- (p) **Landlord:** it will notify the landlord of any leasehold property forming part of the Charged Assets of the existence of this security forthwith upon this security attaching to such leasehold property;
- (q) **Accession:** it will procure that, if any company that is not at the date of this Deed a member of a Chargor's Group, or which does not carry on business subsequently becomes a member of that Chargor's Group or begins to carry on a business, a duly executed Supplemental Deed is entered into forthwith after such company becomes a member of its Group or begins to carry on a business; and
- (r) **Moratorium:** it will notify IGF in writing, forthwith upon taking any steps with a view to resolving to initiate a moratorium in respect of itself pursuant to the provisions of the Insolvency Act 2000.
- (s) **Land Registry:** The Original Chargors and IGF hereby agree that following completion of this Deed a restriction will be registered at the Land Registry on the titles referred to in Schedule 2 of this Deed in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without the written consent signed by the proprietor for the time being of the charge dated [] in favour of IGF Business Credit Limited as referred to in the Charges Register".

5.2 Debts and Remittances

Each Chargor agrees that, whilst this security exists:

- (a) **Getting in Other Debts:** until other directions are given by IGF in writing it will:
 - (i) only deal with its Other Debts by way of getting in and realising the same in the ordinary course of its business;
 - (ii) give written instructions to debtors to pay Remittances in respect of its Other Debts to such bank account, address or person as IGF may specify;
 - (iii) only deal with the monies in such bank account in accordance with the written directions from time to time given by IGF which may include a direction to the Chargor to give written instructions to its bankers that all such monies will be forthwith paid into any other bank account as IGF may specify;
 - (iv) not otherwise, except as permitted by IGF, withdraw any credit balance from, or otherwise deal with, any of its bank accounts;
- (b) **Disposals:** it will not sell, discount, factor, create any Encumbrance over, dispose of or, except in accordance with this Deed, otherwise deal with its Other Debts or the related Remittances;
- (c) **Non-Vesting Debts:** if it is a Client, it will not deal with, negotiate or pay Remittances in respect of its Non-Vesting Debts and their Related Rights into any account other than as specified in the Facilities Agreement in relation to Debts and will otherwise deal with such Non-Vesting Debts and their Related Rights as if they were Debts that had vested absolutely and effectively in IGF under the Facilities Agreement.

5.3 Securities

Each Chargor agrees that, whilst this security exists:

- (a) **Payment of monies:** all Securities will at all times be fully paid but without prejudice to such assurance it will duly and promptly pay all monies which become due in respect of any of the Securities and indemnify IGF in respect of any liability it may incur in respect of the Securities;
- (b) **Deposits:** forthwith upon the execution of this Deed, unless agreed otherwise in writing by IGF, it will deposit with IGF all certificates or documents of title in respect of the Securities;
- (c) **Delivery:** unless IGF agrees otherwise in writing, it will ensure the delivery or payment to IGF of all Securities or the certificates or other documents of title to or representing the same;

- (d) **Registration:** IGF will at any time be entitled to have any of the Securities or other moneys or property referred to in Clauses 5.3(b) and/or 5.3(c) registered either in its name or in the name of nominees selected by it;
- (e) **Nominations:** it shall:
 - (i) not exercise any rights (including, without limitation, any rights under sections 145 and 146 of the Companies Act 2006) to nominate any person in respect of any of the Securities; and
 - (ii) terminate with immediate effect all nominations it may have made (including, without limitation, any nomination made under section 145 or section 146 of the Companies Act 2006) in respect of any Securities and, pending that termination, procure that any person so nominated:
 - (A) does not exercise any rights in respect of any Securities without the prior written approval of IGF; and
 - (B) immediately on receipt by it, forward to IGF all communications or other information received by it in respect of any Securities for which it has been so nominated.
- (f) **Pre-emption rights and restrictions on transfer:** it shall:
 - (i) obtain all consents, waivers, approvals and permissions that are necessary, under the articles of association (or otherwise) of an issuer of any Securities, for the transfer of the Securities to IGF or its nominee, or to a purchaser on enforcement of the security constituted by this deed; and
 - (ii) procure the amendment of the share transfer provisions (including, but not limited to, deletion of any pre-emption provisions) under the articles of association, other constitutional document or otherwise of each issuer of the Securities in any manner that IGF may require in order to permit the transfer of the Securities to IGF or its nominee, or to a purchaser on enforcement of the security constituted by this deed.

