DIRECTORS' REPORT

Company Registration No

1809729

The Directors present their report and audited financial statements for the year ended 31 December 2010. The Directors' Report has been prepared in accordance with the special provisions relating to small companies under section 415A of the Companies Act 2006.

PRINCIPAL ACTIVITY

The Company is a group financing company.

RESULTS AND DIVIDENDS

The Company did not trade during the year and, therefore, the financial statements comprise the balance sheet and related notes only.

PRINCIPAL RISKS AND UNCERTAINTIES

The Company's results arise from transactions with fellow group undertakings in the group headed by HeidelbergCement AG. The Directors are therefore of the opinion that the Company is not directly exposed to significant risks and uncertainty, however, by the very nature of its activities, the Company is indirectly exposed to similar risks and uncertainties to those faced by other group companies. Details of the principal risks and uncertainties facing the group headed by HeidelbergCement AG are disclosed in the financial statements of that company.

FUTURE DEVELOPMENTS

The Directors anticipate that the Company will continue as a group financing company for the foreseeable future.

DIRECTORS

The Directors currently in office are shown on page 1.

Directors that served during the year and to the date of this report were as follows:

D J Clarke	(appointed 1 June 2011)
E A Gretton	
B J Guyatt	(resigned 1 June 2011)
C Leclercq	(resigned 31 March 2010)
S Pinnock	(appointed 19 July 2010)

DIRECTORS' INDEMNITY

A fellow group undertaking has indemnified, by means of directors and officers' liability insurance, one or more Directors of the Company against liability in respect of proceedings brought by third parties, subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provision was in force during the year and is in force as at the date of approving the Directors' Report.

DIRECTORS' REPORT (continued)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law, the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

GOING CONCERN

The Company is a holding company and its assets comprise investments in group undertakings and amounts receivable from group undertakings. In addition, the carrying value of the Company's investments in group undertakings is also supported by amounts receivable from group undertakings held by those entities. The recoverability of these assets is dependent on the financial position of the HeidelbergCement AG group, of which the Company is an indirect subsidiary.

The Directors, having assessed the responses of the management of the Company's ultimate parent HeidelbergCement AG to their enquiries, have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the HeidelbergCement AG group to continue as a going concern.

On the basis of their assessment of the Company's financial position and of the enquiries made of the management of HeidelbergCement AG, the Company's Directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

DISCLOSURE OF INFORMATION TO AUDITORS

The Directors who held office at the date of approval of this Directors' Report each confirm that, so far as they are aware, there is no relevant audit information of which the Company's auditors are unaware, and that they have each taken all the steps that ought to have been taken as a director of the Company to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

AUDITORS

Ernst & Young LLP, having confirmed their willingness to act, were appointed as auditors of the Company.

We have audited the financial statements of Hanson (BHHL) Limited for the year ended 31 December 2010, which comprise the Balance Sheet and related notes 1 to 8. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2010 and of its result for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the Company, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with applicable UK Accounting Standards

Cash flow statement

In accordance with FRS1 (revised), the Company has not prepared a cash flow statement as it is a wholly owned subsidiary undertaking within the group headed by HeidelbergCement AG

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred that will result in an obligation to pay more, or right to pay less or to receive more tax, with the following exceptions

- Provision is made for tax on gains arising from the revaluation of fixed assets (and similar fair value adjustments) or gains on disposal of fixed assets only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made when on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled into replacement assets and charged to tax only when the replacement assets are sold
- Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

Dividends

Income is recognised after the Company's right to receive payment has been established
