exel Financial Limited at 37-45 Paul Street, London EC2A 4PB, and will be available for inspection at the registered office of The Law Debenture Trust Corporation p.l.c. as trustee under the Programme (the "Trustee") and at the specified office of each of the Paying Agents (as defined below).

A copy of this Offering Circular, together with those documents referred to in "General Information" below, has been registered by the Registrar of Companies in Hong Kong pursuant to Section 38D of the Companies Ordinance of Hong Kong (Cap. 32). Neither the Registrar of Companies nor the Securities and Futures Commission in Hong Kong take any responsibility as to the contents of this Offering Circular.

The Programme provides that Notes may be listed on such other or further stock exchange(s) as may be agreed between the relevant Issuer, the Guarantor and the relevant Dealer(s). Each Issuer may also issue unlisted Notes.

Unless otherwise provided with respect to a particular Series of Registered Notes, the Registered Notes of each Tranche of such Series sold outside the United States in reliance on Regulation S under the United States Securities Act of 1933, as amended (the "Securities Act"), will be represented by a permanent global note in registered form, without interest coupons (a "Reg. S Global Note"), deposited with a custodian for, and registered in the name of a nominee of, a common depositary for Morgan Guaranty Trust Company of New York, Brussels office, as operator of the Euroclear System ("Euroclear") and Cedel Bank, société anonyme ("Cedel Bank") for the accounts of their respective participants. Prior to expiry of the period that ends 40 days after completion of the distribution of each Tranche of Notes, as certified by the relevant Dealer, in the case of a non-syndicated issue, or the Lead Manager, in the case of a syndicated issue (the "Restricted Period"), beneficial interests in the Reg. S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person (as defined in Regulation S) and may not be held otherwise than through Euroclear and Cedel Bank. The Registered Notes of each Tranche of such Series sold in private transactions to qualified institutional buyers within the meaning of Rule 144A under the Securities Act ("QIBs") will be represented by a restricted permanent global note in registered form, without interest coupons (a "Restricted Global Note"), and, together with a Reg. S Global Note, "Registered Global Notes", deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company ("DTC"). The Registered Notes of each Tranche of such Series sold to "accredited investors" (as defined in Rule 501(a) (1), (2) or (3) under the Securities Act) which are institutions ("Institutional Accredited Investors") will be in definitive form, registered in the name of the holder thereof. Registered Notes in definitive form will be issued in exchange for interests in the Registered Global Notes upon compliance with the procedures for exchange as described in "Form of the Notes" on page 13 in the circumstances described in the relevant Pricing Supplement. Registered Notes in definitive registered form from the date of issue may also be sold outside the United States in reliance on Regulation S under the Securities Act. Each Tranche of Bearer Notes will initially be represented by a temporary bearer global Note (a "Temporary Bearer Global Note") which will be deposited on the issue date thereof with a common depositary on behalf of Euroclear and Cedel Bank. Beneficial interests in a Temporary Bearer Global Note will be exchangeable for either beneficial interests in a permanent bearer global Note (a "Permanent Bearer Global Note") or definitive Bearer Notes upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations and thereafter any Permanent Bearer Global Note may be exchanged for definitive Bearer Notes in the circumstances described in the relevant Pricing Supplement, in each case in accordance with the procedures described in "Form of the Notes" on page 13. For further details of clearing and settlement of the Notes issued under the Programme see "Book-Entry Clearance Procedures" below.

The Programme has been rated Aa2 by Moody's Investors Service, Inc.

Each Issuer and the Guarantor may agree with any Dealer and the Trustee that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes admitted to the Official List only) supplementary listing particulars or further listing particulars, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Accordingly, each Issuer accepts responsibility for the information contained in its listing particulars.

In connection with the listing of the Notes on the London Stock Exchange, each of the Issuers and the Guarantor confirms that, if at any time after preparation of the Listing Particulars for submission to the London Stock Exchange and before the commencement of dealings in any Notes following their admission to the Official List:

- (a) there is a significant change affecting any matter contained in the Listing Particulars whose inclusion was required by section 146 of the FSA or by the listing rules made by the London Stock Exchange under the FSA (the "Listing Rules") or by the London Stock Exchange; or

as specified herein, be read and construed on the basis that such documents are so incorporated and form part of this Offering Circular but not the Listing Particulars.

Neither the Dealers nor the Trustee have separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by the Dealers or the Trustee as to the accuracy or completeness of the information contained in this Offering Circular or any other information provided by the Issuers or the Guarantor. Neither the Dealers nor the Trustee accept any liability in relation to the information contained in this Offering Circular (save for information supplied in writing by the Dealers) or any other information provided by the Issuers or the Guarantor in connection with the Programme.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Offering Circular or any other information supplied in connection with the Programme and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuers, the Guarantor or any of the Dealers or the Trustee.

Neither this Offering Circular nor any other information supplied in connection with the Programme (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by any of the Issuers, the Guarantor or any of the Dealers or the Trustee that any recipient of this Offering Circular or any other information supplied in connection with the Programme should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the relevant Issuer and/or the Guarantor and/or the Parent. Neither this Offering Circular nor any other information supplied in connection with the Programme constitutes an offer or invitation by or on behalf of the Issuers or any of the Dealers to any person to subscribe for or to purchase any Notes.

The delivery of this Offering Circular does not at any time imply that the information contained herein concerning the Issuers and/or the Guarantor is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers and the Trustee expressly do not undertake to review the financial condition or affairs of the Issuers or the Guarantor during the life of the Programme. Investors should review, *inter alia*, the most recent non-consolidated or consolidated financial statements, if any, of the relevant Issuer and/or the Guarantor and/or the Parent when deciding whether or not to purchase any Notes.

The distribution of this Offering Circular and the offer or sale of the Notes may be restricted by law in certain jurisdictions. The Issuers, the Guarantor, the Dealers and the Trustee do not represent that this Offering Circular may be lawfully distributed, or that the Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuers, the Guarantor, the Dealers or the Trustee (save for the approval of this Offering Circular as listing particulars by the London Stock Exchange and delivery of copies of this Offering Circular to the Registrar of Companies in England and Wales) which would permit a public offering of the Notes or distribution of this Offering Circular in any jurisdiction where action for that purpose is required. Accordingly, the Notes may not be offered or sold, directly or indirectly, and neither this Offering Circular nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that all offers and sales by them will be made in compliance with applicable laws and regulations. Persons into whose possession this Offering Circular or any Notes come must inform themselves about, and observe, any such restrictions. ## DOCUMENTS INCORPORATED BY REFERENCE

---

The following documents shall be deemed to be incorporated in, and to form part of, this Offering Circular (provided, however, that such incorporated documents do not form part of the Listing Particulars):—

- (a) the publicly available audited annual financial statements and the interim financial statements (if any) of each of the Issuers, the Guarantor and the Parent for their most recently completed financial periods; and
- (b) all supplements to this Offering Circular circulated by the Issuers and/or the Guarantor from time to time in accordance with the provisions of the Programme Agreement described in “Subscription and Sale and Transfer Restrictions” on pages 95 to 100 below,

save that any statement contained herein or in a document which is deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purpose of this Offering Circular (but not the Listing Particulars) to the extent that a statement contained in any such subsequent document which is deemed to be incorporated by reference herein modifies or supersedes such earlier statement (whether expressly, by implication or otherwise).

Each of the Issuers, the Guarantor and the Parent will provide, without charge, to each person to whom a copy of this Offering Circular has been delivered, upon the oral or written request of such person, a copy of any or all of the documents deemed to be incorporated herein by reference unless such documents have been modified or superseded as specified above. Written or telephone requests for such documents should be directed to the relevant Issuer, the Guarantor or, as the case may be, the Parent at their respective offices set out at the end of this Offering Circular. In addition, such documents will be available from the principal office in England of the London Listing Agent.

### **Supplementary Listing Particulars**

Each of the Issuers and the Guarantor has undertaken to the Dealers in the Programme Agreement (as defined in “Subscription and Sale and Transfer Restrictions” below) to comply with sections 147 and 149 of the FSA and the Listing Rules in that regard. In the event that supplementary listing particulars are produced pursuant to such undertaking, a copy of such supplementary listing particulars will accompany this Offering Circular.

## GENERAL DESCRIPTION OF THE PROGRAMME

---

Under the Programme, the Issuers may from time to time issue Notes denominated in any currency (including ECU) other than Japanese Yen and having a minimum maturity of one month, subject as set out herein. A summary of the Programme and the terms and conditions of the Notes appears on pages 8 to 12. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer(s) prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement with respect to a specific Tranche of Notes which will be attached to, or endorsed on, such Notes, as more fully described under "Form of the Notes" on pages 13 to 19.

This Offering Circular and any supplement will only be valid for listing Notes on the London Stock Exchange in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed U.S.\$4,000,000,000 or its equivalent in other currencies, subject to increase as provided in the Programme Agreement (as defined in "Subscription and Sale and Transfer Restrictions" on pages 95 to 100). For the purpose of calculating the U.S. dollar equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the U.S. dollar equivalent of Notes denominated in another Specified Currency (as defined under "Form of the Notes" on pages 13 to 19) shall be determined, at the discretion of the relevant Issuer, either as of the date of agreement to issue such Notes (the "Agreement Date") or on the preceding day on which commercial banks and foreign exchange markets are open for business in London, in each case on the basis of the spot rate for the sale of the U.S. dollar against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading bank selected by the relevant Issuer on the relevant day of calculation;
- (b) the U.S. dollar equivalent of Dual Currency Notes, Indexed Notes and Partly Paid Notes (each as defined under "Form of the Notes" on pages 13 to 19) shall be calculated in the manner specified above by reference to the original nominal amount of such Notes (in the case of Partly Paid Notes regardless of the subscription price paid); and
- (c) the U.S. dollar equivalent of Zero Coupon Notes (as defined under "Form of the Notes" on pages 13 to 19) and other Notes issued at a discount or premium shall be calculated in the manner specified above by reference to the net proceeds received by the relevant Issuer for the relevant issue.

## FORM OF THE NOTES

---

The Notes of each Tranche will be either in bearer form and/or in registered form.

Unless otherwise provided with respect to a particular Series of Registered Notes, the Registered Notes of each Tranche of such Series offered and sold in reliance on Regulation S ("Reg. S"), which will be sold to non-U.S. persons outside the United States, will be represented by a Reg. S Global Note which will be deposited with a custodian for, and registered in the name of a nominee of, a common depositary for Euroclear and Cedel Bank for the accounts of their respective participants. Prior to expiry of the Restricted Period applicable to each Tranche of Notes, beneficial interests in a Reg. S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 11 and may not be held otherwise than through Euroclear or Cedel Bank and such Reg. S Global Note will bear a legend regarding such restrictions on transfer.

Registered Notes of each Tranche of a particular Series may only be offered and sold in the United States or to U.S. persons in private transactions: (i) to QIBs; or (ii) to Institutional Accredited Investors who agree to purchase the Notes for their own account and not with a view to the distribution thereof. The Registered Notes of each Tranche sold to QIBs in reliance on Rule 144A under the Securities Act will be represented by a Restricted Global Note which will be deposited with a custodian for, and registered in the name of a nominee of, DTC.

Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, in the circumstances described below, to receive physical delivery of definitive Notes in fully registered form.

The Registered Notes of each Tranche sold to Institutional Accredited Investors will be in definitive form, registered in the name of the holder thereof. The Restricted Global Note and the Registered Notes in definitive form issued to Institutional Accredited Investors will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions. Registered Notes will not be exchangeable for Bearer Notes.

Registered Notes in definitive form may also be sold outside the United States in reliance on Regulation S under the Securities Act.

Payments of the principal of, and interest (if any) on, the Registered Global Notes will be made to the nominee of DTC and/or of Euroclear and/or Cedel Bank as the registered holders of the Registered Global Notes. None of the Issuer, the Trustee, the Agent, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal on the Registered Notes will be made to the persons shown on the Register at the close of business on the business day immediately prior to the relevant payment date. Payments of interest on the Registered Notes will be made on the relevant payment date to the person in whose name such Notes are registered on the Record Date (as defined in Condition 6(b)) immediately preceding such payment date.

Each Tranche of Bearer Notes will be initially represented by a Temporary Bearer Global Note (without receipts, interest coupons or talons) which, unless otherwise agreed between the Issuer and the relevant Dealer, will be delivered to a common depositary for Euroclear and Cedel Bank. Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Bearer Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owner of such Note is not a U.S. person or a person who has purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Cedel Bank, as applicable, and Euroclear and/or Cedel Bank, as applicable, has given a like certification (based on the certifications it has received) to the Agent.

On and after the date (the "Exchange Date") which is the later of (i) 40 days after the date on which a Temporary Bearer Global Note is issued and (ii) expiry of the applicable Restricted Period, interests in the Temporary Bearer Global Note will be exchangeable (free of charge) upon a request by Euroclear and/or

The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest or principal due on or after the Exchange Date.

Payments of principal and interest (if any) on a Permanent Bearer Global Note will be made through Euroclear and/or Cedel Bank against presentation or (as the case may be) surrender of the Permanent Bearer Global Note without any requirement for certification as regards U.S. persons (save for any certification in respect of applicable tax obligations). A Permanent Bearer Global Note will (save as otherwise indicated in the applicable Pricing Supplement) be exchangeable (free of charge), in whole but not in part, for definitive Notes (with, where applicable, receipts, interest coupons and talons attached) either (as specified in the applicable Pricing Supplement) (A) in the following limited circumstances: (1) if the Permanent Bearer Global Note is held on behalf of Euroclear or Cedel Bank or any other clearing system and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearing system acceptable to the Trustee is available, (2) if an Event of Default (as defined in Condition 10) occurs in relation to the Notes represented by a Permanent Bearer Global Note or (3) if the Trustee is satisfied that the relevant Issuer would suffer a material disadvantage in respect of the Notes as a result of a change in the laws or regulations (taxation or otherwise) of any jurisdiction of such Issuer or, where the Issuer is BTMH, the Guarantor which would not be suffered were the Notes in definitive form or (B) at the request of the holder upon not less than 60 days' written notice to the Agent. In such circumstances the relevant Issuer will (1) within 60 days of the occurrence of the relevant event in (A)(1), (2) or (3) above or (2) at the expiry of the written notice specified in (B) above issue definitive Bearer Notes in exchange for the entire Permanent Bearer Global Note.

Pursuant to the Agency Agreement (as defined under "Terms and Conditions of the Notes" below) the Agent shall arrange that, where a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned (where applicable) a CUSIP number, and, in the case of Bearer Notes and Reg. S Notes (as defined in the Conditions), CINS number, common code and ISIN which are different from the CUSIP number, CINS number, common code and ISIN assigned to Notes of any other Tranche of the same Series until at least expiry of the Restricted Period applicable to such Tranche. The end of such period and, as the case may be, the CUSIP number, CINS number, common code and ISIN thereafter applicable to the Notes of the relevant Series will be notified by the Agent to the Relevant Dealer.

All global Notes and definitive Notes will be issued pursuant to the Trust Deed and the Agency Agreement.

For so long as any of the Notes is represented by a bearer global Note deposited with, or a Reg. S Global Note registered in the name of a nominee of, a common depositary for Euroclear and Cedel Bank or so long as DTC or its nominee is the registered holder of a Restricted Global Note, each person who is for the time being shown in the records of Euroclear or of Cedel Bank or, as the case may be, DTC as entitled to a particular nominal amount of Notes (in which regard any certificate or other document issued by Euroclear, Cedel Bank or DTC or its nominee as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose such common depositary or its nominee or, as the case may be, DTC or its nominee shall be deemed to be the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant global Note and the Trust Deed (and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly).

No beneficial owner of an interest in a Registered Global Note will be able to exchange or transfer that interest, except in accordance with the applicable procedures of DTC, Euroclear and Cedel Bank, in each case, to the extent applicable.