5.4 Real Property and Plant and Machinery

Each Chargor agrees that, whilst this security exists (and provided that, in relation to any Real Property, no Legal Charge is in force in relation to that Real Property, in which circumstances the provisions of that Legal Charge shall take effect in place of this clause 5.4):

- (a) **Maintenance:** it will keep all its Real Property in good and substantial repair and will allow IGF free access, at all reasonable times and on reasonable notice, to view the state and condition of any such Real Property and of any fixed Plant and Machinery from time to time thereon, but without IGF becoming liable to account as a mortgagee in possession;
- (b) **Plant and Machinery:** it will keep all its Plant and Machinery in good and substantial repair and in good working order and condition, normal wear and tear excepted, and will immediately upon request by IGF affix nameplates or other identifying symbols or numbers indicating IGF's interest on its Plant and Machinery and it will not, without IGF's prior written consent, alter or remove any identifying symbol or number on the Plant and Machinery;

- (c) **Covenants:** it will observe and perform all the lessee's covenants in any lease under which any of the Charged Assets may be held and will take no action which is likely to lead to such lease being surrendered or forfeited;
- (d) **Repairs:** it will, at its own expense, allow IGF to carry out repairs or take any action which IGF will reasonably consider necessary should such Chargor fail to observe or perform any of its obligations as a lessee;
- (e) **Leasing:** it will not exercise the powers of leasing or accepting surrenders of leases conferred as a mortgagee in possession by sections 99 and 100 of the Law of Property Act 1925, or any other powers of leasing or accepting surrenders of leases, without the prior written consent of IGF;
- (f) **No alterations:** it will procure that no structural alteration or addition is made to any of its Real Property (disregarding, for these purposes, any internal fit out and other non-structural works) and it will not do or allow anything to be done on its Real Property which will be treated as a development or a change of use within the meaning of the Planning Acts unless the prior written consent of IGF has been obtained; **Planning:** it will not infringe the Planning Acts in any way which prejudices IGF's security over the Charged Assets;
- (g) **Deposits:** it will deposit with IGF all deeds and documents relating to its Real Property and the Insurances relating to the same, (subject only to the requirements of any prior Encumbrance agreed by IGF or of its landlord);
- (h) **Environmental Licences:** it will have the benefit of, maintain and comply with all Environmental Licences (if any) needed for its use or occupation of its Charged Assets or for the conduct of any business it is engaged in from time to time where failure to do so would be materially adverse to the business of the Original Chargors' Group (taken as a whole);
- (i) **Environmental Laws:** it will comply with all applicable Environmental Laws and will not do or permit to be done any act or omission whereby its Environmental Licences (if any) could be varied or revoked or which could result in any liability being imposed on IGF under any applicable Environmental Law where failure to do so would be materially adverse to the business of the Original Chargors' Group (taken as a whole);
- (j) **Ongoing obligations:** it will ensure that at all times there is no discharge, spillage, release or emission of any prescribed, dangerous, noxious or offensive substance or any controlled waste on, into or from any of its Charged Assets or any premises adjoining any part of them and no such substances or any controlled waste have been stored or disposed of on or in any part of its Charged Assets or, so far as it is aware, in any adjoining premises except in accordance with the requirements of the applicable Environmental Laws and/or Environmental Licences.

5.5 Insurances

Each Chargor agrees that, whilst this security exists:

- (a) **Insuring:** it will comply with the obligations in any Legal Charge as regards the insurance of the Real Property mortgaged by any such Legal Charge and, in relation to any Charged Assets which are not the subject of a Legal Charge, insure and keep

insured those parts of the Charged Assets as are of an insurable nature against loss or damage by fire and all other risks usually insured against and such other risks (which may include insurance against acts of terrorism) that IGF shall reasonably require to their full replacement value with insurers approved by IGF and will comply with all policy terms in respect thereof. If it holds property as a tenant or lessee and shall be required by the landlord either to insure or to reimburse the Chargor's landlord for any insurance premium paid by him then the Chargor will be treated as having complied with its insuring obligation under this Deed if it duly and promptly complies with those requirements. However this shall not affect the right of IGF to require the Chargor to produce satisfactory evidence that it has complied with the landlord's requirements

