- (j) **Repair:** Each Chargor shall, and shall procure that each other Chargor shall, keep the Premises and the Fixtures in good and substantial repair and condition and decorative order.

generality of the foregoing, shall deliver to the Security Trustee on today's date executed (and, if required to be stamped, pre-stamped) share transfers for all Group Shares in favour of the Security Trustee and/or its nominee(s) as transferees or, if the Security Trustee so directs, with the transferee left blank and shall procure that all such share transfers are at the request of the Security Trustee forthwith registered by the relevant company and that share certificates in the name of the Security Trustee and/or such nominee(s) in respect of all Group Shares are forthwith delivered to the Security Trustee.

- (b) Each Chargor shall provide the Security Trustee with certified copies of all resolutions and authorisations approving the execution of such transfer forms and registration of such transfers as the Security Trustee may reasonably require.
- (c) The Security Trustee and its nominee may at any time whilst an Event of Default is continuing exercise or refrain from exercising (in the name of each Chargor, the registered holder or otherwise and without any further consent or authority from each Chargor and irrespective of any direction given by any Chargor) in respect of the Security Shares any voting rights and any powers or rights under the terms of the Security Shares or otherwise which may be exercised by the person or persons in whose name or names the Security Shares are registered or who is the holder thereof, including, without limitation, all the powers given to trustees by Section 10(3) and (4) of the Trustee Act 1925 as amended by Section 9 of the Trustee Investments Act 1961 in respect of securities or property subject to a trust PROVIDED THAT in the absence of notice from the Security Trustee each Chargor may and shall continue to exercise any and all voting rights with respect to the Group Shares subject always to the terms of this Deed. No Chargor shall without the previous consent in writing of the Security Trustee exercise the voting rights attached to any of the Group Shares in favour of resolutions having the effect of changing the terms of the Group Shares (or any class of them) or any Related Rights or prejudicing the security under this Deed or impairing the value of the Security Shares. Each Chargor hereby irrevocably appoints the Security Trustee or its nominees its proxy to exercise (as provided in or permitted by this Deed) all voting rights so long as the Group Shares belonging to it remain registered in its name.
- (d) Each Chargor during the continuance of this security will make all payments which may become due in respect of any of the Security Shares and, in the event of default in making any such payment, the Security Trustee may if it thinks fit make such payment on behalf of each Chargor. The Security Trustee shall not be required in any manner to perform or fulfil any obligation of any Chargor in respect of the Security Shares, or to make any payment, or to receive any enquiry as to the nature or sufficiency of any payment received by them, or to present or file any claim or take any other action to collect or enforce the payment of any amount to which they may have been or to which they may be entitled under this Deed at any time or times.
- (f) Upon the occurrence of an Event of Default and at any time thereafter while the same is continuing the Security Trustee shall be entitled to put into force and exercise immediately as and when it may see fit any and every power possessed by the Security Trustee by virtue of the security over the Security Shares conferred by this Deed or available to a secured creditor (so that Sections 93 and 103 of the Law of Property Act 1925 shall not apply to this security) and in particular (without limitation):

 - (iii) to act generally in relation to the Security Shares in such manner as the Security Trustee acting reasonably shall determine.
- (g) For the avoidance of doubt, each Chargor agrees that the enforceability of the security over the Security Shares conferred by this Deed is not dependent on the performance or non-performance by the Security Trustee of its obligations under any agreement with any Chargor.
 - (h) Immediately on conversion of any of the Group Shares from certificated to uncertificated form, and on the creation or conversion of any other securities which are for the time being comprised in the Security Shares in or into uncertificated form, each Chargor shall give such instructions or directions as the Security Trustee may require in order to protect or preserve its security.

- (c) The statutory powers of leasing conferred on the Security Trustee are extended so that, without the need to comply with any provision of section 99 or 100 of the Law of Property Act 1925, the Security Trustee is empowered to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Trustee may think fit.

9.2 Agent of the Chargors

For all purposes each Receiver is deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925. Every Receiver shall be the agent of the Chargor in respect of which he was appointed unless and until a liquidator shall be appointed of that Chargor, whereafter such Receiver shall act as principal but shall not become the agent of the Security Trustee. That Chargor alone shall be responsible for the receiver's contracts, engagements, commissions, omissions, defaults and losses and for liabilities incurred by him. The Security Trustee shall not incur any liability of whatsoever nature (either to the Chargors or to any other person) by reason of the Security Trustee making his appointment as a Receiver or for any other reason.