The following legend will appear on all bearer global Notes, definitive Bearer Notes, receipts, interest coupons and talons:

## **1. Form, Denomination and Title**

The Notes are either in bearer form ("Bearer Notes") or in registered form ("Registered Notes"), as specified in the applicable Pricing Supplement, and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Indexed Note, a Dual Currency Note or a Partly Paid Note, or a combination of any of the foregoing, depending upon the Interest/Payment Basis shown in the applicable Pricing Supplement.

In the case of Zero Coupon Notes, references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon the registration of transfers in accordance with the provisions of the Agency Agreement and the Trust Deed. The Issuer, the Guarantor, the Trustee, the Replacement Agent (as defined in the Agency Agreement), any Paying Agent, the Registrar, the Exchange Agent and any Transfer Agent and the Trustee may deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Bearer Notes is represented by a bearer global Note held by a common depositary on behalf of Morgan Guaranty Trust Company of New York, Brussels office, as operator of the Euroclear system ("Euroclear") and/or Cedel Bank, société anonyme ("Cedel Bank"), or for so long as a nominee of a common depositary for Euroclear and Cedel Bank or The Depository Trust Company ("DTC") or its nominee is the registered holder of a Registered Global Note, each person who is for the time being shown in the records of Euroclear or of Cedel Bank or, as the case may be, of DTC as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Cedel Bank or, as the case may be, DTC as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Replacement Agent, any Paying Agent, the Registrar, the Exchange Agent, any Transfer Agent and the Trustee as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose

---

---

such common depositary or its nominee or, as the case may be, DTC or its nominee shall be treated by the Issuer, the Guarantor, the Replacement Agent, any Paying Agent, the Registrar, the Exchange Agent, any Transfer Agent and the Trustee as the holder of such Notes in accordance with and subject to the terms of the relevant global Note and the Trust Deed and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly. Notes which are represented by a global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear, Cedel Bank or DTC, as the case may be.

References to Euroclear, Cedel Bank and/or DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the Issuer, the Guarantor (if appropriate), the Agent and the Trustee.

## **2. Status of the Notes**

The Notes and the related Receipts and Coupons are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and (subject to such exceptions as from time to time exist under applicable law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer from time to time outstanding.

## **3. Guarantee of Notes issued by BTMH**

The payment of principal and interest together with all other sums payable by BTMH under the Trust Deed in respect of the Notes issued by BTMH has been unconditionally and irrevocably guaranteed by the Guarantor in the Trust Deed (the "Guarantee"). The obligations of the Guarantor under the Guarantee are direct, unconditional, unsubordinated and unsecured obligations of the Guarantor and rank *pari passu* and (subject to such exceptions as from time to time exist under applicable law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Guarantor from time to time outstanding.

## **4. Composition of the ECU**

Subject to the provisions of Condition 6(c), if the Notes are denominated in ECU, the value and composition of the ECU in which the Notes are denominated, or, if the Notes are Dual Currency Notes payable in ECU, the value and composition of the ECU in which the Notes are payable, ("ECU") will be the same as the value and composition of the European Currency Unit that is from time to time used as the unit of account of the European Communities (the "EC"). Changes to the ECU may be made by the EC, in which event the ECU will change accordingly. References herein to the ECU shall be deemed to be references to the ECU as so changed.

## **5. Interest**

### **(a) Interest on Fixed Rate Notes**

Each Fixed Rate Note bears interest on its nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Fixed Rate(s) of Interest so specified payable in arrear on the Fixed Interest Date(s) in each year and on the Maturity Date so specified if that does not fall on a Fixed Interest Date. The first payment of interest will be made on the Fixed Interest Date next following the Interest Commencement Date and, if the first anniversary of the Interest Commencement Date is not a Fixed Interest Date, will amount to the Initial Broken Amount. If the Maturity Date is not a Fixed Interest Date, interest from (and including) the preceding Fixed Interest Date (or the Interest Commencement Date, as the case may be) to (but excluding) the Maturity Date will amount to the Final Broken Amount.

If interest is required to be calculated for a period of other than a full year, such interest shall be calculated on the basis of a 360-day year consisting of 12 months of 30 days each.

### **(b) Interest on Floating Rate Notes**

#### **(i) Interest Payment Dates**

Each Floating Rate Note bears interest on its nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate equal to the Rate of Interest payable in arrears on either:

- 
- (A) the Interest Payment Date(s) in each year; or
  - (B) if no express Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an "Interest Payment Date") which falls the number of months or other period specified as the Interest Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If any Interest Payment Date (or other date) which is specified in the applicable Pricing Supplement to be subject to adjustment in accordance with a business day convention would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (i) in any case where Interest Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date (or other such date) shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months or other period specified as the Interest Period in the applicable Pricing Supplement after the preceding applicable Interest Payment Date (or other date) occurred; or
- (ii) the Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (iii) the Modified Following Business Day Convention, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the immediately preceding day which is a Business Day; or
- (iv) the Preceding Business Day Convention, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding day which is a Business Day.

In this Condition, "Business Day" means a day which is both:

- (A) a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in London and any other place as is specified in the applicable Pricing Supplement (each an "Additional Business Centre"); and
- (B) either (1) in relation to interest payable in a Specified Currency other than ECU, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than London or any Additional Business Centre) which, if the Specified Currency is Australian dollars, shall be Sydney or (2) in relation to interest payable in ECU, an ECU Settlement Date (as defined in the 1991 ISDA Definitions, as amended, updated or replaced as at the date of issue of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the "ISDA Definitions") but not including part (b) of such definition).

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes will be determined in the manner specified in the applicable Pricing Supplement.

(iii) ISDA Determination

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph (iii), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Pricing Supplement under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- 
- (A) the Floating Rate Option is as specified in the applicable Pricing Supplement;
  - (B) the Designated Maturity is as specified in the applicable Pricing Supplement; and
  - (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Pricing Supplement.

For the purposes of this sub-paragraph (iii), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity" and "Reset Date" have the meanings given to those terms in the ISDA Definitions.

When this sub-paragraph (iii) applies, in respect of each relevant Interest Period the Agent will be deemed to have discharged its obligations under sub-paragraph (vi) below in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (iii).

(iv) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for deposits in the Specified Currency for that Interest Period which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time) on the Interest Determination Date in question plus or minus the Margin (if any), all as determined by the Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this sub-paragraph (iv) in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than the London inter-bank offered rate, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(v) Minimum and/or Maximum Rate of Interest

If the applicable Pricing Supplement specifies a minimum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be less than such minimum Rate of Interest and/or if it specifies a maximum Rate of Interest for any Interest Period, then the Rate of Interest for such Interest Period shall in no event be greater than such maximum Rate of Interest.

(vi) Determination of Rate of Interest and Calculation of Interest Amounts

The Agent will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the actual number of days in the Interest Period concerned divided by 360 (or 365/366 in the case of Notes denominated in Sterling), or such other denominator determined by the Agent to be customary for such calculation, and rounding the resultant figure to the nearest U.S. cent (or its approximate equivalent in the relevant other Specified Currency), half a U.S. cent (or its approximate equivalent in the relevant other Specified Currency) being rounded upwards.

---

(vii) Notification of Rate of Interest and Interest Amount

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor (if appropriate), the Trustee and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the day which is the fourth London Business Day (as defined in Condition 6(c)) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14.

(viii) Determination or Calculation by Trustee

If for any reason the Agent at any time after the Issue Date defaults in its obligations to determine the Rate of Interest or calculate any Interest Amount in accordance with sub-paragraph (ii), (iii) or (iv) above, as the case may be, and, in each case, (vi) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any minimum or maximum Rate of Interest specified in the applicable Pricing Supplement), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent.

(ix) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this paragraph (b), whether by the Agent or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor, the Agent, the Trustee, the other Paying Agents, the Transfer Agent, the Exchange Agent, the Registrars and all Noteholders, Receipholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receipholders or the Couponholders shall attach to the Agent or the Trustee in connection with the exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) Indexed Notes and Dual Currency Notes

In the case of Indexed Notes or Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an index and/or a formula or, as the case may be, an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

(d) Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(e) Accrual of Interest

Each interest-bearing Note (or, in the case of the redemption of part only of such a Note, that part only of such Note) will cease to bear interest from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed or in the applicable Pricing Supplement.

## 6. Payments

(a) Method of Payment

Subject as provided below:

- (i) payments in a Specified Currency other than ECU will be made by transfer to an account in the relevant Specified Currency maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney); and

- 
- (ii) payments in ECU will be made by credit or transfer to an ECU account specified by the payee.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

*(b) Presentation of Notes, Receipts and Coupons*

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against surrender (or, in the case of part payment of any sum due only, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against surrender (or, in the case of part payment of any sum due only, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States. Payments under paragraph (a) above made by cheque shall be mailed or delivered to an address outside the United States furnished by such bearer. Subject to any applicable laws and regulations, such payments made by transfer will be made in immediately available funds to an account maintained by the payee with a bank located outside the United States. Subject as provided below, no payment in respect of any definitive Bearer Note or Coupon will be made upon presentation of such definitive Bearer Note or Coupon at any office or agency of the Issuer or any Paying Agent in the United States, nor will any such payments be made by transfer to an account, or by mail to an address, in the United States.

In respect of Bearer Notes, payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender of the relevant Receipt. Payment of the final instalment will be made in the manner provided in paragraph (a) above against surrender of the relevant definitive Bearer Note. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes or Indexed Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any such Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note or Indexed Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Bearer Note is not a Fixed Interest Date or an Interest Payment Date, interest (if any) accrued in respect of such definitive Bearer Note from (and including) the preceding Fixed Interest Date or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Bearer Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant global Note against presentation or surrender, as the case may be, of such global Note at the specified office of any Paying Agent. A record of each payment made against presentation or surrender of such global Note, distinguishing between any payment of principal and

---

any payment of interest, will be made on such global Note by such Paying Agent and such record shall be *prima facie* evidence that the payment in question has been made.

The holder of the relevant global Note (or, as provided in the Trust Deed, the Trustee) shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such global Note (or the Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Cedel Bank or DTC as the beneficial holder of a particular nominal amount of Notes represented by such global Note must look solely to Euroclear, Cedel Bank or DTC, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such global Note (or the Trustee, as the case may be). No person other than the holder of such global Note (or the Trustee, as the case may be) shall have any claim against the Issuer or, as the case may be, the Guarantor in respect of any payments due on that global Note.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency or conversion into U.S. dollars in accordance with the provisions of the Agency Agreement.

Notwithstanding the foregoing, U.S. dollar payments of principal and interest in respect of Bearer Notes will be made at the specified office of a Paying Agent in the United States (which expression, as used in this Condition, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer or the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

Payments of principal in respect of Registered Notes will be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due only, endorsement) of such Notes at the specified office of the Registrar or at the specified office of any Paying Agent. Payments of interest due on a Registered Note and payments of instalments (if any) of principal on a Registered Note, other than the final instalment, will be made to the person in whose name such Note is registered at the close of business on the fifteenth day (whether or not such fifteenth day is a business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) (the "Record Date")) prior to such due date. In the case of payments by cheque, cheques will be mailed to the holder (or the first named of joint holders) at such holder's registered address on the due date. If payment is required by credit or transfer as referred to in paragraph (a) above, application for such payment must be made by the holder to the Registrar not later than the relevant Record Date.

*(c) Payment in a Component Currency*

If any payment of principal or interest in respect of a Note is to be made in ECU and, on the relevant due date, the ECU is used neither as the unit of account of the EC nor as the currency of the European Union, the Trustee shall, without liability on its part and without having regard to the interests of individual Noteholders, Receiptholders or Couponholders and after consultation, if, in the opinion of the Trustee, such consultation is practicable, with the Issuer and the Guarantor, choose a currency which was a component of the ECU when the ECU was most recently used as the unit of account of the EC or the currency of the European Union (the "chosen currency") in which all payments due on that due date with respect to such Notes, Receipts and Coupons shall be made. Notice of the chosen currency selected by the Trustee shall,

---

where practicable, be published in accordance with Condition 14. The amount of each payment in such chosen currency shall be computed on the basis of the equivalent of the ECU in that currency, determined as set out in this paragraph (c), as of the day which is the fourth London Business Day prior to the date on which such payment is due. For the purposes of this paragraph (c), the expression "London Business Day" means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in London.

Without prejudice to the preceding paragraph, on the day which is the first London Business Day from which the ECU is used neither as the unit of account of the EC nor as the currency of the European Union, the Trustee shall, without liability on its part and without having regard to the interests of individual Noteholders, Receiptholders or Couponholders and after consultation, if, in the opinion of the Trustee, such consultation is practicable, with the Issuer and, where the Issuer is BTMH, the Guarantor, choose a currency which was a component of the ECU when the ECU was most recently used as the unit of account of the EC or the currency of the European Union (also the "chosen currency") in which all payments with respect to Notes, Receipts and Coupons having a due date prior thereto but not yet presented for payment are to be made. The amount of each payment in such chosen currency shall be computed on the basis of the equivalent of the ECU in that currency, determined as set out in this paragraph (c), as of such first London Business Day.

The equivalent of the ECU in the relevant chosen currency as of any date (the "Day of Valuation") shall be determined on the following basis by the Agent. The component currencies of the ECU for this purpose (the "Components") shall be the currency amounts which were components of the ECU as of the last date on which the ECU was used as the unit of account of the EC or, if later, as the currency of the European Union.

The equivalent of the ECU in the chosen currency shall be calculated by, first, aggregating the U.S. dollar equivalents of the Components, and then, using the rate used for determining the U.S. dollar equivalent of the Component in the chosen currency as set forth below, calculating the equivalent in the chosen currency of such aggregate amount in U.S. dollars.

The U.S. dollar equivalent of each of the Components shall be determined by the Agent on the basis of the middle spot delivery quotations prevailing at 11.00 a.m. (London time) on the Day of Valuation, as obtained by the Agent from one or more leading banks as selected by the Agent in the country of issue of the Component in question.

If the official unit of any Component is altered by way of combination or sub-division, the number of units of that Component shall be divided or multiplied in the same proportion. If two or more Components are consolidated into a single currency, the amounts of those Components shall be replaced by an amount in such single currency equal to the sum of the amounts of the consolidated Components expressed in such single currency. If any Component is divided into two or more currencies, the amount of that Component shall be replaced by amounts of such two or more currencies each of which shall be equal to the amount of the former Component divided by the number of currencies into which that Component was divided.

If no direct quotations are available for a Component as of a Day of Valuation from any of the banks selected by the Agent for this purpose because foreign exchange markets are closed in the country of issue of that Component or for any other reason, the most recent direct quotations for that Component obtainable by the Agent shall be used in computing the U.S. dollar equivalent of the ECU on such Day of Valuation, provided, however, that such most recent quotations may be used only if they were prevailing in the country of issue of each Component not more than two London Business Days before such Day of Valuation. If the most recent quotations obtained by the Agent are those which were so prevailing more than two London Business Days before such Day of Valuation, the Agent shall determine the U.S. dollar equivalent of such Component on the basis of cross rates derived from the middle spot delivery quotations for such Component and for the U.S. dollar prevailing at 11.00 a.m. (London time) on such Day of Valuation, as obtained by the Agent from one or more leading banks, as selected by the Agent and approved by the Trustee, in a country other than the country of issue of such Component. If such most recent quotations obtained by the Agent are those which were so prevailing not more than two London Business Days before such Day of Valuation, the Agent shall determine the U.S. dollar equivalent of such Component on the basis of such cross rates if the

---

Trustee judges that the U.S. dollar equivalent so calculated is more representative than the U.S. dollar equivalent calculated on the basis of such most recent direct quotations. Unless otherwise specified by the Trustee, if there is more than one market for dealing in any Component by reason of foreign exchange regulations or for any other reason, the market to be referred to in respect of such Component shall be that upon which a non-resident issuer of securities denominated in such Component would ordinarily purchase such Component in order to make payments in respect of such securities.

All choices and determinations made by the Trustee or the Agent for the purposes of this paragraph (c) shall be at its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and binding on the Issuer, the Guarantor and all Noteholders, Receiptholders and Couponholders.

