TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 AUGUST 2020

The trustees present their report and financial statements for the year ended 31 August 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charitable company's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019).

Objectives and activities

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance, and are satisfied that St Augustine's meets such guidance.

In its governing document, the object of St Augustine's is to "advance the Christian religion by the promotion of theological education and training".

In 2006 the Board of Trustees clarified this object in terms of St Augustine's core purpose as being "to serve its sponsoring churches by providing programmes of ministerial formation and theological education that are accessible to people living or working in London and the South East".

At present, St Augustine's fulfils its core purpose through four major activities:

- Providing an accredited programme of ministerial formation through part time or full-time study for sponsored ordained ministry candidates from the Anglican Churches. This programme is also open to qualified candidates from other Christian denominations
- Providing an agreed programme of ministerial formation through part time study for sponsored candidates for Reader ministry from the Diocese of Canterbury, the Diocese of Southwark and the Diocese of Chichester.
 Administering the accreditation and managing quality control, as well as providing some teaching and curricular consultation, for the post ordination programme (IME Phase 2) offered in Canterbury, Chichester and Rochester Diocese
- Making Common Awards certificate, diploma, BA and post graduate qualifications (Graduate Diploma; MA) available to students interested in theological education but not training for ordination or licensed lay ministry.
- Offering short courses and workshops for both lay interest and the continuing education of licensed and ordained ministers.

In order to fulfill its core purpose, St Augustine's needs to do the following on a year by year basis:

- Ensure these current activities are properly resourced, effectively managed, delivered in accordance with
 national frameworks and agreed documentation, and developed in the light of national policy, regional priorities,
 student and stakeholder feedback, as well as its own evaluation and assessment procedures.
- Monitor the extent to which the range of its current activities provides the quality of ministerial formation and theological education necessary to meet the needs both of its sponsoring churches and of independent students. To continue to develop curricular initiatives designed to broaden both the educational services provided by St Augustine's and the constituency the College serves.

The structure of governance and management set out further in the report is designed to support these aims and is effective in enabling them to be met.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

Achievements and performance GOING CONCERN

After making appropriate enquiries, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

REVIEW OF ACTIVITIES

During the year to 31 August 2020, 73 (2019: 67) Ministerial Students were in training for ordination at St Augustine's. There were 11 Readers in Training from the Diocese of Canterbury (2019: 16); 17 from the Diocese of Southwark (2019: 16) and 7 from the Diocese of Chichester (2019: 10). The phase 2 (IME 4-7) programme continued to expand with student numbers as follows; Canterbury 17 (2019: 24), Chichester 21 (2019: 17) and Rochester 24 (2019: 26). In addition the Independent pathway continued to expand with 78 Independent Students (2019: 60).

Overall recruitment for 2019-20, saw another good number of ordinand applications (31) (2019: 33). The number of applications received by August 2020, for the 2020-21 academic year has also been consistent (29) despite the ramifications of COVID. One of the impacts of COVID has been the reduction in expenditure on Residentials, because of which St Augustine's will return a surplus in 2020. Independent student applications have also maintained the growth trend seen over the past three years, and the number of Licensed Lay Ministry students sent by the sponsoring dioceses has increased

During 2019-2020, four sets of evening classes were running at Trinity House, and three at West Malling, together with four sets of Teaching Day classes, held every Friday. With the introduction of lockdown restrictions in connection with COVID-19, all teaching was moved online for the rest of the year. This involved a considerable investment of time, as well as some small financial outlay, to transpose education, very much designed for face-to-face learning, into forms suitable for the new medium. Judging from student feedback and the overall parity of marks between this year and the previous one, our efforts have borne fruit. Most significant for the future have been the experiments in online learning for a wider audience outside that of registered students. This has included a number of online spiritual 'retreats' which have generated a great deal of support and some significant giving to a bursary fund for students with limited resources for meeting tuition costs. Five residential weekends were held prior to 'lockdown' and the remainder, including the annual week-long residential, were delivered online.

The college continues to benefit from the excellent setting and facilities at its West Malling site. The office remained open during lockdown and various ways were introduced for maintaining library services.

Fundraising through the 'Friends of St Augustine' association continued for the first two-thirds of the year, raising £13, 272 for both library holdings and the Tattersall Fund. Somewhat surprisingly, lockdown stimulated a significant increase in fundraising. Using the opportunities offered by online learning, we not only offered retreats that yielded donations but also service for worship via Facebook, social events, and a series of quiz shows.

