NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. General information

Mantle & Llay Limited ("the Company") is a limited company incorporated and domiciled in the United Kingdom. The address of its registered office and principal place of business is disclosed in the Company Information.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS102), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The Company's financial statements are presented in Sterling, which is also the Company's functional currency, and all values are rounded to the nearest pound (£).

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have, unless otherwise stated, been consistently applied to all periods presented.

The Company is part of the HeidelbergCement AG group and is included in the consolidated financial statements of HeidelbergCement AG. The Company therefore qualifies for the reduced disclosures for subsidiaries under FRS 102 including the exemption to present a cash flow statement. The Company is also exempt under Section 33.1A of FRS 102 from disclosing related party transactions with wholly owned subsidiaries of the HeidelbergCement AG group.

2.2 Going concern

The financial statements have been prepared on a going concern basis as an indirect parent undertaking has stated that, subject to unforeseen circumstances, it intends to provide financial support to enable the Company to meet its liabilities as and when they fall due and the Directors reasonably believe the indirect parent undertaking would be in a position to provide this support.

The impact of COVID-19 on global economic development is currently unpredictable, however HeidelbergCement AG has adopted COPE ('Covid-19 Contingency Plan Execution'), which is focussed on cost savings and has significant liquidity headroom as a result of actions already taken during its refinancing strategy. The Directors, having assessed the responses of the management of HCAG to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the HCAG group to continue as a going concern.

On the basis of their assessment of the Company's financial position and relevant enquiries the Directors have a reasonable expectation that the Company will be able to continue in existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.
