COMPANIES HOUSE

Directors' report

The directors have pleasure in submitting their annual report, together with the audited financial statements for the year ended 30 June 2013

Activities

The company is an investment company and is involved in the financing of the Diageo group. The results of the company and the development of its business are, therefore, influenced to a considerable extent by group financing requirements. The company's operations are based in the United Kingdom.

Going concern

The directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Diageo group to continue as a going concern. On the basis of their assessment, the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future as a fellow group undertaking has agreed to provide financial support for the foreseeable future.

Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Financial

The results for the year ended 30 June 2013 are shown on page 5.

The loss for the year transferred from reserves is £1 (2012 - £nil).

No dividend was paid during the year (2012 - £nil).

Directors

The directors who held office during the year were as follows:

G Geiszl
D Heginbottom
J J Nicholls
M Pais
P D Tunnacliffe

On 1 October 2013, G Geiszl resigned as a director of the company.

Directors' remuneration

None of the directors received any remuneration during the year in respect of their services as directors of the company (2012 - £nil).

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor, KPMG Audit Plc, is deemed to be reappointed and will continue in office.

Directors' report (continued)

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware, and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of Diageo CL1 Limited

We have audited the financial statements of Diageo CL1 Limited for the year ended 30 June 2013 set out on pages 5 to 10. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the statement of directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2013 and of its loss for the year then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Accounting policies

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the company's financial statements

Basis of preparation

The financial statements are prepared on a going concern basis under the historical cost convention and in accordance with applicable UK accounting standards

The company is a wholly owned subsidiary of Diageo plc and is included in the consolidated financial statements of Diageo plc which are publicly available. Consequently the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard No 1 (Revised 1996)

The company is exempt under the terms of Financial Reporting Standard No 8 from disclosing related party transactions (but not balances) with entities that are wholly owned by a member of the Diageo plc group ("group undertakings")

The company is exempt from the requirement to prepare consolidated accounts under section 400 of the Companies Act 2006 as its results are included in the published consolidated financial statements of Diageo plc. These financial statements present information about the company as an individual undertaking and not about its group

Going concern

The financial statements have been prepared on a going concern basis as a fellow group undertaking has agreed to provide financial support for the foreseeable future. The only liabilities at the balance sheet date are in respect of balances due to fellow group undertakings

Fixed asset investments

Income from fixed asset investments is credited to the profit and loss account when it is approved by the paying company. Investments are stated individually at cost less provision for impairment in value where such impairment is expected by the directors to be permanent

Taxation

Current tax, including UK corporation tax and overseas tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted at the balance sheet date. Except as otherwise required by FRS 19, deferred tax is provided in full on timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax, or a right to pay less tax, in the future. Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date. Any interest or penalties on tax liabilities are provided in the tax charge

Notes to the financial statements

1. Operating loss

The auditor's remuneration was paid on behalf of the company by a fellow group undertaking. Fees in respect of services provided by the auditors were: statutory audit £4,500 (2012 - £4,500)

2. Staff costs

The company did not employ any staff during either the current or prior year.