9.3 Contingencies

If the Security Trustee enforces the security constituted by this Deed at a time when no amounts are due to the Security Trustee under the Finance Documents but at a time when amounts may or will become so due, the Security Trustee (or the Receiver) may pay the proceeds of any recoveries effected by it into a Blocked Account (in the case of a Borrower) or an Other Account (in the case of any other Chargor).

The Security Trustee and any Receiver may, for the time being and from time to time, delegate by power of attorney or in any other manner (including, without limitation, under the hand of any manager of the Security Trustee) to any person any right, power or discretion exercisable by the Security Trustee or such Receiver (as the case may be) under this Deed. Any such delegation may be made upon the terms (including, without limitation, power to sub-delegate) and subject to any regulations which the Security Trustee or such Receiver (as the case may be) may think fit. Neither the Security Trustee nor any Receiver will be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate who shall be entitled to all the indemnities to which his appointor is entitled under this Deed.

15 Further Assurances

15.1 General

Each Chargor shall, at its own expense, execute and do all such acts, deeds and things (including, without limitation, payment of all stamp duties and registration fees) the Security Trustee or a Receiver may reasonably require for:

- (a) perfecting or protecting the security intended to be created by this Deed over any Security Asset; and

- (b) after the security constituted by this Deed has become enforceable, facilitating the realisation of any Security Asset or the exercise of any right, power or discretion exercisable, by the Security Trustee or any Receiver in respect of any Security Asset, including, without limitation, the execution of any transfer, conveyance, assignment or assurance of any property whether to the Security Trustee or to its nominees, and the giving of any notice, order or direction and the making of any registration, which in any such case, the Security Trustee may think necessary or desirable.

15.2 Further Subsidiaries

- (a) Each Chargor undertakes to ensure that each company which becomes a Subsidiary (whether direct or indirect) of any Chargor after today's date shall, promptly upon being required to do so by the Security Trustee, execute a Deed of Accession in substantially the form set out in Schedule 6 and such company shall on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed shall be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company shall be created on the date of the Deed of Accession).
- (b) The Security Trustee may specify any amendments or changes to the form or manner in which any such new Chargor gives such security (including an acceptance of a limit on the liability of such new Chargor) which in the opinion of the Security Trustee is necessary in order that such security may lawfully be given.
- (c) The Obligors' Agent shall procure that all registrations or other steps necessary to perfect any security created by a Deed of Accession are completed as soon as is practicable after its execution and in any event within any applicable time limit.
- (d) Each Chargor (other than the Obligors' Agent) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Obligors' Agent to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor shall be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

16 Power of Attorney

Each Chargor, by way of security, irrevocably and severally appoints the Security Trustee, each Receiver and any of their delegates or sub-delegates to be its attorney and on its behalf and in its name or otherwise to execute and do all such acts, deeds and things which such Chargor is obliged to take under this Deed and generally, on its behalf and in its name, to exercise all or any of the powers, authorities and discretions conferred by or pursuant to this Deed on the Security Trustee or any Receiver, including to do any and all things permitted by clause 9.2 (*Cure Rights*) of the Facility Agreement. Each Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any attorney does or purports to do pursuant to its appointment under this Clause.

17 Continuing Security

17.1 Additional Security

The security constituted by this Deed is in addition to and is not in any way prejudiced by any other security now or subsequently held by the Secured Parties for any of the Secured Liabilities.

17.2 Continuing Security

The security constituted by this Deed is continuing and will extend to the ultimate balance of all the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

17.3 Reinstatement

If any payment by a Chargor or any discharge given by any Secured Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Secured Parties shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

17.4 **Waiver of defences**

The obligations of each Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
 - (i) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
 - (ii) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
 - (iii) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
 - (iv) any insolvency or similar proceedings.

17.5 **Chargor intent**

Without prejudice to the generality of Clause 17.4 (*Waiver of defences*), each Chargor expressly confirms that it intends that the security created by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following:

- (a) acquisitions of any nature;
- (b) increasing working capital;
- (c) enabling investor distributions to be made;
- (d) carrying out restructurings;
- (e) refinancing existing facilities;
- (f) refinancing any other indebtedness;
- (g) making facilities available to new borrowers;

- (h) any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and
- (i) any fees, costs and/or expenses associated with any of the foregoing.

