Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom General Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101, 'Reduced Disclosure Framework'. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make adjustments and accounting estimates that are reasonable and prudent;

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for maintenance and integrity of the corporate and financial information included in the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
