**Respective Responsibilities of Directors and Auditors**

As described on page 3, the company's directors are responsible for the preparation of accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st October 1995 and of its profits for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.

In our opinion the company is entitled to the exemption conferred by section 248 of the Companies Act 1985 from the requirement to prepare group accounts for the financial year ended 31st October 1995.