- (b) **IGF's interest:** it will ensure that all its Insurances (to the extent they relate to Eligible P&M and/or, Eligible Inventory only) are endorsed with notice of the interest of IGF in them (or, if required by IGF, with IGF named as a joint insured party though without IGF being liable for payment of premiums or for carrying out any other obligations under the relevant Insurance) and will produce to IGF the receipts for each current premium within fifteen days of its becoming due failing which IGF may effect or renew any such insurance as IGF shall think fit at the Chargor's expense;
- (c) **Dealing with proceeds:** it will ensure that each Insurance (to the extent it relates to Eligible P&M and/or, Eligible Inventory only) contains a provision under which the proceeds of that Insurance are payable to IGF. Without prejudice to this, if any monies are received by a Chargor under any such Insurance in respect of any of the Charged Assets such monies shall be treated as part of the Charged Assets subject only to any rights of third parties having priority and to the requirements of any lease of the Charged Assets and shall be paid forthwith to IGF. Pending payment to IGF, the Chargor shall hold such proceeds on trust for IGF. The proceeds of any such Insurance shall be applied at the discretion of IGF towards making good the loss or damage for which the monies became payable or, at the discretion of IGF after a Default has occurred and whilst it is continuing, in reducing the Secured Obligations as have fallen due for payment;
- (d) **Insurances:** it will punctually pay all premiums and other sums payable under or in relation to each of the Insurances (and, if requested by IGF, produce evidence of payment satisfactory to IGF) and not omit to do or permit anything to be done which may make void, voidable or unenforceable any of the Insurances and not alter the terms of any of the Insurances or allow any of the Insurances to lapse;
- (e) **Retention of Insurances:** it will, immediately upon receiving the same, deliver all original Insurances (to the extent they relate to Eligible Equipment, Eligible Inventory and/or Eligible Real Property) to IGF and thereafter permit IGF to hold and retain all Insurances; and

5.6 Representations and Warranties

Each Chargor represents and warrants in favour of IGF as follows (and these representations and warranties shall survive the execution of this Deed):

- (a) **Due execution:** that the execution of this Deed has been duly authorised by a resolution of its board of directors or by a duly authorised committee of such board (or if the Client is a limited liability partnership by a resolution of its members) and that it does not breach any provision of its memorandum and/or articles of association or of

any other Encumbrance, security or agreement entered into prior to the date of this Deed or the laws of any jurisdiction applying to it;

- (b) **Ownership:** that it is and will at all times be the sole beneficial owner with full title guarantee of all its Charged Assets and that no Encumbrances affect it other than those permitted by IGF;
- (c) **Validity:** that, subject to rules of law and equity of general application in relation to such documents, this Deed constitutes its legal, valid, binding and enforceable obligations and is an effective security over all and every part of its Charged Assets in accordance with its terms;
- (d) **Authorisations:** that all necessary authorisations and consents to enable or entitle it to enter into this Deed and create the Encumbrances hereby created or intended to be created have been obtained and these will remain in full force and effect during the existence of this security;
- (e) **Discharges:** that there has been no discharge, spillage, release or emission of any prescribed, dangerous, noxious or offensive substance or any controlled waste on, into or from any Real Property or any premises adjoining any part of them and no such substances or any controlled waste have been stored or disposed of on or in any Real Property or, so far as it is aware, in any adjoining premises except in accordance with the requirements of the applicable Environmental Laws and/or Environmental Licences; and
- (f) **Environmental compliance:** that it is not in breach of, and has not incurred or become subject to, any civil or criminal liability under any Environmental Laws or the terms of any Environmental Licence and that it has not done or omitted to do anything which could impose any liability on IGF under any applicable Environmental Law.
- (g) **Securities:**
 - (i) That it has complied with all notices relating to all or any of the Securities received by it pursuant to sections 790D and 790E of the Companies Act 2006; and
 - (ii) No warning notice has been issued under paragraph 1(2) of Schedule 1B of the Companies Act 2006, and no restrictions notice has been issued under paragraph 1(3) of Schedule 1B of the Companies Act 2006, in respect of all or any of the Securities.

6 FURTHER ASSURANCE AND POWER OF ATTORNEY

6.1 Further assurance

At IGF's request, each Chargor will, at its own expense, immediately sign, seal, execute, deliver and perfect all deeds, debentures and instruments including, without limitation, standard securities, assignments and any other documents needed in relation to assets in Scotland and any other jurisdiction and do all such other acts and things as IGF or any Administrator or Receiver (as the case may be) appointed under this Deed may require in order to perfect, protect or enforce this security in respect of that Chargor in accordance with its terms or to facilitate the realisation of any of the Charged Assets or to use the powers given to each of them in this Deed or to enforce the obligations of that Chargor and/or the

rights of IGF under this Deed and it will take such steps as IGF shall specify to make such registrations and give such notifications as IGF (acting reasonably) may consider appropriate (or which may be specified by applicable law) in relation to this Deed and each Chargor authorises IGF to effect the same if IGF so chooses.

6.2 Execution of documents/registration

Without prejudice to Clause 6.1 each Chargor will at the request of IGF and at that Chargor's own expense, execute a legal mortgage, charge or assignment of any part of the Charged Assets of that Chargor, subject to or intended to be subject to any fixed security under this Deed in such form as IGF (acting reasonably) may require. In every such case the Chargor will then take such other steps as IGF (acting reasonably) may require to perfect such legal mortgage, charge or assignment including, without limitation, using all reasonable endeavours to obtain the consent of any landlord or other person required for any legal mortgage.