Whenever a payment is to be made in a chosen currency as provided in this paragraph (c), such chosen currency shall be deemed to be the Specified Currency for the purposes of the other provisions of this Condition.

*(d) Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day (as defined below), then the holder thereof shall not be entitled to payment of the relevant amount due until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. In this Condition (unless otherwise specified in the applicable Pricing Supplement), "Payment Day" means any day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments in the relevant place of presentation; and
- (ii) a Business Day (as defined in Condition 5(b)(i)); and
- (iii) in relation to Notes denominated or payable in ECU, a day on which payments in ECU can be settled by commercial banks and in foreign exchange markets in which the relevant account for payment is located; and
- (iv) in the case of any payment in respect of a Restricted Global Note denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and, in respect of which an accountholder of DTC (with an interest in such Restricted Global Note) has elected to receive any part of such payment in U.S. dollars, not a day on which banking institutions are authorised or required by law or regulation to be closed in New York City.

*(e) Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount; and
- (vii) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

## 7. Redemption and Purchase

### *(a) At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the relevant Specified Currency on the Maturity Date specified in the applicable Pricing Supplement (in the case of a Note other than a Floating Rate Note) or on the Interest Payment Date falling in the Redemption Month specified in the applicable Pricing Supplement (in the case of a Floating Rate Note).

### *(b) Redemption for Tax Reasons*

The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes) or on any Interest Payment Date (in the case of Floating Rate Notes), on giving not less than 15 nor more than 30 days' notice to the Trustee, the Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately before the giving of the aforementioned notice that:

- (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 or, where the Issuer is BTMH, the Guarantor would be unable for reasons outside its control to procure payment by BTMH and in making payment itself would be required to pay such additional amounts, in each case as a result of any change in, or amendment to, the laws or regulations of, in the case of TMI, the United Kingdom, in the case of BTMB or the Guarantor, the Kingdom of Belgium, in the case of BTMH, The Netherlands, in the case of BTMD, Germany or, in the case of TMIHK, Hong Kong or, in each case, any political sub-division or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer or (where applicable) the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or (where applicable) the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer or (where applicable) two Directors of the Guarantor stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer or (where applicable) the Guarantor has or will become obliged to pay such additional amounts as a result of such change or amendment and the Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount referred to in paragraph (e) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

### *(c) Redemption at the Option of the Issuer*

If so specified in the applicable Pricing Supplement, the Issuer may, having given:

- (i) not less than 15 nor more than 30 days' notice in accordance with Condition 14 to the Noteholders; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Trustee and the Agent,

(both of which notices shall be irrevocable), redeem all or some only (as specified in the applicable Pricing Supplement) of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing

Supplement together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s). Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the applicable Pricing Supplement. In the case of a partial redemption of Notes, the Bearer Notes (or, as the case may be, parts of Registered Notes) to be redeemed ("Redeemed Notes") will be selected individually by lot (without involving any part of a Bearer Note), in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Cedel Bank or, as the case may be, DTC, in the case of Redeemed Notes represented by a global Note, not more than 60 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 30 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this subparagraph (d) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 10 days prior to the Selection Date.

*(d) Redemption at the Option of the Noteholders*

If the Noteholders are specified in the applicable Pricing Supplement as having an option to redeem, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 30 nor more than 60 days' notice or such other period of notice as is specified in the applicable Pricing Supplement (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Pricing Supplement, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

If this Note is in definitive form, to exercise the right to require redemption of this Note the holder of this Note must deliver such Note to the specified office of any Paying Agent, Transfer Agent or, as the case may be, the Registrar at any time during the normal business hours of such Paying Agent, Transfer Agent or the Registrar within the notice period, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent, Transfer Agent or the Registrar (a "Put Notice") in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this paragraph (d).

*(e) Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 10, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes but including Instalment Notes and Partly Paid Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount set out in, or determined in the manner set out in, the applicable Pricing Supplement or, if no such amount or manner is so set out in the applicable Pricing Supplement, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the "Amortised Face Amount") equal to the sum of:

- (A) the Reference Price; and

- 
- (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable,

or such other amount as is provided in the applicable Pricing Supplement.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each or on such other calculation basis as may be specified in the applicable Pricing Supplement.

*(f) Instalments*

Notes which are Instalment Notes will be repaid in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (e) above.

*(g) Partly Paid Notes*

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

*(h) Purchases*

The Issuer, the Guarantor or any of their respective Subsidiaries (and any direct or indirect Subsidiary of the Parent) may at any time purchase or otherwise acquire Notes (provided that, in the case of definitive Bearer Notes, all unmatured Receipts and Coupons appertaining thereto are attached thereto or surrendered therewith) in the open market either by tender or private agreement or otherwise, without restriction as to price. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer or the Guarantor, surrendered to any Paying Agent or the Registrar for cancellation.

*(i) Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with, in the case of definitive Bearer Notes, all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and Notes purchased and cancelled pursuant to paragraph (h) above (together with, in the case of definitive Bearer Notes, all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Agent and cannot be re-issued or resold.

*(j) Late Payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c), (d) or (e) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) the date on which the full amount of the moneys payable in respect of such Zero Coupon Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14 or as provided in the Trust Deed.

## **8. Taxation**

All payments of principal and/or interest in respect of the Notes, Receipts and Coupons by the Issuer or (where applicable) the Guarantor shall be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of, if the Issuer is TMI, the United Kingdom or any political sub-division or any authority thereof or therein having power to tax, if the Issuer is BTMB or in the case of the Guarantor, the Kingdom of Belgium or any political sub-division or any authority thereof or therein having power to tax, if the Issuer is

---

BTMH, The Netherlands or any political sub-division or any authority thereof or therein having power to tax, if the Issuer is BTMD, Germany or any political subdivision or any authority thereof or therein having power to tax, or, if the Issuer is TMIHK, Hong Kong or any political subdivision or any authority thereof or therein having power to tax, unless the withholding or deduction is required by law. In that event, the Issuer or (where applicable) the Guarantor shall pay such additional amounts as will result (after such withholding or deduction) in the receipt by the holders of the Notes, Receipts or Coupons of the sums which would have been receivable (in the absence of such withholding or deduction) from the Issuer or (where applicable) the Guarantor in respect of their Notes, Receipts and Coupons; except that no such additional amounts shall be payable with respect to any payment in respect of any Note, Receipt or Coupon:

- (i) to, or to a third party on behalf of, a holder who (a) is able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other claim for exemption to the relevant taxing authority but fails to do so or (b) is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with, if the Issuer is TMI, the United Kingdom, if the Issuer is BTMB or in the case of the Guarantor, the Kingdom of Belgium, if the Issuer is BTMH, The Netherlands, if the Issuer is BTMD, Germany or, if the Issuer is TMIHK, Hong Kong, other than the mere holding or ownership of such Note, Receipt or Coupon; or
- (ii) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such 30-day period; or
- (iii) in the case of a Note, Receipt or Coupon issued by TMI, presented for payment at the specified office of a Paying Agent in the United Kingdom; or
- (iv) in the case of a Note, Receipt or Coupon issued by BTMD, presented for payment at the specified office of a Paying Agent in Germany if the relevant payment could be made outside Germany without such withholding or deduction.

As used herein, the "Relevant Date" means the date on which such payment first becomes due and payable, except that, if the full amount of the moneys payable has not been duly received by the Agent or the Trustee on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect has been duly given to the Noteholders in accordance with Condition 14.

## **9. Prescription**

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

## **10. Events of Default**

If any one or more of the following events (each an "Event of Default") shall have occurred and be continuing:

- (i) default is made for more than seven days in the payment of any amount of principal or any amount of interest due in respect of any of the Notes when and as the same ought to be paid in accordance with these Conditions; or
- (ii) default is made in the performance or observance by the Issuer or, where the Issuer is BTMH, the Guarantor, of any obligation, condition or provision under the Notes or the Trust Deed (other than any obligation for the payment of any amount due in respect of any of the Notes) and (but only in a case where the Trustee considers such default to be capable of being remedied) such

---

default shall not be remedied to the Trustee's satisfaction within 30 days (or such longer period as the Trustee may permit) of first written notification from the Trustee to the Issuer or, where the Issuer is BTMH, the Guarantor, as the case may be, requiring the same to be remedied; or

- (iii) any Financial Indebtedness (as defined below) of the Issuer or, where the Issuer is BTMH, the Guarantor, having an aggregate nominal amount of at least U.S.\$10,000,000 (or its equivalent in any other currency) shall become prematurely repayable as a result of a default in respect of the terms thereof or as a result of any event treated in effect as a default or steps are taken to enforce any security therefor or the Issuer or, where the Issuer is BTMH, the Guarantor defaults in repayment of any such Financial Indebtedness when due or at the expiration of any applicable grace period therefor (as originally provided) or any guarantee or indemnity in respect of any Financial Indebtedness of others having an aggregate nominal amount of at least U.S.\$10,000,000 (or its equivalent in any other currency) shall not be honoured when due and called upon; or
- (iv) an effective resolution is passed or an order of a court of competent jurisdiction is made that the Issuer or, where the Issuer is BTMH, the Guarantor, be liquidated, wound up or dissolved otherwise than for the purposes of or pursuant to a consolidation, amalgamation, merger, reconstruction or other similar arrangement the terms whereof have previously been approved either in writing by the Trustee or by an Extraordinary Resolution of the Noteholders; or
- (v) possession is taken on behalf of an encumbrancer, or a receiver is appointed, of the whole or a material part of the assets or undertaking of the Issuer or, where the Issuer is BTMH, the Guarantor; or
- (vi) a distress, execution or seizure before judgment is levied or enforced upon or sued out against a material part of the property of the Issuer or, where the Issuer is BTMH, the Guarantor, and is not discharged within 30 days thereof; or
- (vii) the Issuer or, where the Issuer is BTMH, the Guarantor, stops payment (within the meaning of any applicable bankruptcy law) or (otherwise than for the purposes of such a consolidation, amalgamation, merger, reconstruction or other similar arrangement as is referred to in paragraph (iv) above) ceases or through an official action of the Board of Directors of the Issuer or, as the case may be, the Guarantor threatens to cease to carry on business or is unable to pay its debts as and when they fall due; or
- (viii) proceedings shall have been initiated against the Issuer or, where the Issuer is BTMH, the Guarantor under any applicable bankruptcy, reorganisation or insolvency law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (ix) the Issuer or, where the Issuer is BTMH, the Guarantor shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, reorganisation or insolvency law or make a conveyance or assignment for the benefit of, or enter into any composition with, its creditors; or
- (x) if the Issuer is BTMH, the Issuer applies for a "surseance van betaling" (within the meaning of the Statute of Bankruptcy of The Netherlands ("*Faillissementswet*")); or
- (xi) the Issuer or, where the Issuer is BTMH, the Guarantor ceases to be a subsidiary wholly-owned and controlled, directly or indirectly, by the Parent, unless such cessation is previously approved either in writing by the Trustee or by an Extraordinary Resolution of the Noteholders; or
- (xii) where the Issuer is BTMH, if the Guarantee ceases to be, or is claimed by the Guarantor not to be, in full force and effect; or
- (xiii) except with the prior consent in writing of the Trustee or the sanction of an Extraordinary Resolution of the Noteholders, the Keep Well Agreement is terminated or any provision of the Keep Well Agreement is modified or waived in circumstances where such modification or waiver would have a material adverse effect on the interests of the Noteholders or is not enforced in a timely manner by the Issuer or, where the Issuer is BTMH, the Guarantor, or is breached by the Parent,

then the Trustee at its discretion may, and if so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to being indemnified to its satisfaction), (provided that, except in the case of the happening of any of the events mentioned in paragraphs (i), (xi) and (xii) above, the Trustee shall have certified that, in its opinion, such event is materially prejudicial to the interests of the Noteholders) give notice to the Issuer that the Notes are, and they shall thereby forthwith become, immediately due and repayable at their Early Redemption Amount (as described in Condition 7(e)) together with accrued interest as provided in the Trust Deed.

For the purpose of paragraph (iii) above, "Financial Indebtedness" means any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of (i) money borrowed, (ii) liabilities under or in respect of any acceptance or acceptance credit or (iii) any notes, bonds, debentures, debenture stock, loan stock or other securities offered, issued or distributed whether by way of public offer, private placing, acquisition consideration or otherwise and whether issued for cash or in whole or in part for a consideration other than cash. Any Financial Indebtedness which is denominated or payable in a currency other than U.S. dollars shall be translated into U.S. dollars at the spot rate for the sale of U.S. dollars against the purchase of the relevant currency as quoted by the Agent on the calendar day in London on which the relevant default occurs (or, if for any reason such a rate is not available on that day, on the earliest possible date thereafter).

## **11. Exchange of Notes, transfer of definitive Registered Notes and Replacement of Notes, Receipts, Coupons and Talons**

### **(a) Exchange of Bearer Notes for Registered Notes**

A Bearer Note in definitive form may be exchanged for Registered Notes of like aggregate nominal amount (in global or definitive form) by submission of a duly completed request for exchange substantially in the form provided in the Agency Agreement (an "Exchange Request"), copies of which are available from the specified office of the Registrar or any Transfer Agent, together with the Bearer Note and all unmatured Coupons, Talons and Receipts appertaining thereto, to a Transfer Agent at its specified office. Within three business days of the request, if the Registered Notes for which the Bearer Note is to be exchanged are in definitive form, the relevant Transfer Agent will authenticate and deliver, or procure the authentication and delivery of, at its specified office to the holder or (at the risk of the holder) send by mail to such address as may be specified by the holder in the Exchange Request, a Registered Note of a like aggregate nominal amount to the Bearer Note(s) exchanged and will enter the exchange of the Bearer Note(s) in the Register maintained by the Registrar as of the Exchange Date. If the Registered Note(s) for which such Bearer Note(s) is/are to be exchanged is/are in global form, the amount of the applicable Registered Global Note(s) will be increased accordingly.

Exchange Requests may not be presented on or after the Record Date (as defined in Condition 6(b)) in respect of any Fixed Interest Date or Interest Payment Date up to and including such Fixed Interest Date or Interest Payment Date. Interest on a Registered Note issued on exchange will accrue as from the immediately preceding Fixed Interest Date or Interest Payment Date, as the case may be.

No exchanges of Bearer Notes for Registered Notes or interests in Registered Global Notes will be permitted for so long as the Bearer Notes are represented by a Temporary Bearer Global Note.

### **(b) Form of Registered Notes**

Registered Notes of each Tranche sold outside the United States in reliance on Regulation S under the Securities Act of 1933, as amended (the "Securities Act"), will be represented by a permanent global Note in registered form, without interest coupons, (the "Reg. S Global Note") deposited with a custodian for, and registered in the name of a nominee of, a common depositary for Euroclear and Cedel Bank for the accounts of their participants. Notes in definitive form issued in exchange for Reg. S Global Notes or otherwise sold or transferred in reliance on Regulation S under the Securities Act, together with the Reg. S Global Notes, are referred to herein as "Reg. S Notes". Prior to expiry of the period that ends 40 days after completion of the distribution of each Tranche of Notes, as certified by the relevant Dealer, in the case of a non-syndicated issue, or by the Lead Manager, in the case of a syndicated issue (the "Restricted Period"), beneficial interests in a Reg. S Global Note may be held only through Euroclear or Cedel Bank.

Registered Notes of each Tranche sold in private transactions to qualified institutional buyers within the meaning of Rule 144A under the Securities Act ("QIBs") will be represented by a permanent global Note

---

in registered form, without interest coupons (the "Restricted Global Note" and, together with the Reg. S Global Note, the "Registered Global Notes") deposited with a custodian for, and registered in the name of a nominee of, DTC. Notes in definitive form issued in exchange for Restricted Global Notes or otherwise sold or transferred in accordance with the requirements of Rule 144A under the Securities Act, together with the Restricted Global Notes, are referred to herein as "Restricted Notes".

