The purpose of the restoration is to assign a proposed claim against Clive Hayley ("the Claim") to John Handman. The Court ordered that the Company be restored to the Register of Companies, the Company continue in Members' Voluntary Liquidation and that I was appointed as Liquidator of the Company.

6 Conclusion

- 6.1 In advance of issuing this Final Report, I provided details to all members of their rights before I close the Liquidation. Specifically, that within 21 days of the receipt of this report, members with either at least 5% of the total voting rights of all the members having the right to vote at general meetings of the Company or with the permission of the court, may request in writing that the Liquidators provide further information about their remuneration or expenses which have been itemised in this report.
- 6.2 In addition, that members with at least 10% of the total voting rights of all the members having the right to vote at general meetings of the Company may within 8 weeks of receipt of this progress report, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Liquidators' remuneration is inappropriate and/or the remuneration charged, or the expenses incurred by the Liquidator, as set out in this report, are excessive.
- 6.3 The members have waived this requirement by confirming that they do not intend to raise any objection, which enables me to issue this Final Account and Report without delay. Consequently, the Liquidator will vacate office and obtain his release on the Final Account being filed with the Registrar of Companies.

Yours faithfully

Jason Callender

Additional Information in Relation to the Liquidator's Fees & Expenses

Staff Allocation and the use of Subcontractors

The general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case.

The constitution of the case team will usually consist of a Partner, a Manager, and an Administrator or Assistant. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment.

We have not utilised the services of any subcontractors in this case.

Professional Advisors

On this assignment we have used the professional advisors listed below. We have also indicated alongside, the basis of our fee arrangement with them, which is subject to review on a regular basis.

Name of Professional Advisor	Basis of Fee Arrangement
Cadence Solicitors LLP	Time costs - £1,000 + VAT

Our choice was based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them.

Liquidator's Expenses

The estimate of expenses which were anticipated at the outset of the Liquidation was provided to members when the basis of my fees were approved prior to my appointment. The table below compares the estimated overall costs against those incurred in the liquidation. The payment of these expenses is reflected in the Receipts and Payments Account enclosed with this report.

Category 1 expenses

These expenses do not require prior approval by members. The type of expenses that may be charged to a case as a Category 1 expense generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, external room hire and external storage costs. Also chargeable, will be any properly reimbursed expenses incurred by personnel in connection with the case. These expenses may include disbursements which are payments first met by an office holder and then reimbursed from the estate.

	Estimated Overall Cost £	Total Paid £	Reason for Excess
Legal Fees	£1,000 plus VAT	£1,000 plus VAT	Not anticipated but requested by shareholder

Category 2 expenses

These expenses do require approval from members. These are costs which are directly referable to the appointment in question but are not payments which are made to an independent third party and may therefore include payments to associates of the office holder or shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis. Details of Category 2 disbursements charged by this firm (where appropriate) were provided at the time the Liquidator's fees were approved. We have not drawn any Category 2 expenses.