6.3 Power of attorney

Each Chargor, by way of security and in order more fully to secure the performance of its obligations hereunder, irrevocably appoints IGF, any directors, officers or managers for the time being of IGF and any other person authorised by the directors of IGF and any Administrator or Receiver (as the case may be) appointed hereunder, jointly and each of them severally, to be the lawful attorneys of that Chargor for the purposes set out in this Clause 6. Such appointment gives each attorney the power in that Obligor's name and on its behalf to act and to carry out all acts and execute all the deeds, debentures, instruments and other documents required by Clauses 6.1 and 6.2 in the event of the relevant Chargor not having done so following the relevant request from IGF. Each attorney so appointed may appoint substitute attorneys to carry out all or any of such purposes. Each Chargor agrees to ratify and confirm any instrument, act or thing which any such attorney or substitute attorney may lawfully execute or do in the name or on behalf of that Chargor.

6.4 Power of attorney on Debts

Each Chargor which is a Client, by way of security and in order more fully to secure the performance of its obligations hereunder, irrevocably appoints IGF, any directors, officers or managers for the time being of IGF and any other person authorised by the directors of IGF and any Administrator or Receiver (as the case may be) appointed hereunder, jointly and each of them severally, to be the lawful attorneys of each such Chargor and on each such the Chargor's behalf to take any action which each such Chargor is obliged to take under the Facilities Agreement including:

- (a) execute or sign any deeds or documents (including assignments);
- (b) obtain payment of Debts;
- (c) complete, deal with, negotiate or endorse Remittances;
- (d) institute, conduct, compromise or defend any legal proceedings;
- (e) settle each such Chargor's indebtedness to IGF or to Debtors;
- (f) perform such other lawful acts, as IGF in its absolute discretion, may consider reasonably necessary or expedient.

7 CONSEQUENCES OF A TERMINATION EVENT

Following the occurrence of a Termination Event:

- (a) **Enforceability:** the security constituted by this Deed shall become enforceable; and/or
- (b) **Retentions:** IGF may retain any monies in any account referred to in Clause 5.2(a), for such period as IGF reasonably considers necessary to ensure any Chargor's compliance with the terms of this Deed; and/or
- (c) **Voting rights:** IGF may exercise in the name of any Chargor any voting rights attached to the Securities and all powers given to trustees by the Trustee Act in respect of securities, property subject to a trust and any powers or rights exercisable by the registered holder of any of the Securities or by the bearer of any of the Securities. IGF will not then need any consent or authority from any Chargor.

8 POWER OF POSSESSION AND SALE

At any time after this security has become enforceable, IGF and/or any Receiver or Administrator appointed under this Deed may, in their discretion, enter upon and take possession of the Charged Assets or any part of them. They may also, at their discretion, when exercising their powers given in this Deed, sell, call in, collect and convert into monies the Charged Assets or any part of them. By way of extension of these powers such sale, calling in and conversion may be done for such consideration in such form and upon such terms as to payment and otherwise as IGF or any Receiver or Administrator shall think fit.

9 APPOINTMENT OF RECEIVER OR ADMINISTRATOR AND THEIR POWERS

9.1 Appointment of a Receiver or an Administrator

The restrictions in Section 109 and Section 91(2) of the Law of Property Act 1925 (restricting, inter alia, the power to appoint a receiver, the maximum rate of a receiver's remuneration and the power to apply to court for an order for sale of mortgaged property) shall not apply to this Deed. At any time after:

- (a) this security becomes enforceable (whether as a consequence of a Termination Event occurring or otherwise);
- (b) a Chargor at any time so requests in writing; or
- (c) IGF becomes aware of the intention of any party to apply for an administration order to be made in relation to any Chargor or any such application is made,

IGF may, without further notice to any Chargor appoint any person to be a Receiver or an Administrator of such Chargor (as IGF may in its absolute discretion determine is appropriate) in respect of the Charged Assets of such Chargor. The appointment of a Receiver may extend to the whole or any part of such Charged Assets. IGF may, so far as the law permits, remove any Receiver. In case of the removal, retirement or death of any Receiver or (subject to the provisions of Schedule B1 to the Insolvency Act 1986) Administrator, IGF may appoint another in his place. At the time of his appointment (or at any time afterwards) IGF may fix the remuneration of a Receiver on such basis as IGF shall determine.

9.2 Joint and several obligations

IGF may appoint more than one person to act as a Receiver or an Administrator and where it does so those so appointed shall carry out their duties, exercise their rights, and be subject to their obligations jointly as well as severally. References in this Deed to a "Receiver" or an "Administrator" shall be to each and all of them as appropriate.