Registered Notes of each Tranche sold to accredited investors (as defined in Rule 501(a)(1), (2) or (3) under the Securities Act) ("Institutional Accredited Investors") who agree to purchase the Notes for their own account and not with a view to the distribution thereof will be in definitive form, registered in the name of the holder thereof.

Registered Notes in definitive form issued to Institutional Accredited Investors and Restricted Notes shall bear the legend set forth in the Restricted Global Note (the "Legend"), such Notes being referred to herein as "Legended Notes". Upon the transfer, exchange or replacement of Legended Notes, or upon specific request for removal of the Legend, the Registrar shall (save as provided in Condition 11 (f)) deliver only Legended Notes or refuse to remove such Legend, as the case may be, unless there is delivered to the Issuer and the Registrar such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

Registered Notes in definitive form from the date of issue may, if specified in the applicable Pricing Supplement, be issued in reliance on Regulation S under the Securities Act.

Subject as otherwise provided in this Condition 11, Registered Notes in definitive form may be exchanged or transferred in whole or in part in the authorised denominations for one or more definitive Registered Notes of like aggregate nominal amount.

*(c) Exchange of interests in Registered Global Notes for Registered Notes in definitive form*

Interests in the Reg. S Global Note and the Restricted Global Note will be exchangeable for Registered Notes in definitive form, either (as specified in the applicable Pricing Supplement) (A) in the following limited circumstances: (i) if Euroclear and/or Cedel Bank or DTC, as the case may be, notifies the Issuer that it is unwilling or unable to continue as depositary for such Registered Global Note, or (ii) if applicable, DTC ceases to be a "Clearing Agency" registered under the Securities Exchange Act of 1934 or either Euroclear or Cedel Bank is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces its intention permanently to cease business or does in fact do so and no alternative clearance system acceptable to the Trustee is available, (iii) if an Event of Default (as defined in Condition 10) occurs in relation to the Notes represented by such global Note, (iv) if the holder of a beneficial interest in the Restricted Global Note notifies the Registrar in writing that it is transferring such beneficial interest to an Institutional Accredited Investor who is required to hold its beneficial interest in the Registered Notes in definitive form, or (v) if the Trustee is satisfied that the relevant Issuer would suffer a material disadvantage in respect of the Notes as a result of a change in the laws or regulations (taxation or otherwise) of any jurisdiction of such Issuer, or where the Issuer is BTMH, the Guarantor which would not be suffered were the Notes in definitive form, or (B) unless otherwise provided in the applicable Pricing Supplement, a written request for one or more Registered Notes in definitive form is made by a holder of a beneficial interest in a Registered Global Note, provided that in the case of (B) such written notice or request, as the case may be, is submitted to the Registrar by the beneficial owner not less than 60 days (or such other period as may be indicated in the applicable Pricing Supplement) prior to the requested date of such exchange. Upon the occurrence of any of the events described in the preceding sentence, the relevant Issuer will cause the appropriate Registered Notes in definitive form to be delivered, provided that notwithstanding the above, no Registered Notes in definitive form will be issued until expiry of the applicable Restricted Period.

*(d) Transfers of Registered Global Notes*

Transfers of a Registered Global Note shall be limited to transfers of such Registered Global Note, in whole but not in part, to a nominee of Euroclear, Cedel Bank or DTC or to a successor of any of them or such successor's nominee.

---

*(e) Transfers of interests in Reg. S Notes*

Prior to expiry of the applicable Restricted Period, transfers by the holder of, or of a beneficial interest in, a Reg. S Note to a transferee in the United States will only be made:

In the case of (A) above such transferee may take delivery through a Legended Note in global or definitive form and, in the case of (B) above, such transferee may take delivery only through a Legended Note in definitive form. in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

Notes transferred by Institutional Accredited Investors to QIBs pursuant to Rule 144A or outside the United States pursuant to Regulation S will be eligible to be held by such QIBs or non-U.S. investors through DTC and the Registrar will arrange for any Notes which are the subject of such a transfer to be represented by the appropriate Registered Global Note, where applicable.

*(g) Exchanges and transfers of Registered Notes generally*

Registered Notes may not be exchanged for Bearer Notes.

Holders of Registered Notes in definitive form, other than Institutional Accredited Investors, may exchange such Notes for interests in a Registered Global Note of the same type at any time.

Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

#### **14. Notices**

All notices regarding the Notes shall be valid if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* or another daily newspaper in London approved by the Trustee or, if this is not possible, in one other English language daily newspaper approved by the Trustee with general circulation in Europe. #### **15. Meetings of Noteholders, Modification and Waiver**

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Terms and Conditions or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or requisitioned by Noteholders holding not less than five per cent. in nominal amount of the Notes for the time being outstanding. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of these Terms and Conditions (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, Receipts or Coupons) or certain provisions of the Trust Deed, the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Trust Deed provides that the Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to any modification (subject as provided above) of, or to any waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed, or may determine that any condition, event or act which, but for such determination, would constitute an Event of Default, shall not be treated as such which in any such case, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders or to any modification of any of these Terms and Conditions or any of the provisions of the Trust Deed which is of a formal, minor or technical nature or which is made to correct a manifest error. Any such modification, waiver, authorisation or determination shall be binding on the Noteholders, Receiptholders and Couponholders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 14.

---

In connection with the exercise by it of any of its trusts, powers, authorities, or discretions (including, but without limitation, any modification, waiver, authorisation or substitution referred to in Condition 18), the Trustee shall have regard to the interests of the Noteholders as a class and, in particular, but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders, Receiptholders and Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the Issuer or the Guarantor or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders except to the extent already provided for in Condition 8 and/or any undertaking given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

## **16. Further Issues**

The Issuer shall be at liberty from time to time, without the consent of the Noteholders, Receiptholders or Couponholders, to create and issue further notes ranking *pari passu* in all respects (or in all respects save for the first payment of interest thereon) with the outstanding Notes and so that the same shall be consolidated and form a single Series with the outstanding Notes.

## **17. Enforcement**

The Trustee may at its discretion and without further notice take such proceedings against the Issuer and/or the Guarantor as it may think fit to enforce the obligations of the Issuer and/or the Guarantor under the Trust Deed and the Notes, Receipts and Coupons, but it shall not be bound to take any such proceedings or any other action unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by holders of at least one-fifth in nominal amount of the Notes outstanding and (ii) it shall have been indemnified to its satisfaction. No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer and/or the Guarantor unless the Trustee, having become bound so to do, fails to do so within a reasonable period and such failure is continuing.

The Trustee shall be entitled on behalf of the Noteholders to enforce against the Parent and/or the Companies their obligations under the Keep Well Agreement, if and only insofar as any Notes which have become due and payable remain unpaid in whole or in part at the time the proceedings for such enforcement are instituted.

## **18. Substitution**

### ***(a) Substitution at the option of the Issuer or the Guarantor***

The Trustee shall, if requested by the Issuer or, where the Issuer is BTMH, the Guarantor, be obliged, without the consent of the Noteholders, the Receiptholders or the Couponholders, to agree with the Issuer and, where the Issuer is BTMH, the Guarantor to the substitution in place of the Issuer or (where applicable) the Guarantor (or of any previous substitute under this Condition) as the principal debtor or, as the case may be, guarantor under the Trust Deed, the Notes, the Receipts and the Coupons of any Subsidiary of the Parent (the "Substituted Debtor" or, as the case may be, the "Substituted Guarantor"), subject to (i) the Substituted Debtor or, as the case may be, the Substituted Guarantor becoming or remaining a party to, and having the benefit of the Parent's obligations contained in, the Keep Well Agreement and, in the case of the Substituted Guarantor or where the Substituted Debtor is BTMH, the Substituted Guarantor or, as the case may be, the Guarantor unconditionally and irrevocably guaranteeing all amounts payable by BTMH or any substitute of BTMH under the Trust Deed, the Notes, the Receipts and the Coupons on terms *mutatis mutandis* to those set out in the Guarantee, (ii) legal opinions being obtained from lawyers approved by the Trustee in England and from lawyers approved by the Trustee in the jurisdiction of incorporation of the Substituted Debtor or, as the case may be, the Substituted Guarantor in each case in form and substance satisfactory to the Trustee, (iii) a certificate of solvency in form and substance satisfactory to the Trustee being issued to the Trustee by a duly authorised officer or officers of the Substituted Debtor or, as the case may be, of the Substituted Guarantor, (iv) if Moody's Investors Service, Inc. has a current rating for the programme pursuant to which the Notes are issued, confirmation being received by the Trustee from Moody's Investors Service, Inc. confirming that it will not downgrade such rating solely as a result of the proposed substitution taking effect, (v) if Moody's Investors Service, Inc. does not have a current rating for the programme pursuant to which the

---

Notes are issued, the Substituted Debtor or, as the case may be, the Substituted Guarantor having net assets (consolidated, if consolidated accounts are prepared by the Substituted Debtor or, as the case may be, the Substituted Guarantor) at least equal to those of the Issuer or, as the case may be, the Guarantor in relation to whom the substitution is proposed and (vi) certain other conditions set out in the Trust Deed being complied with.

*(b) Substitution with the consent of the Trustee*

The Trustee may, without the consent of the Noteholders, the Receiptholders or the Couponholders, agree with the Issuer and, where the Issuer is BTMH, the Guarantor to the substitution in place of the Issuer or, as the case may be, the Guarantor (or of any previous substitute under this Condition) as the principal debtor or, as the case may be, guarantor under the Trust Deed, the Notes, the Receipts and the Coupons of any Subsidiary of the Parent (the "Substituted Debtor" or, as the case may be, the "Substituted Guarantor"), subject to (i) the Substituted Debtor or, as the case may be, the Substituted Guarantor becoming or remaining a party to, and having the benefit of the Parent's obligations contained in, the Keep Well Agreement and, in the case of the Substituted Guarantor or where the Substituted Debtor is BTMH, the Substituted Guarantor or, as the case may be, the Guarantor unconditionally and irrevocably guaranteeing all amounts payable by BTMH or any substitute of BTMH under the Trust Deed, the Notes, the Receipts and the Coupons on terms *mutatis mutandis* to those set out in the Guarantee, (ii) the Trustee being satisfied that the interests of the Noteholders will not be materially prejudiced by the proposed substitution and (iii) certain other conditions set out in the Trust Deed being complied with.

*(c) Substitution in relation to TMIHK*

If Moody's Investors Service, Inc. announces that it will downgrade its rating of the programme pursuant to which the Notes are issued if TMIHK or any entity incorporated in Hong Kong substituted as principal debtor in place of TMIHK remains an Issuer, or does so downgrade its rating for that reason, the Trustee shall, if requested by TMI, be obliged, without the consent of the Noteholders, the Receiptholders or the Couponholders, to agree to the substitution in place of TMIHK or any such substituted entity as the principal debtor under the Trust Deed, the Notes, the Receipts and the Coupons of any of TMI, BTMB, BTMH or BTMD as TMI, as instructed by the Parent, shall decide (the "Substituted Debtor") subject to (i) the Substituted Debtor remaining a party to, and having the benefit of the Parent's obligations contained in, the Keep Well Agreement, (ii) where BTMH is to be the Substituted Debtor, the Notes, the Receipts and the Coupons initially issued by TMIHK or any such substituted entity being unconditionally and irrevocably guaranteed by the Guarantor on terms *mutatis mutandis* to those set out in the Guarantee and (iii) certain other conditions set out in the Trust Deed being complied with.

## **19. Indemnification**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility in certain circumstances including provisions relieving it from instituting proceedings to enforce repayment or to enforce the Keep Well Agreement unless indemnified to its satisfaction.

## **20. Governing Law and Submission to Jurisdiction**

The Trust Deed (including the Guarantee), the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law.

BTMB, BTMH, BTMD, TMIHK and the Guarantor have each irrevocably agreed in the Trust Deed to submit, for the exclusive benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders, to the jurisdiction of the English courts to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes, the Receipts and the Coupons and that accordingly any suit, action or proceedings (together referred to as "Proceedings") arising out of or in connection with the Trust Deed, the Notes, the Receipts and the Coupons may be brought in such courts and have each in the Trust Deed further irrevocably waived any objection which each of them may respectively have to the laying of the venue of any Proceedings in any such courts and any claim that any such Proceedings have been brought in an inconvenient forum and have further irrevocably agreed that a judgment in any Proceedings brought in the English courts shall be conclusive and binding upon each of them and may be enforced in the courts of any other jurisdiction. Nothing contained herein shall limit any right to take Proceedings against BTMB, BTMH, BTMD, TMIHK and/or, as the case may be, the Guarantor in any other court of competent jurisdiction, nor

---

shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

BTMB, BTMH, BTMD, TMIHK and the Guarantor have each in the Trust Deed appointed TMI at its registered office, being at 29th July, 1996 at 6 Broadgate, London EC2M 2AA as its agent for service of process in England in respect of any Proceedings and has agreed that, in the event of TMI ceasing so to act, it will appoint another person approved by the Trustee as its agent for service of process in England in respect of any Proceedings.

During 1994, TMI's trading and derivatives activities made a major contribution to its profits throughout the year which were enhanced by a worldwide falling-off in interest rates. In 1995, TMI increased its activities as a lead manager of public bond issues and maintained a strong presence in the secondary markets. The management of TMI is not yet in a position to estimate accurately the results of TMI for the year ending 31st December, 1996. TMI has increased its activities as a lead manager of bond issues and maintained a strong presence in the secondary markets. Results are expected to reflect this. ### **History and Business**

BTMB was established on 9th October, 1974 by The Mitsubishi Bank, Limited, its immediate parent company with the name Mitsubishi Bank (Europe) S.A. The registered number of BTMB is 386.049 and its registered office is at Avenue des Arts 58, 1000 Brussels, Belgium. On 1st April, 1996 BTMB changed its name from Mitsubishi Bank (Europe) S.A. to Bank of Tokyo-Mitsubishi (Belgium) S.A. BTMB is incorporated with limited liability in Belgium for an unlimited duration, its purpose being to provide a range of banking services. BTMB has one subsidiary, BTM Finance (Holland) N.V.

As at 31st December, 1995, on the basis of audited financial statements, BTMB's total assets were BEF 90,169 million and its capital and reserves were BEF 2,531 million. The financial statements are produced in accordance with the standard accounting practice in Belgium which is broadly equivalent to international accounting practice.

The authorised capital of BTMB as at 31st December, 1995, amounting to BEF 2,405 million is fully paid-up. The nominal value of each ordinary share of BTMB is BEF 1,000.

BTMB, operates in close collaboration with the Parent's Brussels branch, which was opened in April 1987 to expand further the Parent's group activities in the Benelux area.

Since the opening of the Brussels branch of the Parent to develop treasury business mainly in continental European currencies and corporate finance services for Japanese clients, BTMB's activities increasingly have focused on capital markets operations.

### **Recent Business and Outlook**

The year 1995 was marked by the official announcement of the merger which took place on 1st April, 1996 between The Mitsubishi Bank, Limited, and The Bank of Tokyo, Ltd. Owing to its significance and world-wide implications, the prospect of the merger required a new evaluation of the activities carried out in various countries as well as the implementation of organisational structures suitable for the new Group.

Within this context, the Amsterdam Branch of Mitsubishi Bank (Europe) S.A. was transferred to Bank of Tokyo-Mitsubishi (Holland) N.V. on 1st April, 1996. The opening of the Amsterdam Branch of Mitsubishi Bank (Europe) S.A. in July 1994 had allowed Mitsubishi Bank (Europe) S.A. to develop positively its commercial relations with Japanese companies located in The Netherlands and with some top tier Dutch corporates. Within the framework of the Merger, The Mitsubishi Bank, Limited and The Bank of Tokyo, Ltd. decided to maintain only one banking institution in this country, bringing together their respective resources and centralising the activities of the existing entities.

