SWINCHAN HOLDINGS LIMITED

Directors' report

for the year ended 31 December 2010

The directors present their annual report on the affairs of the Company and the audited financial statements for the year ended 31 December 2010

Business review and principal activity

The Company is the holding company of Surfeal Limited, which became a wholly owned subsidiary of the Company following the dissolution of its previous parent company, Surfeal Holdings Limited on 29 October 2008. Surfeal Limited is a non-trading company and has been in liquidation since 8 June 2007. Accordingly the value of the Company's holding is £nil.

The results for the Company show a profit on ordinary activities before tax of £182,170 (2009 £311,330). The shareholder funds of the Company were £28,646,117 as at 31 December 2010 (31 December 2009 £28,418,552).

Future outlook

There is not expected to be any change to the business in the foreseeable future.

Dividends

The directors do not recommend payment of a dividend in respect of the year ended 31 December 2010 (2009 £nil).

Principal risks and uncertainties

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the RSA Insurance Group plc (the Group) and are not managed separately. Accordingly, the principal risks and uncertainties of the Group, which include those of the Company, are set out in the estimation techniques, risks, uncertainties and contingencies on pages 86 to 88, and in the risk framework on pages 28 to 31 of the Annual Report & Accounts of the Group, which do not form part of this report.

A discussion on the management of financial risk is set out below.

Financial risk management

The Company is a subsidiary of RSA Insurance Group plc and its management of risk is set at Group level.

The Company's principal exposure is to debts due from group companies which the directors expect to be settled in full as they fall due or on demand as applicable.

Key performance indicators

The directors of RSA Insurance Group plc manage the Group's operations on a divisional basis. For this reason the Company's directors believe that analysis using key performance indicators (KPIs) for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of the Company. Financial KPIs are detailed in the Annual Report & Accounts of the Group (which do not form part of this report) within the Group CEO review on pages 10 to 13 and the regional business reviews on pages 18 to 23. This document also includes non-financial KPIs which are detailed in the regional business reviews on pages 18 to 23, the corporate responsibility report on pages 32 to 35 and the directors' and corporate governance report on pages 42 to 53.

Articles of association

The Companies Act 2006, which became effective on 1 October 2009, abolishes the requirement for a company to have an authorised share capital through the repeal of section 2(5)(a) of the Companies Act 1985.

Accordingly, by written resolution passed on 1 April 2010, the Company amended its articles of association (the "Old Articles") by deleting all the provisions of the Company's memorandum of association which, by virtue of section 28 of the Companies Act 2006, were treated with effect from 1 October 2009 as provisions of the Old Articles. At the same time the Company adopted new Articles of Association (the "New Articles"). The New Articles do not contain restrictions on the share capital of the Company and consequently, the Company no longer has an authorised share capital.

Directors

The names of the current directors are listed on page 1. Mr W R B McDonnell was appointed as a director on 16 June 2011 and Mr P L Miles served as a director until his resignation on 30 June 2010. The other directors served throughout the year.

Auditor

Each of the persons who is a director at the date of approval of this report confirms that

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the director has taken all steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information, and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have confirmed their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed to be reappointed as auditors in the absence of an Annual General Meeting.

Directors' report (continued)

Going concern

In considering the appropriateness of the going concern basis the Board have reviewed the key risks and uncertainties to which they believe the Company is exposed and the Company's ongoing financial commitments for the next twelve months and beyond. As a result of this, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and have satisfied themselves that it is appropriate to prepare these financial statements on a going concern basis.

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the member of Swinchan Holdings Limited

We have audited the financial statements of Swinchan Holdings Limited for the year ended 31 December 2010 which comprise the profit and loss account, the balance sheet and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's member in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's member for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.
