I have reconciled the account against the financial records that I am required to maintain.

LIQUIDATOR(S) REMUNERATION

Pre-Appointment Remuneration

Prior to my appointment at a meeting held on 7 October 2020, the Board previously authorised the payment of a fee of £995 plus VAT to Clarke Bell Limited for preparing the Declaration of Solvency, and for producing and circulating the notices for the meeting of Members.

The fee for preparing the Declaration of Solvency and convening the meeting was paid prior to the Liquidation, by the Company.

Post-Appointment Remuneration

At the initial meeting of members held on 7 October 2020, members resolved the following in relation to my post appointment fees;

That the Joint Liquidators be entitled to draw £250 plus VAT for the realisation of each asset, together with £250 plus VAT for the payment of each creditor, which were not detailed on the Declaration of Solvency.

As no additional assets were realised, and the company held no creditors, no post appointment fees were drawn.

Guidance for Members

You may also find it useful to read "A Guide To Liquidators' Fees" which can be downloaded from <https://insolvency-practitioners.org.uk/regulation-and-guidance/england-wales/> Please note that there are different versions of the Guidance Notes, and in this case, you should refer to the April 2021 version.

A hard copy of this document can be obtained on request from this office.

LIQUIDATOR(S) EXPENSES

Expenses are any payments from the Estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- Category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- Category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

A detailed explanation of Category 1 and Category 2 expenses, together with the approved rates for Category 2 expenses, is set out in Appendix B.

Category 1 expenses are those that are directly attributable to a third party invoice.

Category 1 expenses incurred in the final period under review, together with those incurred to date, are set out in the table below.

Type Of Expense	Provider	Incurred During The Period Under Review (£)	Paid To Date (£)	Total Amount Outstanding (£)
Statutory Advertising	Courts Advertising	-	225.15	-
Bordereau	Marsh Limited	-	80.00	-

Category 1 expenses paid to date, were all discharged by the Company, prior to my appointment.

Category 2 expenses are those that are based upon an estimate or an internally set rate.

No approval to enable us to draw Category 2 expenses has been sought.

PROFESSIONAL ADVISORS

I have not needed the assistance of any professional agent to realise the company's assets, or to assist with Liquidation matters in general. As such, no costs have been incurred.

FURTHER INFORMATION

A member may, with the permission of the Court or with at least 5% of the total voting rights of all the members having the right to vote at general meetings of the Company, request further details of the Joint Liquidators' remuneration and expenses, within 21 days of receipt of this draft final account.

A member may, with the permission of the Court or with at least 10% of the total voting rights of all the members having the right to vote at general meetings of the Company, apply to Court to challenge the amount of remuneration charged by the Joint Liquidators as being excessive, and/or the basis of the Joint Liquidators' remuneration, and/or the amount of the expenses incurred as being excessive, within 8 weeks of their receipt of this draft final account.

The winding up of the Company is now for all practical purposes complete and I intend to deliver the final account by the date shown in the accompanying notice.

JOINT LIQUIDATOR(S) ACTIVITIES

Detailed below is a summary of the activities that have been undertaken in the final period under review.

(a) Administration

This represents the work involved in the routine administrative functions of the case by the office holder and their staff, together with the control and supervision of the work done on the case by the office holder and their managers. It does not give direct financial benefit to the members, but has to be undertaken by the office holder to meet their requirements under the insolvency legislation and the Statements of Insolvency Practice, which set out required practice that office holders must follow.

- Reviewing the adequacy of the specific bond on a quarterly basis.
- Dealing with all routine correspondence and emails relating to the case.
- Undertaking periodic file reviews.
- Maintenance of Liquidator's records.
- Overseeing and controlling the work done on the case by case administrators.
- Preparing, reviewing and delivering progress reports to creditors and members.
- Preparing and filing Corporation Tax Returns.
- Seeking closure clearance from HMRC and other relevant parties.
- Preparing, reviewing and issuing final reports to creditors and members.

APPENDIX 4

LIQUIDATOR(S) CATEGORY 1 & 2 EXPENSES

Category 1 & Category 2 Expenses

Expenses are categorised as either Category 1 or Category 2.

Category 1

Category 1 expenses are clearly identifiable third party costs that are directly attributable to the case. Occasionally these expenses are paid by Clarke Bell Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the expense at the time it falls due. Specific approval from creditors is not required for Category 1 expenses.

Typical examples of Category 1 expenses are:

- Postage
- Advertising
- Insurance
- Travel costs
- External room hire

Category 2

Category 2 expenses are estimated or shared costs which may include some internal recharges from Clarke Bell Limited. It is likely that it is not possible, or too costly, to calculate the exact cost and an estimate is therefore used. These expenses can be paid from the case if the basis of the charge has been approved by creditors.

Typical examples of Category 2 expenses are:

- Photocopying
- Mileage
- Storage
- Agent costs where the Agent is deemed as an associate

The current levels of Category 2 expenses recovered by Clarke Bell Limited are as follows:

Photocopying at £0.15 per copy.
Mileage at £0.45 per mile.
Storage and destruction of records at £17 per box of records, per annum.