As far as Belgium is concerned, Mitsubishi Bank (Europe) S.A. transferred certain of its "commercial lending" activities to the Brussels branch of the Parent, namely (i) loans and advances, not evidenced by transferable securities, to Belgian companies and the public sector and (ii) accounts opened for clients of Mitsubishi Bank (Europe) S.A.

In accordance with Article 30 of the law of 22nd March, 1993 on the status and supervision of credit institutions, the above-mentioned transfers were approved by the Belgian Banking and Finance Commission.

As a result of these transfers, BTMB intends to orientate its future strategy towards capital market related activities. In order to successfully participate in this new market, BTMB intends to draw on the vast experience accumulated by specific entities belonging to the Bank of Tokyo-Mitsubishi Group.

As a result of the aforementioned transfers BTMB decreased its assets (loans to customers) by BEF14,150,830,975 and its liabilities (borrowing in the markets) by BEF15,223,854,451.

**History and Business**

Bank of Tokyo-Mitsubishi (Deutschland) Aktiengesellschaft ("BTMD") was incorporated as a stock corporation under German law on 9th June, 1977 and registered in the commercial register at the Lower Court in Frankfurt am Main under number HRB 16517 under its original name Bank of Tokyo (Deutschland) Aktiengesellschaft ("BOTD"). The registered office of BTMD is located at Mainzer Landstrasse 16, 60325 Frankfurt am Main, Germany. BTMD holds a universal banking license issued by, and is subject to the supervision of, the German Federal Banking Supervisory Authority (*Bundesaufsichtsamt für das Kreditwesen*). BTMD is a member of the Frankfurt, Düsseldorf and Bremen stock exchanges as well as of the German Options and Futures Exchange (DTB). All of the share capital of BTMD is owned by the Parent. As at 1st April, 1996, the issued share capital of BTMD amounted to DM110,000,000. BTMD has no subsidiaries other than Mitsubishi Bank (Deutschland) GmbH ("MBD").

MBD was incorporated as a limited liability company under German law on 21st April, 1988 and has been operating pursuant to a universal banking license through its registered office in Frankfurt am Main. MBD was a wholly-owned subsidiary of The Mitsubishi Bank, Limited until 1st April, 1996 when BTMD purchased all of the share capital of MBD, whereupon MBD became a subsidiary of BTMD. With effect from 1st April, 1996, BTMD acquired all of the assets, liabilities and business operations of MBD. As a result of such transfer, BTMD became a co-obligor of any Notes issued by MBD under the Programme.

A merger agreement has been entered into between MBD and BTMD on 11th June, 1996 (the "German Merger Agreement") and has been approved by the shareholders of MBD and BTMD on the same date. Pursuant to the German Merger Agreement, (i) MBD will be merged into BTMD and cease to be a separate legal entity and (ii) BTMD will become the successor to MBD as Issuer under the Programme and as the issuer and principal obligor under any Notes issued by MBD under the Programme. The merger will become effective upon registration in the commercial registers of MBD and BTMD which is expected to occur at any time. There will be no further announcement made to the Noteholders as to the merger of MBD into BTMD becoming effective.

**Recent Business and Outlook**

BTMD is a member of the Deutsche Börse Aktiengesellschaft, Frankfurter Wertpapierbörse and the Deutsche Terminbörse (DTB). BTMD extended its activities in bond sales and trading with German and international banks and institutional investors. In addition to repo and lending business, BTMD also strengthened its expertise in financial engineering and in its derivative business.

BTMD expects that the financial engineering area will more than double the transaction volume achieved in 1995. New product segments in pure derivatives business will be added to the existing product range. In new issue underwriting the strength in underwriting public sector issues will be complemented by good contacts with corporate issuers in Japan. The growth in customer securities custody accounts under management should increase. In addition, the amount of repo transactions and lending business should also grow.

Whilst BTMD provides a wide range of universal banking services with an emphasis on securities activities, the German branches of BTM are mainly in charge of the group's corporate banking activities in the German market. BTMD and the Frankfurt branch of BTM work in close co-operation and operate from the same office building.

**Notes to financial statements of BOTD**

**I. Accounting, valuation and foreign currency translation policies**

The annual financial statements for 1995 have been prepared in accordance with the provisions of the Stock Corporation Act and the Commercial Code together with the requirements of the Ordinance on Accounting of Banks ("RechKredV") dated 10th February, 1992 and amended by the Ordinance dated 18th June, 1993.

Commercial valuation requirements were adhered to in valuing assets and liabilities.

Balance sheet items in foreign currency, foreign exchange forward transactions, foreign exchange option transactions and positions resulting from such transactions have been translated into Deutsche Mark and valued in accordance with §340h of the Commercial Code and in conformity with Statements 2/1995 and 3/1995 of the banking committee of the Institute of German Auditors ("Institut der Wirtschaftsprüfer").

Receivables from banks and customers are stated at nominal values less specific provisions. If the nominal value of a receivable is higher than the amount paid out or its acquisition cost the difference is taken to deferred items under liabilities. Where the nominal value is lower than the amount paid out or the acquisition cost, the difference is shown in deferred items under assets. The differences are amortised to the profit and loss account over the term of the transaction concerned.

Discounted bills are stated at present value. The discount amount relating to the period after the balance sheet date is deducted from the nominal value.

For bonds and debt securities treated as financial fixed assets, the difference between acquisition cost and nominal value is seen as being a component of interest. The securities portfolio is thus valued at acquisition cost less straight-line amortisation or plus straight-line write-up, whereby the difference between acquisition cost and nominal value is divided equally over the remaining terms of the bonds and debt securities concerned.

Bonds and debt securities making up the trading portfolio are stated at the lower of cost or historic market. None of the bonds or debt securities were classified to the liquidity reserve.

Securities taken up in connection with securities lending business are included in the balance sheet, together with the corresponding re-delivery commitment, at daily market value. Receivables resulting from the lending of securities which themselves originate from sale and repurchase agreements are valued using the same method.

Receivables and liabilities from repo business are valued as set out in §340b para. 4 of the Commercial Code.

No accruals have been set up to cover risks arising from maturity mismatches in connection with re-delivery commitments and corresponding re-delivery claims from securities lending and repo transactions. The valuation takes account of the impeccable creditworthiness of the borrower or transferee and the marketability of the underlying securities.

Delivery liabilities are stated at the higher of market value of the underlying securities at the balance sheet date or the sales price in order to cover possible losses in connection with delivery commitments from securities short sales.

Open market traded securities futures are valued using Statement 2/1993 issued by the banking committee of the Institute of German Auditors ("Institut der Wirtschaftsprüfer"). In a departure from the prior year's classification, accruals for possible losses on futures transactions are no longer shown under accruals. The losses are reflected as a deduction from the receivable arising from variation margins paid and the booking of a liability to the DTB (German futures exchange) to the extent that the variation margin was not paid at the end of the year. Unrealised gains remain unrecognised.

Interest, currency and interest/currency swap agreements are not valued if their maturity, amount, currency and interest rates are matched. The same is valid for interest swap agreements which are part of the

## BANK OF TOKYO-MITSUBISHI (DEUTSCHLAND) AKTIENGESELLSCHAFT

interest rate change risk in that they have been entered into in order to reduce interest risks from maturity mismatches between assets and liabilities on the balance sheet.

Investments are stated at the lower of acquisition cost or realisable value (§253 para.2 sentence 3 of the Commercial Code). There was no need to date to make any write-downs to a lower realisable value due to permanent diminution in value.

Fixed assets are included at acquisition cost less straight-line depreciation over the normal useful lives of the assets concerned. Low-value assets are fully depreciated in the year of their acquisition and are shown as disposals in the same year in the statement of movements on fixed assets.

Pension accruals have been set up in accordance with tax rules. In addition, pension provisions have been set up in accordance with generally recognised actuarial calculations for overall pension promises.

The amount of general allowance has been calculated in accordance with the letter dated 10th January, 1994 issued by the federal ministry of finance. The calculation revealed that there was no need for a general allowance.

Adequate amounts have been accrued to cover liabilities which existed at 31st December, but the precise amount of which was not known at the date.

Full account has been taken of the special risks of the banking business through the setting up of risk provisions as set out in §340g of the Commercial Code.

Expense and income items are allocated to the period to which they relate.

### IV. Other information

At 31st December, 1995 the subscribed capital amounted to DM110,000,000.00 (31st December, 1994: DM110,000,000) and is divided into 110,000 registered shares with a nominal value of DM1,000 each.

The shares are all held by The Bank of Tokyo, Ltd., Tokyo, Japan.

DM92,500 was transferred to legal reserve (1994: DM151,000). The transfer to other revenue reserves amounted to DM1,757,500.00 (1994: DM2,874,000).

The capital with participation rights remained unchanged at DM20,000,000.00.

The holder of the participation rights receives an annual distribution amounting to 150 per cent. of the bank's dividend on its shares, and at least 3 per cent. of the nominal value of the participation rights. The participation rights agreement has been drawn up for an indefinite period of time. Either party to the contract can cancel it by giving notice of at least two years to the end of a fiscal year. This right of cancellation has not

been taken up to date. The capital with participation rights shares fully in losses incurred by the bank, in the proportion that the capital bears to the equity capital of the bank as defined by §10 of the Banking Act. It can only be repaid after all claims of the bank's creditors have been satisfied. The holders of the capital with participation rights have no claims to a share of the proceeds arising on liquidation.

Following allocation of losses to the capital with participation rights the holders have priority to be credited with their share of appropriate profits following transfers to the legal reserve of 5 per cent.

**Notes to the financial statements as of 31st December, 1995 for MBD**

**I. General**

The financial statements of Mitsubishi Bank (Deutschland) GmbH, Frankfurt am Main, for the fiscal year 1995 were prepared in accordance with the regulations of the German Commercial Code (HGB) and the Banking Law (KWG). The financial statements follow the new rules and the Ordinance on the Accounts for Banks (RechKredV) as of 10th February, 1992 in the version of publication of 18th June, 1993.

**II. Principles of accounting and valuation**

Loans and advances are shown at nominal value less general bad debt reserves.

Bonds and other fixed interest securities with a nominal value of KDM 70,980 (book value KDM 61,977) were assigned to investment stock according to a management resolution.

Thereof bonds and debentures with a book value (without interest) of KDM 70,980 were combined with interest rate swaps. The bonds together with the interest rate swaps were considered as a valuation unit.

The remaining bonds, which were assigned to current assets and valued at the lower of cost or market principle. As of 31st December, 1994, devaluations of KDM 38 had to be set up. Hidden reserves amounted to KDM 2,168.

The bank has been authorised by two deposit clients to make unrestricted dispositions according to Section 13 and 16 DepG of exactly specified securities. As of 31st December, 1995 the nominal value amounted to KDM 199,000. Thereof securities have been disposed by the bank with a nominal value of KDM 90,710 at the balance sheet date and sold to the Federal Reserve Bank in connection with open market transactions with Deutsche Bundesbank. The remaining securities of those clients with a nominal value of KDM 108,290 were pledged to the Federal Reserve Bank of Hessen, Frankfurt am Main, for lombard purposes.

Investments are carried at acquisition cost.

Property, plant and equipment are recorded at cost less accumulated regular depreciation and amortisation. Depreciation and amortisation are calculated on a straight-line basis. The depreciation and amortisation rates applied are in accordance with the official tables issued by tax authorities. Leasehold improvements are amortised over the agreed term of the office rent contract. As the software only consists of standard software, it is included in the caption property, plant and equipment. Accordingly to Section 6 paragraph 2 German Income Tax Law (EStG), the cost of low value items are fully expenses in the year of acquisition.

Liabilities are shown at repayment amounts.

Accruals consider all foreseeable risks and contingent obligations.

Irrevocable grants of credits were not given.

Assets and liabilities in foreign currencies are accounted for in accordance with Section 340h of the German Commercial Code (HGB).

## History and Business

The Bank of Tokyo-Mitsubishi, Ltd. ("BTM") was incorporated in Japan on 15th August, 1919 as "Kabushiki Kaisha Mitsubishi Ginko" (The Mitsubishi Bank, Limited ("MBL")). On 1st April, 1996, MBL changed its name to The Bank of Tokyo-Mitsubishi, Ltd. following its merger with The Bank of Tokyo, Ltd. ("BOT") (the "Merger"). Its principal place of business and registered head office are at 7-1, Marunouchi 2-chome, Chiyoda-ku, Tokyo 100, Japan. BTM's principal objects, as defined in Article 2 of its Articles, may be summarised as accepting deposits, extending loans, discounting bills and notes, effecting exchange transactions, giving guarantees, underwriting and trading government, municipal and government-guaranteed bonds and other businesses, as permitted by law.

BTM is one of the major Japanese commercial banks known as "city banks" and provides a full range of domestic and international bank services. It is an authorised foreign exchange bank in Japan and is active in the foreign exchange markets in London, Tokyo and New York City, as well as other centres. BTM is the biggest commercial bank in the world in terms of consolidated total assets.

BTM's domestic network comprises approximately 360 branches, sub-branches, and agencies. Overseas, the Bank of Tokyo-Mitsubishi Group consists of more than 400 facilities located in all the major commercial centres of the world.

## Recent Developments

Recently, Japanese financial institutions, including particularly seven insolvent housing-loan companies (known as "Jusen") and certain other non-bank institutions, have experienced problems with non-performing assets. In some cases, these asset quality problems have led, or may lead, to severe liquidity and/or solvency problems that have resulted, or may result, in the liquidation or restructuring of the affected financial institutions. BTM does business with and is, in some instances, a shareholder in certain of these and other financial institutions and, as a result, may find itself exposed from time to time to credit or other risks associated with the financial difficulties encountered by these other financial institutions.

The Jusen rapidly expanded their loans to real estate companies during the boom years of the late 1980s and early 1990s. After the collapse of Japan's inflated real estate and securities market (the so-called "bubble economy"), many of the Jusen's customers failed in the prolonged recession and the depressed real estate market significantly reduced the value of collateral pledged to secure Jusen loans. As a result, the Jusen have a significant amount of non-performing assets and have become insolvent. The Japanese Diet (Parliament) has passed legislation to deal with the Jusen situation and the soundness of financial institutions generally, including the use of ¥0.69 trillion of public money for liquidating the Jusen. Such legislation includes proposed distribution of losses to be incurred among shareholders and creditors (founding institutions, agricultural financial institutions and other institutions), and calls for such institutions to extend ¥1 trillion to a special foundation to be established within the Deposit Insurance Organisation and to provide about ¥6.8 trillion in low interest financing to a Jusen Resolution Corporation to be established to take over the assets and liabilities of the Jusen. The Ministry of Finance of Japan (the "MOF") has also commenced discussions to seek additional contributions from the 150 members of the Japan Federation of Bankers Association, agricultural financial institutions and The Bank of Japan.

Financial institutions, other than the Jusen, including several credit associations and The Hyogo Bank and The Taiheiyo Bank, have recently failed, and it is anticipated that some other institutions may also suffer similar fates. BTM is not aware of any particular institution, the failure of which appears likely and would require a significant contribution by BTM. However, it is difficult to predict to what extent BTM may be called upon to contribute, directly or indirectly, to the costs of restructuring distressed financial institutions other than the Jusen, or, if so called upon, whether BTM would be willing to bear any such costs. Further, it is expected that the premiums paid by banks in Japan, including BTM, for insurance on deposits will be further increased substantially from the rate currently in force.

## Board of Directors

The Board of Directors is responsible for the administration of the business of BTM. The Articles of Incorporation of BTM provide that the number of Directors shall not exceed 70. Directors are elected by BTM's shareholders at annual general meetings for staggered two year terms.

---

**THE BANK OF TOKYO-MITSUBISHI, LTD.**

---

The Board of Directors is empowered by Article 18 of BTM's Articles of Incorporation to appoint by resolution representative directors from among their number who may represent BTM severally. Article 18 also permits the Board of Directors to appoint from their number by resolution a chairman, a president, deputy presidents, senior managing directors and managing directors. The duties of the senior managing directors and the managing directors are defined in the Articles of Incorporation as assisting the president and deputy presidents in the management of the day-to-day business of BTM. All of these senior officers (except for managing directors) are currently representative directors.

