REPORT OF THE TRUSTEES FOR THE PERIOD 1 October 2020 to 31 December 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the period 1 October 2020 to 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Strategy

The Centre's objectives are encapsulated in the phrase "Inspiring People to Engage with Geology and the History of Stone".

More specifically, the Memorandum of Association defines the objectives for which the National Stone Centre was established as being to:

- "Advance throughout the United Kingdom of Great Britain and Northern Ireland the Channel Islands and the Isle of Man public education in":-
- a) all the facets of the formation evolution and use of stone at all times and its geological physical chemical and other properties and all products made from;
- b) all facets of the stone mining, stone quarrying, stone extraction and stone treatment industries, their history, evolution, development and modern practices;
- c) all facets of the environment containing or bearing stone and of the geology, ecology and natural history thereof;
- d) the impact of the aforesaid industries on the environment and the preservation, conservation, restoration and treatment of land, buildings, machines, structures and artefacts used by or for the purposes of these industries.

The National Stone Centre has pursued these objects through a variety of educational activities, which can be subdivided into the following broad categories:

- 1. Educational visits based on activities largely designed in line with school curricula
- 2. Site visits guided by volunteers supported by sets of trail guides for interested parties
- 3. Training via hands on stone related courses
- 4. Commissioned activities based on geological inhouse expertise

The National Stone Centre also carries out a number of commercial activities that help to financially support the charity and the charities aims.

These are described in more detail and amplified in the review in the next main section of the reports.

ACHIEVEMENT AND PERFORMANCE

Summary

2021 saw the continuing impacts of the COVID 19 pandemic on the National Stone Centre with national restrictions applying at various points across the year creating challenges for the operation of and financial outcomes for the Centre.

The organisation continued to benefit from grants from the local authority. During periods where restrictions were lifted, both the café, centre, and shop continued to trade and provide support to visitors to the site, working within the guidelines set by government for the pandemic. The trustees continued to meet largely remotely to oversee the running of the National Stone Centre during this period.

During 2021, the trustees undertook discussions with representatives of the Institute of Quarrying, recognising that both charities shared similar objectives in relation to geology, stone, quarrying and education. The aim was to develop an agreement to bring the two organisations together, providing a more stable future for the National Stone Centre and establishing a new home for the Institute of Quarrying.

Discussions continued through 2021 and continue in 2022.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF NATIONAL STONE CENTRE

Independent examiner's report to the trustees of National Stone Centre ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the period 1 October 2020 to 31 December 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended
- 4. Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