9.3 Writing

The appointment of a Receiver or an Administrator or the removal or fixing of the remuneration of a Receiver shall be made in writing and may be signed by any director or officer of IGF.

9.4 Appointment of Receiver or Administrator and their powers

- (a) **Appointment:** Any Receiver or Administrator shall be the agent of each Chargor to which such appointment relates. Each Chargor to which such appointment relates will, and IGF will not in any way, be responsible for the acts, omissions, losses, misconduct, defaults and remuneration of such Receiver or Administrator; and
- (b) **Powers of a Receiver:** A Receiver shall, without the need for the consent of any Chargor to which such appointment relates, have all of the powers described in this Clause, unless any such powers shall specifically be excluded by the written terms of his appointment. A Receiver may exercise these powers in such way, at such time and on such terms as he shall think fit, necessary or expedient and whether in his name or the name of the relevant Chargor and without being under any obligation to take or omit to take any action which any Chargor, but for the appointment of the Receiver, would or might have considered to be in that Chargor's interests. A receiver shall have the powers granted by the Law of Property Act 1925 to any receiver appointed under such Act and all the powers of an administrative receiver under Schedule 1 of the Insolvency Act 1986. A Receiver shall also have the power on behalf and at the cost of the relevant Chargor, and in the relevant Chargor's name or otherwise, to do or omit to do anything which the relevant Chargor could do or omit to do or could have done or omitted to do but for any incapacity or the appointment of a liquidator, Administrator or equivalent officer in relation to such Chargor or its Charged Assets.
- (c) **Powers of an Administrator:** An Administrator shall have all the powers conferred from time to time on Administrators by law or by statute.

9.5 IGF's powers

Whether or not a Receiver or an Administrator shall be appointed under this Deed, IGF may at any time after this security becomes enforceable, and without giving notice, exercise all or any of the powers, authorities and discretions conferred on a Receiver or an Administrator as set out above.

9.6 Right of appropriation

- (a) To the extent that:
 - (i) the Charged Assets constitute Financial Collateral; and

- (ii) this deed and the obligations of the Chargors under it constitute a Security Financial Collateral Arrangement,

IGF shall have the right, at any time after the security constituted by this Deed has become enforceable, to appropriate all or any of those Charged Assets in or towards the payment or discharge of the Secured Obligations in any order that IGF may, in its absolute discretion, determine.

- (b) The value of any Charged Assets appropriated in accordance with this clause shall be:

- (i) in the case of cash, the amount standing to the credit of each of the Chargors' accounts with any bank, financial institution or other person, together with all interest accrued but unposted, at the time the right of appropriation is exercised; and

- (ii) in the case of Securities, the price of those Securities at the time the right of appropriation is exercised as listed on any recognised market index or determined by any other method that IGF, acting reasonably, may select (including independent valuation by an internationally recognised firm of accountants which is regularly engaged in providing valuations of businesses or shares in private companies operating in the same sector as the company whose shares are to be valued).

- (c) Each Chargor agrees that the methods of valuation provided for in this clause are commercially reasonable for the purposes of the Financial Collateral Regulations.

10 VARIATIONS TO STATUTORY PROVISIONS

10.1 Law of Property Act

Section 103 of the Law of Property Act 1925 (restricting the power of sale) shall not apply to this Deed. However the power of sale and the other powers conferred on mortgagees by that Act shall apply to this security but without the Act's restrictions as to giving notice or otherwise. Accordingly, for the purposes of a sale or other exercise of any such powers, the whole of the Secured Obligations shall be treated as due and payable on the date hereof.

10.2 Non-consolidation

The restrictions on the right of consolidating mortgage securities, which are contained in Section 93 of the Law of Property Act 1925, shall not apply to this security.

10.3 Subsequent encumbrances

If IGF receives, or is treated as having received, notice of any subsequent Encumbrance affecting any of the Charged Assets then IGF may open a new account with the relevant Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was treated as having received, such notice. From that time all payments made by the relevant Chargor to IGF shall be credited, or be treated as having been credited, to the new account. These payments shall not operate to reduce the amount secured by this Deed when IGF received or was treated as having received such notice.