Set forth below is a list of the Directors of BTM (including executive officers of BTM) at 27th June, 1996. The business address of the Directors is 7-1, Marunouchi 2-chome, Chiyoda-ku, Tokyo 100, Japan, unless otherwise indicated.

## RELATIONSHIP OF THE ISSUERS AND THE GUARANTOR WITH THE PARENT

---

### Keep Well Agreement

The Parent and each of TMI, BTMB, BTMD and TMIHK have entered into a keep well agreement dated 29th July, 1996 (the "Keep Well Agreement") governed by English law. BTMH is not a party to the Keep Well Agreement but Notes issued by BTMH will be guaranteed by BTMB as the Guarantor. The following is the text of the Keep Well Agreement.

"This Keep Well Agreement (the "Agreement") is made by way of deed poll on 29th July, 1996, by and between (1) The Bank of Tokyo-Mitsubishi, Ltd., the registered office at the date hereof being at 7-1, Marunouchi 2-chome, Chiyoda-ku, Tokyo 100 ("BTM") and (2) each of Tokyo-Mitsubishi International plc, the registered office at the date hereof being at 6 Broadgate, London EC2M 2AA ("TMI"), Bank of Tokyo-Mitsubishi (Belgium) S.A., the registered office at the date hereof being at Avenue des Arts 58, Bte. 1, 1000 Brussels ("BTMB"), Bank of Tokyo-Mitsubishi (Deutschland) Aktiengesellschaft, the registered office at the date hereof being at Mainzer Landstrasse 16, 60325 Frankfurt am Main, Germany ("BTMD") and Tokyo-Mitsubishi International (HK) Limited, the registered office at the date hereof being 16th Floor, Tower 1, Admiralty Centre, 18 Harcourt Road, Central, Hong Kong ("TMIHK" and, together with TMI, BTMB and BTMD, the "Companies").

WHEREAS:—

- (A) the Companies are wholly-owned subsidiaries of BTM; and
- (B) the Companies intend to raise funds by the issue of notes (the "Notes") under a U.S.\$4,000,000,000 Euro Medium Term Note Programme (the "Programme") and to use such funds for their general corporate purposes.

NOW, THEREFOR, BTM and the Companies hereby agree as follows:

- 1. BTM will own, directly or indirectly, a majority of the issued share capital of each of the Companies and will control the composition of the board of directors of each of the Companies, in each case so long as any notes are outstanding. BTM will not pledge, grant a security interest in or encumber any of such share capital.
- 2. BTM will cause:
  - (A) TMI to have a Tangible Net Worth, as determined in accordance with generally accepted accounting principles in the United Kingdom and as shown in TMI's most recent published audited balance sheets, at all times of at least GB£1,000,000;
  - (B) BTMB to have a Tangible Net Worth, as determined in accordance with generally accepted accounting principles in the Kingdom of Belgium and as shown in BTMB's most recent published audited balance sheets, at all times of at least BEF1,000,000;
  - (C) BTMD to have a Tangible Net Worth, as determined in accordance with generally accepted accounting principles in Germany and as shown in BTMD's most recent published audited balance sheets, at all times of at least DM1,000,000; and
  - (D) TMIHK to have a Tangible Net Worth, as determined in accordance with generally accepted accounting principles in Hong Kong and as shown in TMIHK's most recent published audited balance sheets, at all times of at least U.S.\$1,000,000.

For the purposes of this Clause 2, "Tangible Net Worth" means the aggregate amount of issued and fully paid equity capital, reserves, capital surplus and retained earnings (or less losses carried forward), less any intangible assets.

3. (A) If a Company should at any time determine that it shall have insufficient cash or other liquid assets to meet its payment obligations under the Notes as they fall due and that it shall have insufficient unused commitments available under its credit facilities with lenders other than BTM or insufficient funds otherwise made available by BTM through one or more third parties, then it will promptly notify BTM of the shortfall and BTM will make available to it, before the due date of any relevant payment obligations, funds sufficient to enable it to satisfy such payment obligations in full as they fall due. It will use the funds made available to it by BTM solely for the satisfaction when due of such payment obligations.

## RELATIONSHIP OF THE ISSUERS AND THE GUARANTOR WITH THE PARENT

---

(B) Any and all funds from time to time provided by BTM to a Company pursuant to Clause 3(A) above shall be either (i) by way of the subscription for and payment of its share capital (other than redeemable share capital) or (ii) by way of subordinated loan, that is to say a loan which, and interest on which, is not permitted to be, and is not capable of being, repaid or paid unless, and then only to the extent that, the relevant Company is, and immediately thereafter would continue to be, solvent in all respects and is thus subordinated on a winding up of such Company to all of the unsecured creditors of such Company.

4. BTM warrants and agrees that the payment obligations of BTM which may arise hereunder constitute unsecured and unsubordinated obligations of BTM and rank *pari passu* with all other unsecured and unsubordinated obligations of BTM.

5. This Agreement is not, and nothing herein contained and nothing done by BTM pursuant hereto shall be deemed to constitute, a guarantee, direct or indirect, by BTM of any Notes or any payment obligations arising out of or in connection with any Notes.

6. If a Company shall be in liquidation, administration or receivership or other analogous proceedings, and BTM shall be in default of its obligations hereunder, BTM shall be liable by way of liquidated damages to such Company for such breach in an amount equal to the sum that BTM would have paid had it performed in full its obligations hereunder and such Company (and any liquidator, administrator or receiver of such Company or other analogous officer or official) shall be entitled to claim accordingly.

7. BTM and each of the Companies hereby covenants that it will fully and promptly perform its respective obligations and exercise its respective rights under this Agreement and, in the case of the Companies (without limitation to the foregoing), exercise its respective right to enforce performance of the terms of this Agreement by BTM.

8. This Agreement may be modified, amended or terminated only by the written agreement (executed as a deed) of BTM, the Companies and the Trustee (as defined below).

9. BTM and the Companies will give written notice to Moody's Service, Inc. at least 30 days prior to such proposed modification, amendment or termination.

10. (A) This agreement shall take effect as a deed poll for the benefit of the Trustee on behalf of the Noteholders (as defined below). No other person, firm, company or association (unincorporated or incorporated) shall be entitled to any benefit under this Agreement whatsoever.

(B) BTM and each of the Companies hereby acknowledges and covenants that the respective obligations binding upon it contained herein are owed to, and shall be for the benefit of, the Trustee on behalf of the Noteholders and that the Trustee shall be entitled on behalf of the Noteholders to enforce the said obligations against BTM and each of the Companies, if and only insofar as at the time the proceedings for such enforcement are instituted, any Notes which have become due and payable remain unpaid in whole or in part.

(C) This Agreement shall be deposited with and held by the Trustee for so long as any one of the Notes remains outstanding.

(D) "Noteholder" means each person who is for the time being holder of any note of any series of notes issued under the Programme save that, for so long as any series of notes is represented by one or more global notes, "Noteholder" means each person who is for the time being shown in the records of Morgan Guaranty Trust Company of New York, Brussels office, as operator of the Euroclear System ("Euroclear") or of Cedel Bank, société anonyme ("Cedel Bank") or of any alternative clearance system ("Alternative Clearance System") as the holder of notes (in which regard any certificate or other document issued by Euroclear, Cedel Bank or the Alternative Clearance System shall be conclusive).

"Trustee" means The Law Debenture Trust Corporation p.l.c. as trustee for the Noteholders (which expression shall include any successor as trustee for the Noteholders) under a Trust Deed dated 24th November, 1994 and made between TMI (formerly Mitsubishi Finance International plc), BTMB (formerly Mitsubishi Bank (Europe) S.A.) BTMH (formerly MBE Finance N.V.), BTMD (by which Mitsubishi Bank (Deutschland) GmbH was substituted), TMIHK (by which Mitsubishi Finance (Hong Kong) Limited was

11. This Agreement shall be governed by and construed in accordance with English law. Each of BTM, BTMB, BTMD and TMIHK hereby irrevocably agrees that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and that accordingly any suit, action or proceedings (together "Proceedings") arising out of or in connection with this Agreement may be brought in such courts and each waives any objection to Proceedings in such courts whether on the grounds that the Proceedings have been brought in an inconvenient forum or otherwise. In relation to Proceedings in England, any Deputy General Manager for the time being of the London Branch of BTM (being at the date hereof at 12-15 Finsbury Circus, London EC2M 7BT) has agreed to accept service of process on behalf of BTM in England and each of BTMB, BTMD and TMIHK hereby irrevocably appoints TMI at its registered office (being at the date hereof at 6 Broadgate, London EC2M 2AA) to accept service of process on its respective behalf in England. Nothing in this clause shall affect the right to serve process in any other manner permitted by applicable law.

### *Note:*

The Keep Well Agreement is not, and should not be regarded as equivalent to, a guarantee by BTM of the payment of any Notes. Although the only parties to the Keep Well Agreement are BTM, TMI, BTMB, BTMD and TMIHK, the Keep Well Agreement provides that the Trustee shall be entitled on behalf of the Noteholders to enforce against BTM, TMI, BTMB, BTMD and TMIHK their respective obligations under the Keep Well Agreement. These obligations include covenants by BTM, TMI, BTMB, BTMD and TMIHK to perform their obligations and exercise their rights under the Keep Well Agreement. Enforcement in the English courts will be subject, among other things, to the powers of such courts to stay proceedings and other principles of law and equity of general application.

**Financial and other information concerning the Parent is provided for background purposes only in view of the importance of the Keep Well Agreement; it should not be treated as implying that the Keep Well Agreement can be viewed as a guarantee.**

### United Kingdom

The following is a summary of the United Kingdom withholding tax treatment at the date hereof in relation to the payments on the Notes. It is not exhaustive as it only deals with United Kingdom withholding tax, and in particular it does not deal with the position of certain classes of Noteholders, such as dealers in securities. Noteholders who are in any doubt as to their tax position should consult their own professional advisers.

#### *Notes issued by TMI*

1. Notes issued by TMI which are in bearer form and carry a right to interest ("U.K. Notes") will constitute "quoted Eurobonds" provided they are and continue to be listed on a recognised stock exchange (the London Stock Exchange is so recognised). Accordingly, while the U.K. Notes are and continue to be quoted Eurobonds and are in global form and are held in a "recognised clearing system" (Cedel Bank, Euroclear European Settlements Office, First Chicago Clearing Centre, and the Depositary Trust Company have each been designated as a "recognised clearing system"), payments of interest on the Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

If U.K. Notes are issued in definitive form and are and continue to be quoted Eurobonds, then payments of interest on U.K. Notes may be made without such withholding or deduction where:

- (a) the person by or through whom the payment is made is not in the United Kingdom; or
- (b) the payment is made by or through a person who is in the United Kingdom and either:
  - (i) the person who is the beneficial owner of the U.K. Notes and is entitled to the interest is not resident in the United Kingdom for tax purposes; or
  - (ii) the U.K. Notes are held in a "recognised clearing system" (for which, see above); and, where applicable, any other conditions imposed by regulations made under the Finance Act 1996 have been satisfied.

In all other cases interest on Notes issued by TMI must generally be paid under deduction of United Kingdom income tax at the lower rate (currently 20 per cent.) subject to such relief as may be available under the provisions of any applicable double taxation treaty.

2. If the Notes issued by TMI carry a right to interest and have a maturity date less than one year from the date of issue (and are not issued pursuant to any arrangement, the effect of which is to render such Note part of a borrowing for a total term in excess of one year) payments of interest may be made without withholding or deduction for or on account of United Kingdom income tax.

#### *Notes issued by Issuers other than TMI*

3. Payments of interest made to a person in the United Kingdom by a United Kingdom paying agent on Notes issued by Issuers other than TMI will be paid under deduction of United Kingdom income tax at the lower rate (currently 20 per cent.) unless:
  - (a) the Notes issued by Issuers other than TMI are held in a "recognised clearing system" (for which, see above) or;
  - (b) the beneficial owner of the Notes issued by Issuers other than TMI and as the interest thereon is not resident in the United Kingdom or;
  - (c) the beneficial owner of the Notes and in some cases, the recipient of that interest where not that beneficial owner, falls into certain other specified categories.

#### *Collecting Agents*

4. Where a United Kingdom collecting agent either:
  - (a) acts as custodian of the Notes and receives interest on the Notes or directs that interest on the Notes be paid to another person or consents to such payment; or

- 
- (b) collects or secures payment of or receives interest on the Notes for a Noteholder or a Couponholder (except by means of clearing a cheque or arranging for the clearing of a cheque),

the collecting agent will be required to withhold on account of income tax at the lower rate unless:

- (i) the beneficial owner of the Notes and in some cases the recipient of the interest thereon where not that beneficial owner, fall into other specified categories; or
- (ii) the beneficial owner of the Notes and the person beneficially entitled to the interest thereon are either not resident in the United Kingdom and beneficially own the relevant Notes or are specified by regulations.

#### *Discount Notes and Premiums*

5. Any premium over the amount originally subscribed for the Notes paid on redemption at maturity or otherwise in accordance with the Terms and Conditions of the Notes will not generally be regarded as interest for United Kingdom withholding tax purposes. If any element of premium or discount were to be treated as interest, payments thereof would be subject to United Kingdom withholding tax as outlined above.

#### **Belgium**

The following gives a general, and thus not exhaustive, overview of the Belgian tax aspects which apply to the issue, detention and sale of the Notes which may from time to time be issued under the Programme. It is hereby assumed that the Notes will not be entered in an approved clearing system in Belgium for the purpose of invoking the application of Chapter I of the Law of August 6, 1993 relating to transactions in certain securities and its implementing regulations.

Under current Belgian law:

- 1. no withholding or deduction for or on account of Belgian income tax will be required to be made upon payment under the Notes issued outside of Belgium of interest, premium, discount or other amount qualifying as "interest" under Belgian tax law, by a payor who is not a resident of Belgium, provided such payments are made outside Belgium and without any intervention of an intermediary in Belgium;
- 2. no withholding or deduction for or on account of Belgian income tax will be required to be made upon the payment under the Notes, other than Zero Coupon Notes, issued by BTMB in its capacity as Issuer, of (i) interest, premium, discount or other amount qualifying as "interest" under Belgian tax law, provided that such payment is from Notes registered with BTMB for the entire period to which the interest or other payment relates and the beneficiary thereof is a non-resident investor who held the relevant Notes in ownership or usufruct for the entire period to which the interest or other payment relates, and BTMB has received a certificate from the relevant beneficiary confirming these conditions and furthermore stating that he is not using the relevant Notes in the exercise of any business activity in Belgium, and, of (ii) interest, premium, discount or other amount qualifying as "interest" under Belgian tax law, provided that the beneficiaries of such payments are certain categories of resident Noteholders, including financial institutions, who fulfill the applicable certification requirements for their proper identification as Belgian taxpayers and as to their compliance with any applicable special conditions; in all other cases interest or other payments on the Notes issued by BTMB must generally be paid under deduction of Belgian withholding tax at a rate of 15.00 per cent. subject to such relief as may be available under the provisions of any applicable Double Taxation Treaty;
- 3. no withholding or deduction for or on account of Belgian income tax will be required to be made upon payment by BTMB, in its capacity as Guarantor, of interest, premium, discount or other amount qualifying as "interest" under Belgian tax law, unless BTMB were held to be either (i) the primary obligor of such payment or (ii) acting as an intermediary for such payment, in which cases a withholding tax of 15.00 per cent. would be due, subject to such relief as may be available under

---

the provisions of any applicable Double Taxation Treaty and subject to the following exemptions: in the case of either (i) or (ii), an exemption from Belgian withholding tax is available in respect of interest, premium, discount or other amount qualifying as "interest" under Belgian tax law, paid on Notes, other than Zero Coupon Notes, to the categories of resident Noteholders as mentioned in 2(ii) fulfilling the relevant formalities; only in case (ii), an exemption from Belgian withholding tax may be available with respect to payments made to or for the account of non-resident Noteholders who place their Notes in "open custody" with a custodian in Belgium and submit a proper affidavit in accordance with the rules of the Belgian tax administration confirming, *inter alia*, that the beneficiary is not using the relevant Notes in the exercise of any business activity in Belgium;

4. such a non-resident Noteholder as mentioned in 3 will not be subject to Belgian income tax on gains realised on the sale, redemption or exchange of Notes;
5. the Notes will not be subject to Belgian gift taxes provided the gift has not to be and is not made or evidenced by a deed or other instrument subject to registration in Belgium;
6. the Notes will not be subject to Belgian inheritance taxes if held by persons not resident in Belgium at the time of their death; and
7. subject to the exceptions mentioned hereafter, no Belgian registration taxes, stamp duties, V.A.T. or other similar taxes or duties will be levied or imposed in connection with the execution of any of the Agreements, nor upon the issue and the delivery of the Notes, whether or not listed in a Belgian or foreign stock exchange. The judicial enforcement of any money claim the value of which exceeds BEF500,000 (or the equivalent thereof in any foreign currency) entails a registration tax of 3 per cent. on the total amount which the debtor is ordered to pay by a judgement rendered or rendered enforceable by a Belgian court, the registration tax being due by the debtor but the creditor being jointly liable up to maximum one-half of the amount he recovers from the debtor. A Belgian tax on securities transactions of 0.70 per mille basis will be due upon the secondary sale or purchase or any other transfer for consideration of Notes regardless of whether or not the Notes would be listed on any (Belgian or foreign) stock exchange, provided that such a sale or purchase or other transfer is concluded or executed in Belgium through a professional securities intermediary; and a Belgian tax on securities transactions of 1.40 per mille basis will be due on the delivery to the subscribers or purchasers pursuant to a public issue or offer of Notes regardless of whether or not the Notes would be listed on any (Belgian or foreign) stock exchange, provided that the delivery occurs in Belgium through a professional securities intermediary.

