## Directors' report

The directors present their report and the audited financial statements for the year ended 30 September 2007

#### Principal activity

The principal activity of the company is waste treatment and disposal

#### **Business review**

The company trades as Castle Environmental

2006/7 was a positive year, building upon the success of 2005/6 Pricing in the sector remained competitive, although the company again managed to improve performance at the operating profit level, whilst maintaining tight control of overheads The company is investing material capital spend in core assets thus ensuring that the Stoke operation continues to improve its competitiveness

The Directors are pleased to report that Castle Oils Limited was issued with a PPC licence during the year

In line with the market opportunities presented by the EU landfill directive, the company is taking forward some exciting development projects

The Directors remain of the opinion that the company is well positioned to profit from its market position and available assets

#### Dividends and transfers to reserves

The results for the year are shown in the profit and loss account on page 5

Dividends of £2,400,000 (2006 £nil) were paid during the year

#### Market value of land and buildings

In the opinion of the directors there is no significant difference between the present market value of the company's properties and the amounts at which they are stated in the financial statements

#### Directors

The directors who held office during the year and to the date of this report were as follows

MR Hewitt

PK Meister

AM Elliott

DJ Tustin

#### Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

#### Auditors

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG LLP as auditors of the company is to be proposed at the forthcoming Annual General Meeting

By order of the board

PK Meister

Secretary

Dated 18 December 2007

# Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- · make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## Report of the independent auditors to the members of Castle Oils Limited

We have audited the financial statements of Castle Oils Limited for the year ended 30 September 2007 which comprise the profit and loss account, the balance sheet and the related notes. These financial statements have been prepared under the accounting policies set out therein

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

#### Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) are set out in the statement of directors' responsibilities on page 3

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the directors' report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it

#### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

#### In our opinion

- the financial statements give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the company's affairs as at 30 September 2007 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- the information given in the directors' report is consistent with the financial statements

Director

#### **Notes**

(forming part of the financial statements)

## 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements, except as noted below

#### Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

#### Depreciation

Depreciation of fixed assets is calculated to write off their cost less any residual value over the estimated useful lives as follows

Freehold buildings

- 2-6% on cost

Plant and machinery

- 25% on net book value

Fixtures and fittings

- 25% on net book value

Motor vehicles

- 25% to 35% on net book value

#### Licences

Costs incurred in the acquisition of site operating licences are capitalised as intangible assets and are amortised on a straight line basis over five years

## Leases and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a constant charge on the outstanding liability.

Operating lease rentals are charged to the profit and loss account on a straight line basis over the term of the lease

#### **Taxation**

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by Financial Reporting Standard 19

#### Stocks

Stocks are stated at the lower of cost and net realisable value In determining the cost of raw materials, consumables and goods purchased for resale, purchase price is used

#### Cash flow statement

Under Financial Reporting Standard 1, the company is exempt from the requirement to prepare a cash flow statement on the grounds that the ultimate parent undertaking includes the cash flows of the company in its consolidated cash flow statement

## 1 Accounting policies (continued)

#### Classification of financial instruments issued by the company

Under FRS 25, financial instruments issued by the company are treated as equity (i.e. forming part of shareholders' funds) only to the extent that they meet the following two conditions

- a) they include no contractual obligations upon the company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company, and
- b) where the instrument will or may be settled in the company's own equity instruments, it is either a nonderivative that includes no obligation to deliver a variable number of the company's own equity instruments or is a derivative that will be settled by the company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the company's own shares, the amounts presented in these financial statements for called up share capital and share premium account exclude amounts in relation to those shares

Finance payments associated with financial liabilities are dealt with as part of interest payable and similar charges Finance payments associated with financial instruments that are classified as part of shareholders' funds (see dividends policy), are dealt with as appropriations in the reconciliation of movements in shareholders' funds

#### Dividends on shares presented within shareholders' funds

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements

#### 2 Turnover

Turnover represents the amount derived from the provision of goods and services which fall within the company's ordinary activities, entirely within the United Kingdom, stated net of value added tax

#### 3 Operating profit

		2007	2006
		£	£
Operating profit is stated after (	crediting)/charging		
Depreciation of tangible fixed as	ssets - owned assets	45,377	44,974