11 APPLICATION OF MONIES

11.1 Order of payment

All monies received by IGF or by an Administrator or Receiver (as the case may be) under or by virtue of this Deed shall be applied (so far as the law permits) in the following order:

- (a) **Costs and expenses:** in payment of all costs, charges and expenses of or incidental to the appointment of an Administrator or Receiver (as the case may be), the payment of his remuneration and the payment and discharge of any other Expenses incurred by or on behalf of the Administrator or Receiver (as the case may be);
- (b) **Preferential Debts:** in or towards payment of any debts or claims which are by statute payable in preference to the Secured Obligations but only to the extent to which those debts or claims have such preference;
- (c) **Payments to IGF:** in payment to IGF of the Secured Obligations due to IGF in such order as IGF in its absolute discretion thinks fit; and then
- (d) **Surplus:** in payment to the relevant Chargor of any surplus (which shall not carry interest) which may be paid into any of the relevant Chargor's bank accounts including an account opened specifically for such purpose. IGF shall then have no further liability for the surplus.

11.2 Appropriation

Following the enforcement of this security, any monies received by IGF may be appropriated by IGF in its discretion in or towards the payment and discharge of any part of the Secured Obligations.

11.3 Suspense accounts

IGF or the Administrator or Receiver (as the case may be) may credit any monies to a suspense account for so long and in such manner as IGF may from time to time determine. The Administrator or Receiver (as the case may be) or IGF may retain the same for such period as the Administrator or Receiver (as the case may be) and IGF consider expedient.

12 PROTECTION OF THIRD PARTIES

12.1 Third party payments

No person paying or handing over monies to an Administrator or Receiver (as the case may be) and obtaining a discharge shall have any responsibility or liability to confirm the correct application of such monies.

12.2 Third party dealings

No person dealing with IGF, or an Administrator or Receiver (as the case may be), need enquire:

- (a) **Powers exercisable:** whether any event has happened giving either IGF or the Administrator or Receiver (as the case may be) the right to exercise any of his powers;

- (b) **Propriety of acts:** as to the propriety or regularity of any act purporting or intending to be an exercise of such powers;
- (c) **Validity of appointment:** as to the validity or regularity of the appointment of any Administrator or Receiver (as the case may be) purporting to act or to have been appointed as such; or
- (d) **Satisfaction:** whether any of the Secured Obligations remain unsatisfied.

12.3 Statutory protection

All the protections given to purchasers contained under sections 104 and 107 of the Law of Property Act 1925 shall apply to any person purchasing from or dealing with an Administrator or Receiver (as the case may be) or IGF as if the Secured Obligations had become due and the statutory power of sale and appointment of the Administrator or Receiver (as the case may be) in relation to the Charged Assets had arisen, on the date of this Deed.

12.4 Express notice

No person dealing with IGF or any Administrator or Receiver (as the case may be) shall be affected by express notice that any act is unnecessary or improper.

13 CONTINUING AND ADDITIONAL SECURITY

13.1 Continuing security

This security is a continuing security for all the Secured Obligations notwithstanding any interim settlement of account until a final discharge of this security shall be given by IGF.

13.2 Non-merger

This security is in addition to, and shall not merge or otherwise prejudice or affect, any other right or remedy of IGF or any assignment, bill, note, guarantee, Encumbrance, or other security now or in future in favour of IGF or held by, or available to, IGF (whether created by the Obligors or any of them or any third party).

14 EXPENSES AND INDEMNITIES

14.1 Expenses and interest

All Expenses incurred and all payments made by IGF or any Administrator or Receiver (as the case may be) in the lawful exercise of the rights created by this Deed shall carry interest at the Default Rate. Interest under this Deed shall accrue (both before and after judgment) from the date the Expenses were incurred or the sum paid became payable, whichever shall be earlier, until the date the same are paid and discharged in full. IGF may compound unpaid interest with rests at such times as it may consider appropriate. The amount of all Expenses and payments referred to in this Clause 14.1 and any interest thereon shall be payable by the relevant Chargor on demand.

14.2 General indemnity

Each Chargor jointly and severally agrees to indemnify IGF (and its nominees) and any Administrator or Receiver (as the case may be) on demand against all losses, actions, claims, expenses, demands and liabilities now or in the future incurred by any of them or by any manager, agent, officer or employee for whose liability, act or omission any of them may be answerable for anything done or omitted in the exercise or purported exercise of the rights contained in this Deed or caused by any breach by a Chargor of any of its obligations under this Deed or in connection with the Charged Assets. IGF (and its nominees) and any Administrator or Receiver (as the case may be) shall also be entitled to be indemnified out of the Charged Assets in respect of all losses, actions, claims, expenses, demands and liabilities incurred by them in the execution, or purported execution, of any of the rights vested in them under this Deed.

14.3 Tax indemnity

Each Chargor jointly and severally agrees to indemnify IGF and any Administrator or Receiver (as the case may be) on demand against all present or future stamp or other taxes or duties and any penalties or interest with respect thereto which may be imposed by any competent authority in connection with the execution or enforcement of this Deed or in consequence of any payment made pursuant to this Deed being challenged or declared void for any reason whatsoever.