### **The Netherlands**

BTMH has been advised that under existing Netherlands law:

- (a) All payments under the Notes can be made free of withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by The Netherlands or any political sub-division or taxing authority thereof or therein.
- (b) A holder of a Note, including Zero Coupon Notes, will not be subject to any Netherlands taxes on income or capital gains in respect of any payment under the Note or in respect of any gain realised on the disposal of the Note, provided that:
  - (i) such holder is not a resident or a deemed resident of The Netherlands; and
  - (ii) such holder does not have an enterprise or an interest in an enterprise which in its entirety or in part is carried on through a permanent establishment or a permanent representative in The Netherlands and to which enterprise or to which part of an enterprise the Notes are attributable; and
  - (iii) such holder neither has, nor during the last five years had, a substantial interest or deemed substantial interest in the share capital of BTMH or, in the event such holder does have such an interest, it forms part of the assets of an enterprise; and

- 
- (iv) such holder does not carry out and has not carried out employment activities with which the holding of the Note is connected.
  - (c) A holder of a Note will not be subject to Netherlands net wealth tax in respect of such Note, provided that such holder is not an individual or, if he is an individual, the conditions mentioned under (b) (i) and (ii) above are met.
  - (d) No gift, estate or inheritance taxes will arise in The Netherlands on the transfer of a Note by way of gift by, or on the death of, an individual holder, who is neither a resident nor a deemed resident of The Netherlands, provided that:
    - (i) such transfer is not construed as a gift made by or on behalf of a person who is a resident or a deemed resident of The Netherlands; and
    - (ii) such Note is not attributable to an enterprise owned by the donor or deceased or in which the donor or the deceased owned an interest and which in whole or in part is carried on through a permanent establishment or a permanent representative in The Netherlands.
  - (e) No Netherlands registration tax, customs duty, stamp duty or any other similar tax or duty other than court fees is payable in The Netherlands in respect of or in connection with the execution, delivery and enforcement by legal proceedings (including the enforcement of any foreign judgment in the courts of The Netherlands) of the Trust Deed, the Agency Agreement, the Programme Agreement, the Keep Well Agreement and the Guarantee or the performance of the Issuer's obligations under the Notes.

Capital tax will be due if, pursuant to the Guarantee, contributions of capital are made or deemed to be made to the capital of BTMH.

## Germany

**The following description only represents a summary of the provisions of German tax laws and regulations which, due to its summary character, does not cover all details which may apply in specific individual cases and may even require a deviation therefrom. Furthermore, it does not deal with any taxes other than the withholding tax as described. Therefore, prospective investors may not rely on such summary description, but are advised to consult their own professional tax advisers. In addition, the summary below is based on the laws in force in Germany as of the date of this Offering Circular and are subject to changes in law or applicable regulations occurring after such date, which changes could be made on a retroactive basis.**

Under German tax laws currently in effect, a withholding on payments of interest on Notes is required, subject to any applicable double taxation treaty, *inter alia*, (i) at a rate of 32.25 per cent. upon interest payments made by a credit institution located in Germany in respect of securities on deposit with or administered by such credit institution, and held by (x) German tax residents (as a rule, persons whose residence, customary place of abode, head office or management is located in Germany) or (y) persons who are subject to limited tax liability only with respect to their German-source income and the interest on the Notes represents income from German agriculture and forestry, trade, business, self-employment or letting or leasing of German property (within the meaning of Sections 43(4) and 49 of the German Income Tax Law) and (ii) at a rate of 37.625 per cent. upon interest payments made by a credit institution located in Germany upon presentation of definitive coupons by a German or foreign holder to such credit institution.

Any amounts so withheld may later be credited to German tax residents as a pre-payment for the purposes of the German income tax assessment. Non-residents for German tax purposes will, subject to any applicable double taxation treaty, not be able to reclaim any taxes withheld in connection with interest payments made upon physical presentation of definitive coupons.

The withholding tax described above does not constitute a withholding or deduction within the meaning of Condition 8.

## Hong Kong

The statements herein regarding Hong Kong taxation are based on the laws in force in Hong Kong as of the date of this Offering Circular and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive

---

---

description of all of the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective purchasers of Notes are advised to consult their own tax advisers concerning the overall tax consequences of their ownership of Notes.

Hong Kong tax will not be required to be withheld from payments of principal or interest on the Notes.

Interest on the Notes may be subject to Hong Kong Profits Tax where the interest arises from a trade, profession or business carried on in Hong Kong.

Hong Kong Profits Tax may be chargeable on profits arising on the sale or disposal of the Notes where such transactions are or form part of a trade, profession or business carried on in Hong Kong.

No estate duty will be payable under the Estate Duty Ordinance of Hong Kong, as currently enacted, in respect of Notes which are physically located outside Hong Kong at the date of the death of the holder thereof.

## **United States**

The following is a general summary of the principal U.S. federal income tax consequences of the acquisition, ownership, and disposition of Notes by a holder who is a citizen or resident of the United States, a corporation, partnership, or other entity created or organised in or under the laws of the United States or any political subdivision thereof or therein, or an estate or trust the income of which is subject to U.S. federal income taxation regardless of its source (a "U.S. Holder"). In addition, this summary applies only to Notes held as capital assets and generally does not address aspects of U.S. federal income taxation that may be applicable to particular U.S. Holders, such as life insurance companies, tax-exempt organisations, banks, or dealers in securities or currencies, or to U.S. Holders that will hold a Note as part of a position in a "straddle" or as part of a hedging transaction for U.S. tax purposes. Each prospective purchaser should consult its tax adviser with respect to the U.S. federal, state, local, and foreign tax consequences of acquiring, holding, and disposing of Notes.

*Stated Interest.* Stated interest on a Note will be includible in a U.S. Holder's gross income as ordinary interest income at the time it is paid or accrued in accordance with the U.S. Holder's usual method of tax accounting for U.S. federal income tax purposes. In addition, stated interest on the Notes should be treated as foreign source income for U.S. foreign tax credit purposes.

*Original Issue Discount.* Notes with a fixed maturity of more than one year may be issued with original issue discount. If a Note is issued with original issue discount, a U.S. Holder will be required to include amounts in gross income for federal income tax purposes in advance of receipt of the cash payments to which such amounts are attributable.

*Short-Term Notes.* Notes with a fixed maturity of one year or less ("Short-Term Notes") may be issued with original issue discount. Accrual method U.S. Holders, and certain other U.S. Holders, including banks and dealers in securities, are required to accrue original issue discount on a Short-Term Note on a straight-line basis unless an election is made to accrue such discount using a constant yield to maturity method.

*Sale, Exchange, or Retirement.* Upon the sale, exchange, or retirement of a Note, a U.S. Holder will recognise taxable gain or loss equal to the difference, if any, between the amount realised on the sale, exchange, or retirement and the U.S. Holder's adjusted tax basis in such Note. A U.S. Holder's adjusted tax basis in a Note will generally equal the cost of such Note to the holder increased by any original issue discount theretofore included in income. Such gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if the Note has been held for more than one year at the time of such sale, exchange, or retirement. Any gain realised on a sale or other disposition of a Note, other than amounts attributable to stated interest, generally will be treated as U.S. source income for U.S. foreign tax credit purposes.

*Effect of Withholding Taxes (if any).* If any withholding taxes are imposed by a taxing authority upon payments of interest on a Note, a U.S. Holder will be required to include in gross income any such

---

withholding taxes and any withholding taxes imposed with respect to any additional amounts payable by the Issuer with respect thereto as interest income. Such treatment will be required regardless of whether, as will generally be true, the Issuer is required to pay additional amounts so that the amount of withholding taxes does not reduce the net amount actually received by the holder of the Note.

Subject to certain limitations, a U.S. Holder may be entitled to a credit against its U.S. federal income tax liability, or a deduction in computing its U.S. federal taxable income, for withholding taxes withheld by the Issuer (which, as described above, would include the amount of any additional amounts paid by the Issuer with respect to such withholding taxes).

Potential purchasers of Notes should carefully consider the U.S. federal tax consequences of payments by the Issuer of withholding or other taxes and of additional amounts.

*U.S. Back-up Withholding and Information Reporting.* U.S. back-up withholding tax and information reporting requirements apply to certain payments of principal of, and interest on, an obligation and to proceeds of the sale or redemption of an obligation to certain noncorporate U.S. Holders. The paying agent will be required to withhold from any such payment on a Note to a U.S. Holder (other than an “exempt recipient”) if such holder fails to furnish his correct taxpayer identification number or otherwise fails to comply with such back-up withholding requirements. Back-up withholding is not a separate tax and any amounts withheld may be credited against a U.S. Holder’s federal tax liability.

## BOOK-ENTRY CLEARANCE PROCEDURES

---

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Cedel Bank (together, the "Clearing Systems") currently in effect. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuers, the Trustee or any agent party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

### **Global Notes**

Each Tranche of Notes offered and sold outside the United States in reliance on Regulation S will be represented by interests in a Reg. S Global Note which will be deposited with and registered in the name of a nominee for a common depositary for Euroclear and/or Cedel Bank for the account of its participants. A beneficial interest in a Reg. S Global Note may at all times be held only through Euroclear and Cedel Bank.

Each Tranche of Notes offered and sold in reliance on Rule 144A will be represented by interests in a Restricted Global Note which will be deposited with a custodian for, and registered in the name of a nominee for, DTC. The Restricted Global Note will be subject to certain restrictions on transfer contained in a legend appearing on the face of such Note set forth under "Delivery of the Notes; Registration of Transfers—Transfer Restrictions".

Each Reg. S Global Note will have an ISIN number and each Restricted Global Note will have a CUSIP number.

### **Transfer within and between DTC, Cedel Bank and Euroclear**

On or prior to the 40th day after completion of the distribution of each Tranche of Notes, a beneficial interest in the Reg. S Global Note may be transferred to a person who wishes to take delivery of such beneficial interest through the Restricted Global Note only upon receipt by the Registrar of a written certification from the transferor (in the applicable form provided in the Agency Agreement) to the effect that such transfer is being made to a person whom the transferor reasonably believes is a qualified institutional buyer within the meaning of Rule 144A, in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction. After such 40th day, such certification requirements will no longer apply to such transfers, but such transfers will continue to be subject to the transfer restrictions contained in the legend appearing on the face of such Reg. S Global Note, as set out under "Book-Entry Clearance Procedures; Registration of Transfers – Transfer Restrictions".

A beneficial interest in a Restricted Global Note may be transferred to a person who wishes to take delivery of such beneficial interest through a Reg. S Global Note, whether before, on or after such 40th day, only upon receipt by the Registrar of a written certification from the transferor (in the applicable form provided in the Agency Agreement) to the effect that such transfer is being made in accordance with Regulation S or Rule 144A under the Securities Act (if available).

Any beneficial interest in either a Restricted Global Note or a Reg. S Global Note that is transferred to a person who takes delivery in the form of a beneficial interest in another Global Note will, upon transfer, cease to be a beneficial interest in such Registered Global Note and become a beneficial interest in that other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to a beneficial interest in such other Registered Global Note for as long as it remains such an interest.

So long as DTC or its nominee or Euroclear, Cedel Bank or the nominee of their common depositary is the registered holder of a Registered Global Note, DTC, Euroclear, Cedel Bank or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for the sole purpose of making payments in respect of the Notes (provided that the applicable tax treatment and procedures will be determined as if the person who is shown in the records of DTC, Euroclear or Cedel Bank, as the case may be, as the holder of a particular nominal amount of such Notes were the registered holder itself). Payments of principal, interest and additional amounts, if any, pursuant to

---

Condition 8, in respect of a Registered Global Note will be made to DTC, Euroclear, Cedel Bank or such nominee, as the case may be, as the registered holder thereof. None of the Issuers, any Agent or any Dealer or any affiliate of any of the above or any person by whom any of the above is controlled for the purposes of the Securities Act will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

### **Note Certificates**

Registration of title to Notes initially represented by a Restricted Global Note in a name other than DTC or a successor depositary or one of their respective nominees will not be permitted unless such depositary notifies the relevant Issuer that it is no longer willing or able to discharge properly its responsibilities as depositary with respect to the Restricted Global Note or ceases to be a "clearing agency" registered under the Exchange Act or is at any time no longer eligible to act as such, and the Issuer of such Notes is unable to locate a qualified successor within 90 days of receiving notice of such ineligibility on the part of such depositary.

Registration of title to Notes initially represented by a Reg. S Global Note in a name other than the nominee of the common depositary for Euroclear and Cedel Bank will not be permitted unless Euroclear or Cedel Bank is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business and does in fact do so and no alternative clearance system acceptable to the Trustee is available.

In such circumstances, the relevant Issuer will, at the cost of the Issuer, cause sufficient Note certificates to be executed and delivered to the Registrar for completion and dispatch to the relevant Noteholders. A person having an interest in a Registered Global Note must provide the Registrar with:

- (i) a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Note certificates; and
- (ii) in the case of the Restricted Global Note only, a fully completed, signed certification substantially to the effect that the exchanging holder is not transferring its interest at the time of such exchange or, in the case of simultaneous sale pursuant to Rule 144A, a certification that the transfer is being made in compliance with the provisions of Rule 144A. Note certificates issued in exchange for a beneficial interest in the Restricted Global Note shall bear the legends applicable to transfers pursuant to Rule 144A (as set out under "Book-Entry Clearance Procedures; Registration of Transfers – Transfer Restrictions").

The holder of a Registered Note may transfer such Registered Note in accordance with the provisions of Condition 11 of the Terms and Conditions of the Notes.

The holder of a Note certificate may transfer the Registered Note represented thereby by surrendering it at the specified office of the Registrar or any Transfer Agent, together with the completed form of transfer thereon. Upon the transfer, exchange or replacement of a Note certificate issued in exchange for a Restricted Global Note ("144A Note Certificates") bearing the legend referred to under "Book-Entry Clearance Procedures; Registration of Transfers—Transfer Restrictions", or upon specific request for removal of the legend on a 144A Note Certificate, the Issuer will deliver only 144A Note Certificates that bear such legend, or will refuse to remove such legend, as the case may be, unless there is delivered to the Issuer and the Registrar such satisfactory evidence, which may include an opinion of counsel, as may reasonably be required by the Issuer, that neither the legend nor the restriction on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

The Registrar will not register the transfer of or exchange of interests in a Registered Global Note for Note certificates for a period 15 calendar days preceding the due date for any payment of principal or interest in respect of the Notes.

