The company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 31st March 2008.

The members have not required the company to obtain an audit of its financial statements for the year ended 31st March 2008 in accordance with Section 249B(2) of the Companies Act 1985.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The financial statements were approved by the director on 3.1.09 and were signed by:

V.D. Walker
 Mr V D Walker - Director

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2008

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

Turnover

Turnover is recognised as earned when, and to the extent that, the company obtains the right to consideration in exchange for goods provided. Turnover is recognised on a daily basis excluding VAT to the end of the financial year. Where goods are despatched prior to the year end then turnover is recognised within that financial year.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property	- 2% on reducing balance
Plant and machinery	- 20% on reducing balance
Fixtures and fittings	- 20% on reducing balance
Motor vehicles	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Deferred Government Grants

Deferred government grants in respect of capital expenditure are treated as deferred income and are credited to the profit and loss account over the estimated useful life of the asset to which they relate.