The Trustees take their responsibility under the Charities (Protection and Social Investment) Act 2016 seriously. The Trustees have reviewed the Charity Commission publication 'Charity fundraising: a guide to trustee duties' (CC20), and, having considered the College's activities, are confident that its obligations are being fulfilled. The College does not work with any commercial participators or professional fundraisers. The majority of fundraising is from students and alumni of St Augustine's and visitors to its website. The College does not actively solicit donations from the general public more widely. The trustees are not aware of any complaints made in respect of fundraising during the period.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

From September 2015 Durham University has accredited all new programmes and students under the Church of England's Common Awards programme. Under this accreditation, St Augustine's offers certificate, diploma (both undergraduate and graduate) and degree courses (BA and MA). As of September 2019, the college is piloting a Ph. D. programme in partnership with the Durham Department of Theology. St Augustine's programmes are also accredited as training routes for ordained ministry in the Church of England by the Churches' Quality in Formation Panel. On behalf of the Dioceses of Canterbury, Southwark, Rochester, and Chichester, St Augustine's offers accredited courses for Reader Ministry in the Church of England and an administrative partnership for the continuing education of newly ordained clergy (IME Phase 2). Both the University and the Church operate their own quality management and enhancement procedures in relation to the activities of the College, including annual exam boards, approval of programme documentation and periodic inspection/audit.

Financial review

RESULTS FOR THE YEAR

The Statement of Financial Activities shows an improvement in the operating result with a surplus of £34,636 compared with a deficit of £58,072 in 2019. A significant part of the surplus results from a reduction in the number of residential events during the year. This continues in the current year (2021) but is unlikely to be repeated.

The Trustees' investment policy is to maximise the yield on its financial investments held subject to maintenance of their capital value in real terms. Investments have been realised in recent years in order to fund St Augustine's continued operations given the deficits which it has suffered. Trustees are pleased to note that in recent years its investments have met these objectives.

BALANCE SHEET

The College's Balance Sheet remains strong following the sale of residential properties in previous years. Net Assets rose to £622,406 (2019: £587,770), reflecting the surplus for the year and Net Current Assets increased to £204,969 (2019: £149,685).

RESERVES POLICY

The Trustees have approved a policy on its Reserves, which states that the charity needs sufficient free reserves to enable it to meet its charitable obligations in the eventuality of an unexpected revenue shortfall.

Free reserves are defined by the Charity Commission as Unrestricted Funds available to spend on the general purposes of the charity and therefore, excluding those Designated for particular purposes and those already utilised in purchasing tangible assets.

The Trustees believe that the level of reserves freely available for its general purpose should be sufficient to accommodate St Augustine's continuing needs and to maintain its freehold and leasehold premises at an appropriate level, having regard to the bank finance facilities available to it. The Trustees review this policy annually.

At the end of the year ended 31 August 2020 the Unrestricted Reserves stood at £589,789 (2019: £574,677) of which £261,968 (2019: £269,375) has been used to finance tangible fixed assets, leaving £327,821 (2019: £305,302) as free reserves.

MEMBERS' LIABILITY

On liquidation of the company, any residual surplus is to be transferred to the Central Board of Finance of the Church of England. In the event of a deficiency, Members then in office are each required to contribute a sum not exceeding £1.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

Structure, governance and management

St Augustine's College of Theology's governing document is its Memorandum and Articles of Association (5 June 2018, It was incorporated as a Company Limited by Guarantee on 4 October 1983.

On September 1st 2018, the new governance structure, approved by Council earlier that year, was implemented. This created a smaller Board of Trustees and a Council of Reference consisting of representatives of designated stakeholders and some members nominated for particular skills and experience. The four core dioceses have appointed two people to the Council of Reference, with other participating dioceses appointing one. Each core diocese also appointed a Member of the Company, the members being responsible for the election of trustees. The members may, but do not have to be, appointed to the Council of Reference. The Board of Studies has continued as a committee of the Board of Trustees.

The college employs a permanent staff team of 7.8 full time equivalents (FTE). The team is led by the Principal, the Reverend Dr Alan Gregory. The staff team consists of 5 members of academic staff (4.2 FTE) together with 4 members of administrative staff (3.6 FTE). In addition to this team there are a number of associate tutors, as well as part time staff, involved in specific areas of the College's work. During the past, the college has introduced regular bi-annual professional development seminars for all its teaching staff, including associates.

St Augustine's offices are based at Pax House, 52 Swan Street, West Malling, ME19 6QX. St Augustine's London office is based in Trinity House, the offices of the Diocese of Southwark. Midweek teaching activities take place in West Malling (evening classes and weekly teaching days) and in Southwark (evening classes), with residential events held mostly at Malling Abbey, with one in Canterbury and another in Ashburnham, Sussex.