With respect to the registration of transfer of any 144A Note Certificate, the Registrar will register the transfer of any such 144A Note Certificate if the transferor, in the form of Transfer on such 144A Note Certificate has certified to the effect that such transfer is (i) to persons whom the transferor reasonably believes

---

is a qualified institutional buyer within the meaning of Rule 144A, in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, (ii) in accordance with Regulation S, (iii) pursuant to Rule 144 under the Securities Act (if available) or (iv) to the Bank or its affiliates.

If only one of the Global Notes (an "Exchanged Global Note") becomes exchangeable for Note certificates in accordance with the above paragraphs, transfers of Notes may not take place between, on the one hand, persons holding Note certificates issued in exchange for beneficial interests in the Exchanged Global Note and, on the other hand, persons wishing to purchase beneficial interests in the other Global Note representing the same series of Notes of the relevant Tranche.

### **Euroclear, Cedel Bank and DTC**

Custodial and depositary links have been established with Euroclear and Cedel Bank and DTC to facilitate the initial issue of the Registered Notes and cross-market transfers of the Registered Notes associated with secondary market trading.

Euroclear and Cedel Bank each holds securities for participating organisations and facilitate the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of such participants. Euroclear and Cedel Bank provide to their respective participants, among other things, services for safekeeping, administration, clearance and settlement of internationally-traded securities and securities lending and borrowing. Euroclear and Cedel Bank participants are financial institutions throughout the world, including underwriters, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to Euroclear or Cedel Bank is also available to others, such as banks, brokers, dealers, and trust companies which clear through or maintain a custodial relationship with a Euroclear or Cedel Bank participant either directly or indirectly.

Distributions of principal and interest with respect to book-entry interests in the Registered Notes held through Euroclear or Cedel Bank will be credited, to the extent received by the Agent, to the cash accounts of Euroclear or Cedel Bank participants in accordance with the relevant system's rules and procedures.

DTC has informed the Issuers as follows: DTC is a limited-purpose trust company organised under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities for DTC participants and facilitates the clearance and settlement of securities transactions between DTC participants through electronic book-entry changes in accounts of DTC participants. DTC participants include securities brokers and dealers, banks, trust companies and clearing corporations and may include certain other organisations such as the Dealers. Indirect access to DTC is also available to others, such as banks, brokers, dealers and trust companies which clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly.

Holders of book-entry interests in the Registered Notes holding through DTC will receive, to the extent received by the Agent, all distributions of principal and interest with respect to book-entry interests in the Registered Notes from the Agent through DTC. Distributions in the United States will be subject to relevant U.S. tax laws and regulations.

The laws of some states of the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer interests in a Global Note to such persons may be limited. Because DTC, Euroclear and Cedel Bank can only act on behalf of participants, who in turn act on behalf of indirect participants, the ability of a person having an interest in a Global Note to pledge such interest to persons or entities which do not participate in the relevant clearing system, or otherwise take actions in respect of such interest, may be affected by the lack of a physical certificate in respect of such interest.

The aggregate holdings of book-entry interests in the Registered Notes in Euroclear, Cedel Bank and DTC will be reflected in the book-entry accounts of each institution. As necessary, the Registrar will adjust the amounts of Registered Notes on the Register for the accounts of (i) Euroclear and Cedel Bank and (ii) DTC to reflect the amounts of Notes held through Euroclear, Cedel Bank and DTC, respectively. Beneficial ownership in Registered Notes will be held through financial institutions as direct and indirect participants in

---

Euroclear, Cedel Bank and DTC. Euroclear, Cedel Bank or DTC, as the case may be, and every other intermediate holder in the chain to the beneficial owner of book-entry interests in the Registered Notes will be responsible for establishing and maintaining accounts for their participants and customers having interests in the book-entry interests in the Registered Notes.

The Registrar will be responsible for maintaining a record of the aggregate holdings of Registered Notes registered in the name of a nominee for the common depositary for Euroclear and Cedel Bank, a nominee for DTC and/or holders of Registered Notes represented by Note certificates.

The Agent will be responsible for ensuring that payments received by it from the relevant Issuer for holders of interests in the Notes holding through Euroclear and Cedel Bank are credited to Euroclear or Cedel Bank as the case may be, and the Agent will also be responsible for ensuring that payments received by the Registered Agent from the relevant Issuer for holders of interests in the Notes holding through DTC are credited to DTC.

The Issuer will not impose any fees in respect of the Registered Notes; however, holders of book-entry interests in the Registered Notes may incur fees normally payable in respect of the maintenance and operation of accounts in Euroclear, Cedel Bank or DTC.

Interests in the Reg. S Global Note and the Restricted Global Note will be in uncertificated book-entry form. Purchasers electing to hold book-entry interests in the Registered Notes through Euroclear and Cedel Bank accounts will follow the settlement procedures applicable to conventional eurobonds. Book-entry interests in the Reg. S Global Note will be credited to Euroclear participant securities clearance accounts on the business day following the closing date for the Relevant Notes against payment (value such closing date), and to Cedel Bank participant securities custody accounts on such closing date against payment in same day funds. DTC participants acting on behalf of purchases electing to hold book-entry interests in the Registered Notes through DTC will follow the delivery practices applicable to securities eligible for DTC's Same-Day Funds Settlement ("SDFS") system. DTC participant securities accounts will be credited with book-entry interests in the Registered Notes following confirmation of receipt of payment to the Issuer on the closing date for the Relevant Notes.

**Trading between Euroclear and/or Cedel Bank participants:** Secondary market sales of book-entry interests in Registered Notes held through Euroclear or Cedel Bank to purchasers of book-entry interests in Registered Notes through Euroclear or Cedel Bank will be conducted in accordance with the normal rules and operating procedures of Euroclear and Cedel Bank and will be settled using the procedures applicable to conventional eurobonds.

**Trading between DTC participants:** Secondary market sales of book-entry interests in the Registered Notes between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled using the procedures applicable to United States corporate debt obligations in DTC's SDFS system in same-day funds, if payment is effected in U.S. dollars, or free of payment, if payment is not effected in U.S. dollars. Where payment is not effected in U.S. dollars separate payment arrangements outside DTC are required to be made between the DTC participants.

**Trading between DTC seller and Euroclear/Cedel Bank purchaser:** When book-entry interests in Registered Notes are to be transferred from the account of a DTC participant holding a beneficial interest in a Restricted Global Note to the account of a Euroclear or Cedel Bank participant wishing to purchase a beneficial interest in Reg. S Global Note (subject to such certification procedures as provided in the Agency Agreement), the DTC participant will deliver the book-entry interests in the Registered Notes represented thereby free of payment by 3.00 p.m., New York time, on the settlement date to the Custodian's account at DTC together with instructions for delivery to the relevant Euroclear or Cedel Bank participant. Separate payment arrangements are required to be made between the DTC participant and the relevant Euroclear or Cedel Bank participant. On the settlement date, the Custodian will instruct the Registrar to (i) decrease the amount of Registered Notes registered in the name of the depositary for DTC and evidenced by the Restricted Global Note and (ii) increase the amount of Notes registered in the name of the nominee of the common depositary for Euroclear and Cedel Bank and evidenced by the Reg. S Global Note. Book-entry interests will be delivered free of payment to Euroclear or Cedel Bank, as the case may be, for credit to the relevant participant's account on the second business day following the settlement date.

**Trading between Euroclear/Cedel Bank seller and DTC purchaser:** When book-entry interests in the Registered Notes are to be transferred from the account of a Euroclear or Cedel Bank participant to

the account of a DTC participant wishing to purchase a beneficial interest in a Restricted Global Note (subject to such certification procedures as provided in the Agency Agreement), the Euroclear or Cedel Bank participant must send to Euroclear/Cedel Bank delivery free of payment instructions by 10.00 a.m., Brussels or Luxembourg time one business day prior to the settlement date. Euroclear or Cedel Bank, as the case may be, will in turn transmit appropriate instructions to the common depositary for Euroclear and Cedel Bank and the Registrar to arrange delivery to the DTC participant on the settlement date. Separate payment arrangements are required to be made between the DTC participant and the relevant Euroclear or Cedel Bank participant, as the case may be. On the settlement date, the common depositary for Euroclear and Cedel Bank will (a) transmit appropriate instructions to the Custodian who will in turn deliver such book-entry interests in the Notes free of payment to the relevant account of the DTC participant and (b) instruct the Registrar to (i) decrease the amount of Registered Notes registered in the name of the nominee of the common depositary for Euroclear and Cedel Bank and evidenced by the relevant Reg. S Global Note and (ii) increase the amount of Notes registered in the name of the depositary for DTC and evidenced by the Restricted Global Note.

Although the foregoing sets out the procedures of Euroclear, Cedel Bank and DTC in order to facilitate the transfers of interests in the Notes among participants of DTC, Cedel Bank and Euroclear, none of Euroclear, Cedel Bank or DTC is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuers, any Agent or any Manager or any affiliate of any of the above, or any person by whom any of the above is controlled for the purposes of the Securities Act, will have any responsibility for the performance by DTC, Euroclear and Cedel Bank or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.

The relevant Issuer may pay the Dealers commissions from time to time in connection with the sale of any Notes. The Dealers are entitled to be released and discharged from their obligations in relation to any agreement to issue and purchase Notes under the Programme Agreement in certain circumstances prior to payment to the relevant Issuer.

### (a) United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons unless the Notes are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available.

- (v) Each Registered Note (other than Reg. S Notes in definitive form) shall contain a legend in substantially the following form:

Neither this Note nor any interest or participation herein may be reoffered, sold, assigned, transferred, pledged, encumbered or otherwise disposed of in the absence of such registration or unless such transaction is exempt from, or not subject to, registration.

The holder of this Note by its acceptance hereof, on its own behalf and on behalf of any account for which it is purchasing this Note or any interest or participation herein, agrees to offer, sell or otherwise transfer such Note or any interest or participation herein only to, or for the account or benefit of, (A) the relevant Issuer or a Dealer (as defined in the offering circular for the Note), (B) a "Qualified Institutional Buyer" (as defined in Rule 144A under the Securities Act), (C) an "Accredited Investor" (as defined in Rule 501(a)(1), (2) or (3) under the Securities Act) who is an institution that, prior to such transfer, furnishes a written certification containing certain representations and agreements relating to the restrictions on transfer of this Note (the form of which letter can be obtained from the Registrar and the Transfer Agents), (D) outside the United

States in a transaction which meets the requirements of Rule 904 of Regulation S under the Securities Act, (E) pursuant to an effective registration statement under the Securities Act, or (F) pursuant to any other available exemption from the registration requirements of the Securities Act. Upon any transfer of this Note or any interest or participation herein pursuant to clauses [(C), (D) or (F), in the case of Legended Notes or clauses (B), (C) or (F) in the case of Reg. S Notes], the holder will be required to furnish to the relevant Issuer such certifications (which in the case of transfers pursuant to clauses [(C), (D) or (F), in the case of Legended Notes or clauses (B), (C) or (F) in the case of Reg. S Notes], can be obtained from the Registrar and the Transfer Agents), legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The holder will also be required to deliver to the transferee of this Note or any interest or participation therein a notice substantially to the effect of this legend. Any resale or other transfer or attempted resale or other transfer of this Note made other than in compliance with the foregoing restriction shall not be recognised by the Issuer, the Registrar or any other agent of the Issuer."

In the case of Reg. S Global Notes only the following paragraph shall appear in the legend:

"The restrictions in the preceding paragraph shall only apply during the period which ends 40 days after completion of distribution of the Notes as certified by the relevant Dealer or Dealers, in the case of a non-syndicated issue, or as certified by the relevant Lead Manager, in the case of a syndicated issue."

In the case of a Registered Global Note registered in the name of Cede & Co. as nominee (or another nominee) of The Depository Trust Company, the following paragraph shall also appear in the legend:

"Unless this Global Note is presented by an authorised representative of The Depository Trust Company, a New York corporation ("DTC"), to the relevant Issuer or its agent for registration of transfer, exchange or payment, and any registered Note issued is registered in the name of Cede & Co. or in such other name as is required by an authorised representative of DTC (and any payment is made to Cede & Co. or to such other entity as is required by any authorised representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful in as much as the registered owner hereof, Cede & Co., has an interest herein."

The legend endorsed on each Reg. S Global Note shall cease to apply after expiry of the Restricted Period applicable thereto.

By its purchase of any Notes, each investor in the United States shall be deemed to have agreed to the restrictions contained in any legend endorsed on the Note purchased by it (to the extent still applicable and each such purchaser shall be deemed to have represented to the Issuer, the seller and the Dealer, if applicable that it is either (i) a QIB or (ii) an Institutional Accredited Investor that is acquiring the Notes for its own account for investment and not with a view to the distribution thereof. Each investor (other than an investor in Reg. S Notes following expiry of the applicable Restricted Period), by its purchase of any Notes, also agrees to deliver to the transferee of any Note a notice substantially to the effect of the above legend.

To the extent that any Issuer is not subject to or does not comply with the reporting requirements of Section 13 or 15(d) of the Exchange Act or the information furnishing requirements of Rule 12g3-2(b) thereunder, such Issuer has agreed to furnish to Holders of the Notes and to prospective purchasers designated by such Holders, upon request thereby, such information as may be required by Rule 144A.

Each prospective investor is hereby offered the opportunity to ask questions of, and receive answers from, the Issuer and the Dealers concerning the terms and conditions of the offering.

Any purchaser of Notes must have sufficient knowledge and experience in business matters to be capable of evaluating the merits and risks of investing in and holding Notes and be able to bear

the economic risk of the investment for an indefinite period of time because the Notes have not been registered under the Securities Act. There is no undertaking to register the Notes thereafter, and they cannot be sold unless they are subsequently registered or an exemption from such registration requirement is available. There can be no assurance that the Notes will be sold or that there will be a secondary market for the Notes.

Pursuant to the Dealer Agreement, the Issuer has agreed to indemnify the Dealers against, or to contribute to losses arising out of, certain liabilities, including liabilities under certain securities laws.

Bearer Notes, which may be issued pursuant to a Pricing Supplement, are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to agree that it will not offer or sell any Notes of any Tranche (i) as part of their distribution at any time or (ii) otherwise until expiry of the Restricted Period applicable to such Tranche issued prior to such determination, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the restricted period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States to, or for the account or benefit of, U.S. persons.

In addition, until expiry of the relevant Restricted Period, an offer or sale of Notes within the United States by a Dealer, including a dealer that is not participating in the offering, may violate the registration requirements of the Securities Act.

Each issuance of Dual Currency or Indexed Notes will be subject to such additional U.S. selling restrictions as the Issuer and the relevant Dealer(s) may agree, as indicated in the applicable Pricing Supplement. Each Dealer has agreed and, if different, the relevant dealer in respect of each such issue will be required to agree that it will offer, sell and deliver such Notes only in compliance with such additional U.S. selling restrictions.

**(e) Belgium**

The issue, offer and sale of the Notes have not been notified to the *Commission bancaire et financière* under Article 26 of the Royal Decree N° 185 of 9th July, 1935 or (in the case of the Notes of any Issuer established outside the EC) to the Minister of Finance under Article 4 of the Act of 4th December, 1990 (or any equivalent legal provisions by which such Articles may be replaced or completed), and no application has been made for the listing of all or part of the Notes on a Belgian Securities Exchange.

Accordingly, each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that the Notes may not be offered or sold, and that the issue, offer or sale of the Notes may not be advertised, in any manner or circumstances which would entail or constitute a public offer of the Notes within the meaning of the above-mentioned or equivalent provisions.