17.6 Immediate recourse

Each Chargor waives any right it may have of first requiring any Secured Party to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

17.7 Appropriations

Until all the Secured Liabilities have been irrevocably paid in full, the Secured Parties may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Security Trustee in respect of the Secured Liabilities, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Liabilities.

17.8 Deferral of Chargors' rights

Until all the Secured Liabilities have been irrevocably paid in full and unless the Security Trustee otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Secured Parties' rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Secured Parties.

18 Miscellaneous

18.1 Covenant to pay

Each Chargor shall pay or discharge the Secured Liabilities in the manner provided for in any document creating or evidencing the Secured Liabilities and/or otherwise as agreed from time to time.

18.2 H.M. Land Registry

Each Chargor applies to the Chief Land Registrar for a registration in the following terms to be entered on the Register of Title relating to any property registered at H.M. Land Registry in its name and against which this Deed may be noted:

- (a) a restriction in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate or by the proprietor of any registered charge, not being a charge registered before the entry of this restriction, is to be registered without a written consent signed by the proprietor for the time

being of the charge dated ** [date of Debenture] in favour of Wells Fargo Capital Finance (UK) Limited (as trustee for the Secured Parties referred to in that debenture) referred to in the charges register [or their conveyancer]"; and

- (b) a notice that the Lenders are under an obligation to make further advances on the terms and subject to the conditions of the Finance Documents.

18.3 **New Accounts**

If any Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent charge or other interest affecting any Security Asset and/or the proceeds of sale of any Security Asset, such Secured Party may open a new account for any Chargor. If the relevant Secured Party does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice. As from that time all payments made to such Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any amount for which this Deed is security and, furthermore, such Secured Party shall be under no obligation to advance any monies or provide or continue to provide any credit facility to any Borrower.

18.4 **Tacking**

Each Lender (by the Security Trustee's execution of this Deed) covenants with each Chargor that it shall perform its obligations under any document creating or evidencing the Secured Liabilities (including any obligation to make available further advances).

18.5 **Separate Charges**

This Deed shall, in relation to each Chargor, be read and construed as if it were a separate Deed relating to such Chargor to the intent that if any Security Interest created by any other Chargor in this Deed shall be invalid or liable to be set aside for any reason, this shall not affect any Security Interest created under this Deed by such first Chargor.

18.6 **Invalidity**

If, at any time, any provision of this Deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired.

19 **Release**

19.1 **Expiry of Security Period**

Upon the expiry of the Security Period (but not otherwise), the Security Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release the Security Assets from the security constituted by this Deed and/or reassign the benefit of the Security Assets to the Chargors.

19.2 **Other Accounts**

At any time before the security created by this Deed shall have become enforceable, in the absence of any directions from the Security Trustee to the contrary, any amounts permitted by the terms of the Finance Documents to be paid into an Other Account shall upon payment into such account stand released from the fixed charge over Book Debts created pursuant to Clause 2 (*Fixed Security*) and shall stand subject to the floating charge created by Clause 3 (*Floating Charge*), provided that such release shall in no respect prejudice the continuance of the fixed charge created pursuant to Clause 2 (*Fixed Security*) in respect of all other Book Debts.

19.3 **Purchased Receivables**

Where any Receivables are sold to the Agent (on behalf of the Lenders) by a Borrower under the Revolving Credit Facility, such Receivables shall upon title to them passing to the Agent (on behalf of the Lenders) under the terms of the Facility Agreement stand released from the Security Interests created by this Deed.

20 **Rights and Remedies**

The rights of the Secured Parties under this Deed are cumulative, may be exercised as often as considered appropriate and are in addition to the general law. Such rights (whether arising hereunder or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing and, in particular, any failure to exercise or delay in exercising any of such rights shall not operate as a waiver or variation of that or any other such right, any defective or partial exercise of any such rights shall not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation by any Secured Party or on its behalf shall in any way preclude it from exercising any such right or constitute a suspension or any variation of any such right.

21 **Notices**

Any communications to be made under or in connection with this Deed will be made in accordance with clause 35 (*Notices*) of the Facility Agreement.

22 **Governing Law and Jurisdiction**

22.1 **Governing Law**

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

22.2 **Jurisdiction**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This Clause 22.2 is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, a Secured Party may take concurrent proceedings in any number of jurisdictions.

This Deed has been entered into as a deed on the date stated at the beginning of this Deed.