The staff team has a regular programme of meetings that address issues of monitoring, review, planning and development as well as routine business. There are also regular staff student liaison meetings and all student cohorts are represented on the Board of Studies.

Principal risk and uncertainties

The Trustees review the risks to which the charity is exposed and systems have been established to mitigate those risks. The external risks to funding are dependent on a viable number of students choosing the course for their training. To mitigate this risk regular liaison with Diocesan Directors of Training and Ministry Division to ensure the content of the programmes meet the needs of both dioceses and the Church of England. The college has also made progress pursuing stronger links with three dioceses who, until, now have rarely sent students. Internal risks are mitigated by the implementation of a series of procedures and controls that are reviewed in the risk register.

The Trustees are responsible for the management of all risks faced by the College. The risk management policy is reviewed regularly by the Trustees.

Pay and remuneration of senior staff

Ordained members of staff are remunerated according to the Archbishops' Council of the Church of England's published remuneration scale for ordained college staff (the "Lichfield Scale").

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2020

Statement of trustees' responsibilities

The trustees, who are also the directors of St Augustine's College of Theology for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who are Trustees at the time when this Trustees' report is approved have confirmed that:

- so far as the Trustees are aware, there is no relevant audit information of which the charitable company's auditor is unaware, and
- Trustees have taken all the steps that ought to have been taken as Trustees in order to be aware of any
 relevant audit information and to establish that the charitable company's auditor is aware of that information.

The trustees' report was approved by the Board of Trustees.

Mr A Strawson

Trustee

Dated: 9 February 2021

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF ST AUGUSTINE'S COLLEGE OF THEOLOGY

Opinion

We have audited the financial statements of St Augustine's College of Theology (the 'charitable company') for the year ended 31 August 2020 which comprise the statement of financial activities, the statement of financial position, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF ST AUGUSTINE'S COLLEGE OF THEOLOGY

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charitable company for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF ST AUGUSTINE'S COLLEGE OF THEOLOGY

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

S Meah FCCA (Senior Statutory Auditor)

for and on behalf of Crossley Financial Accounting Limited 5 May 2021

Chartered Accountants

Statutory Auditor Star House

Star Hill Rochester Kent

Crossley Financial Accounting Limited is eligible for appointment as auditor of the charitable company by virtue of its eligibility for appointment as auditor of a company under of section 1212 of the Companies Act 2006

STATEMENT OF FINANCIAL POSITION (CONTINUED)

AS AT 31 AUGUST 2020

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 August 2020, although an audit has been carried out under section 144 of the Charities Act 2011.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements under the requirements of the Companies Act 2006, for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the Trustees on 9 February 2021

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

Charity information

St Augustine's College of Theology is a private company limited by guarantee incorporated in England and Wales. The registered office is 52 Swan Street, West Malling, Kent, ME19 6JX.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charitable company's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charitable company has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings 100 years straight line
Leasehold improvements 33% straight line
Office equipment 33% straight line

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Financial instruments

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

FOR THE YEAR ENDED 31 AUGUST 2020

1 Accounting policies

(Continued)

1.8 Provisions

Provisions are recognised when the charitable company has a legal or constructive present obligation as a result of a past event, it is probable that the charitable company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting end date, taking into account the risks and uncertainties surrounding the obligation. Where the effect of the time value of money is material, the amount expected to be required to settle the obligation is recognised at present value. When a provision is measured at present value, the unwinding of the discount is recognised as a finance cost in net income/(expenditure) in the period in which it arises.

1.9 Retirement benefits

The company participates in the defined benefits scheme section of the Church Workers Pension Fund (CWPF) for lay staff and the Church of England Funded Pensions Scheme (CEFPS) also known as the Clergy Pension scheme for Clergy and licensed lay workers. The schemes are administered by the Church of England Pensions Board which holds the assets of schemes separately from those of the Employer and other participating employers.

It is not possible to attribute the scheme's assets and liabilities to specific employers. The schemes are considered to be multi employer schemes as described in FRS 102 and as such contributions are accounted for as if the schemes were defined contribution schemes. The pension costs charged to the SoFA in the year are contributions payable towards benefits and expenses accrued in that year, plus any impact of deficit contributions.

1.10 Leases

Rentals payable under operating leases, including any lease incentives received, are charged as an expense on a straight line basis over the term of the relevant lease.

2 Critical accounting estimates and judgements

In the application of the charitable company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Critical accounting estimates and assumptions:

There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Critical areas of judgment:

No significant judgements have had to be made by management in preparing these financial statements, other than the recognition of a rent premium paid of £92,500. The rent premium is being released as a cost over 10 years, based on the intention of the charity to remain in the property for at least 10 years.
