Report of the Independent Auditors to Weldmet Limited pursuant to Section 247B of the Companies Act 1985.

We have examined the abbreviated financial statements set out on pages 2 to 5, together with the full financial statements of the company for the year ended 30th June 2003 prepared under section 226 of the Companies Act 1985.

Respective responsibilities of the director and auditors

The director is responsible for preparing the abbreviated financial statements in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act to the Registrar of Companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of audit opinion

We have carried out the procedures we considered necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered have been properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion, the company is entitled to deliver abbreviated financial statements prepared in accordance with sections 246(5) and (6) of the Companies Act 1985, and the abbreviated accounts on pages 2 to 4 have been properly prepared in accordance with those provisions.

Notes forming part of the financial statements for the year ended 30th June 2003

1. Accounting Policies

Accounting Convention

The financial statements have been prepared under the historical cost convention and are in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Turnover

Turnover represents invoiced sales less credit notes, excluding value added tax.

Depreciation of Tangible Fixed Assets

Depreciation is provided to write off the cost less estimated residual values of all fixed assets over their expected useful lives. It is calculated on the original cost of the assets at the following rates:

Leasehold land and buildings Fixtures, fittings & equipment Motor vehicles Over five years 20%-25% per annum 25% per annum

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost is based on the cost of purchase on an average basis. Net realisable value is based on estimated selling price less further costs to completion and disposal.

Hire Purchase and Leasing Commitments

Where assets are financed by hire purchase or leasing agreements that give rights approximating to ownership ("finance leases"), the assets are treated as if they had been purchased outright. The assets are capitalised and the obligation to the finance provider is treated as a creditor. Depreciation on the relevant assets is charged to the profit and loss account.

Payments to the finance provider are analysed between capital and interest using the straight-line method. The interest is charged to the profit and loss account. The capital part reduces the amounts payable to the finance provider. All other leases are treated as "operating leases". Their annual rentals are charged to the profit and loss account on a straight-line basis over the term of the lease.

Pension costs

The company operates a defined contribution pension scheme. The assets are held separately from those of the company in an independently administered fund. Contributions paid by the company are charged to the profit and loss account in the year in which they become payable.