14.4 Currency indemnity

- (a) **Conversion:** For the purpose of, or pending, the discharge of any of the Secured Obligations IGF or an Administrator or Receiver (as the case may be) may convert any monies received, recovered or realised under this Deed (including the proceeds of any previous conversion) from their existing currency into such other currency as IGF or such Administrator or Receiver (as the case may be) may think fit. Any such conversion shall be effected at the then prevailing spot selling rate of exchange of IGF's bankers for such other currency against the existing currency.
- (b) **Shortfall indemnity:** Each Chargor jointly and severally agrees to indemnify IGF against any shortfall between:
 - (i) any amount received or recovered by IGF in respect of any of the Secured Obligations which is converted in accordance with Clause 14.4(a) into the currency in which such liability was payable; and
 - (ii) the amount payable to IGF under this Deed in the currency of such liability.

15 PAYMENTS, DISCHARGE AND SET-OFF

15.1 Payments without deduction

All payments to be made to IGF under this Deed shall be made free and clear of and (save as required by law) without deduction for or on account of any tax withholding, charges, set-off or counterclaim. All payments shall be made into such account(s) as IGF may from time to time specify for the purpose.

15.2 Set-off

Without prejudice to any right of set-off or combination of accounts contained in any Finance Document, IGF may at any time following the occurrence of a Termination Event without notice to any of the Charging Companies combine or consolidate all or any amounts standing to the credit of any Chargor's account or accounts with IGF and/or set off any amount owed by IGF to any Chargor against any obligation (whether or not matured) owed to IGF by that or any other Chargor whether or not each is expressed in the same currency.

15.3 Gross-up and tax receipts

If a Chargor is required by law to make a deduction or withholding from any payment made under this Deed, then the sum payable by that Chargor shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, IGF receives and retains (free from any liability related to such deduction or withholding) a net sum equal to the sum which it would have received and retained had no such deduction or withholding been made or required to be made. The relevant Chargor will pay the amount deducted or withheld to the relevant tax or other authorities within the time allowed for such payment under applicable law and will deliver to IGF within 30 days of making such payment an original receipt or other evidence issued by the relevant authority showing that payment has been made in full.

15.4 Discharge of security

Upon payment and complete discharge and performance of all the Secured Obligations under or in relation to this Deed, IGF shall, at the request and cost of a Chargor, duly discharge this security so far as it relates to that Chargor's Charged Assets and any further security given by that Chargor in accordance with the terms hereof. IGF will also, at the request and cost of a Chargor, transfer to that Chargor any of the Charged Assets of that Chargor which have been assigned or transferred to IGF. If any Charged Assets transferred or assigned to IGF were fungible, IGF may transfer to the relevant Chargor assets of the same class, denomination and quality rather than the identical Charged Assets transferred or assigned to it under this Deed.

15.5 Avoidance of payments

The right of IGF to payment of the monetary obligations comprised in the Secured Obligations or to enforce the terms of this Deed shall not be affected by any payment or any act or thing which is avoided or adjusted under the laws relating to bankruptcy or Insolvency or under Part VI of the Insolvency Act 1986. Any release, or discharge given or settlement made by IGF relying on any such payment, act or thing shall be void and of no effect.

16 SERVICE OF NOTICES AND PROCESS

16.1 Chargor's address for service

Unless otherwise provided in this Deed, any written notice from IGF to a Chargor and any proceedings issued by IGF requiring service on a Chargor may be given or served by delivering it at or posting it to:

- (a) the Chargor's address set out under its name at the end of this Deed or to such other address of that Chargor advised to and acknowledged by IGF as being effective for the purposes of service;

- (b) the Chargor's registered office; or
- (c) any address last known to IGF at which the Chargor carried on business.

It may also be handed to any officer of the Chargor. Such notice may also be given by facsimile transmission or electronic medium to the Chargor's number or address acknowledged by IGF for communication by such means.

16.2 Time of service on Chargor

Any such notice or process shall be considered served:

- (a) if delivered – at the time of delivery;
- (b) if sent by post – 48 hours from the time of posting;
- (c) if sent by electronic medium – at the time of receipt; or
- (d) if handed over – at the time of handing over.

16.3 Service on IGF

Any notice in writing by a Chargor to IGF required hereunder shall take effect at the time it is received by IGF at its registered office or at such other address as IGF may advise in writing to the Chargor for this purpose unless such notice is received on a day which is not a Working Day, in which case, it shall take effect on the next Working Day.

17 TRANSFERS AND DISCLOSURES

17.1 Transfers by IGF

This Deed is freely transferable by IGF to any other party to who it transfers its rights under the Facilities Agreement. Each Chargor consents to any such transfer (whether by novation, assignment, or otherwise). References in this Deed to the "IGF" shall include its successors, assignees and transferees and any person to whom this Deed is novated.

17.2 No transfers by any Chargor

No Chargor may assign or transfer any of its obligations under this Deed nor may it enter into any transaction which would result in any such obligations passing to another person.

17.3 Disclosure of information

IGF may disclose any information about any Chargor and any member of that Chargor's Group and any other person connected or associated with it to any members of IGF's Group and/or to any person to whom IGF is proposing to transfer or assign, or has transferred or assigned, this Deed and/or any of the Secured Obligations (in each case which is a bank or financial institution or any director, officer, agent or employee thereof or any professional adviser thereto). Each Chargor represents and warrants that it has, and (so far as permitted by law) will maintain, any necessary authority by or on behalf of any such persons to agree to the provisions of this Clause.

18 MISCELLANEOUS

18.1 Delays and omissions

No delay or omission on the part of IGF in exercising any right or remedy under this Deed shall impair that right or remedy or operate as or be taken to be a waiver of it. Any single, partial or defective exercise of any such right or remedy shall not prevent the further exercise of that or any other right or remedy.

18.2 Cumulative rights

IGF's rights under this Deed are cumulative. They are not exclusive of any rights provided by law. They may be exercised from time to time and as often as IGF sees fit.

18.3 Waivers

Any waiver by IGF of any terms of this Deed or any consent or approval given by IGF under it shall only be effective if given in writing. Such consent and approval shall then only apply for the purpose stated and be subject to any written terms and conditions imposed by IGF.

18.4 Illegality

If at any time any one or more of the provisions of this Deed is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction then neither the legality, validity or enforceability of the remaining provisions of this Deed nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected or impaired as a result.

18.5 IGF's certificates

Any certificate signed by a director or authorised officer of IGF as to the amount of the monetary obligations comprised in the Secured Obligations at the date of that certificate shall, in the absence of manifest error, be prima facie evidence of that amount and be binding on each Chargor to whom such certificate is addressed.

18.6 Counterparts

This Deed may be executed in any number of counterparts and by different parties on separate counterparts each of which, when executed and delivered, shall constitute an original and all the counterparts together shall constitute but one and the same instrument.

18.7 Paper

The paper on which this Deed is written is, and will remain at all times, the property of IGF, even after the discharge of this security.

18.8 Access and inspection

For the purpose of gaining access to or inspecting or (following any Termination Event) taking possession of any of the computer equipment, computer data, books, documents and other records included in or relating to the Charged Assets or for the purpose of taking copies of any of such data, books, documents and records any duly authorised official of IGF and any Administrator or Receiver (as the case may be) and any person authorised by such

Administrator or Receiver (as the case may be) shall have the right at any time during business hours and on reasonable notice (unless a Termination Event has occurred and is continuing) to enter upon any premises at which a Chargor carries on business and upon any other premises in which any part or all of such computer equipment, computer data, books, documents and other records are for the time being kept or stored.

18.9 Contracts (Rights of Third Parties) Act 1999

Other than in relation to the provisions of Clause 14, the terms of this Deed may only be enforced by a party to it and the operation of the Contracts (Rights of Third Parties) Act 1999 is excluded.

19 LAW AND JURISDICTION

19.1 Law

This Deed and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by, and construed in accordance with the laws of England and Wales.

19.2 Jurisdiction

- (a) **Submission:** Each Chargor irrevocably agrees for the benefit of IGF that the courts of England shall have jurisdiction to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Deed and, for such purposes, irrevocably submits to the jurisdiction of such courts.
- (b) **Forum:** Each Chargor irrevocably waives any objection which it might now or hereafter have to the courts referred to in Clause 19.2(a) being nominated as the forum to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Deed and agrees not to claim that any such court is not a convenient or appropriate forum.
- (c) **Other competent jurisdictions:** The submission to the jurisdiction of the courts referred to in Clause 19.2(a) shall not (and shall not be construed so as to) limit the right of IGF to take proceedings against any Chargor in any other court of competent jurisdiction nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not.
- (d) **Consent to enforcement:** Each Chargor hereby consents generally in respect of any legal action or proceeding arising out of or in connection with this Deed to the giving of any relief or the issue of any process in connection with such action or proceeding including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such action or proceeding.

IN WITNESS whereof each Chargor has duly executed this Deed as a deed and intends to deliver and hereby delivers the same on the date first above written and, prior to such delivery, this Deed has been duly signed on behalf of IGF, in the manner appearing below.
