Directors' Report for the year ended 31st December 1994

The directors present their report and the financial statements for the year ended 31st December 1994.

Principal activities

The company's principal activity continues to be the sales of laboratory equipment.

Directors

The directors who served during the year and their beneficial interests in the company's issued ordinary share capital were:

	Number of shares	
	1994	1993
P J Hooper	70	70
C Bown	<u>30</u>	<u>30</u>

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit and loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditors, Paul Steele Chartered Accountants, will be proposed for re appointment in accordance with section 385 of the Companies Act 1985.

This report was approved by the board on 12th June 1995, taking advantage of the special exemptions available to small companies.

Signed on behalf of the board of directors

Vitech Scientific Limited
Auditors' Report
to the members of Vitech Scientific Limited

We have audited the financial statements on pages 3 to 9 which have been prepared under the historical cost convention and the accounting policies on pages 5 and 6.

Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st December 1994 and of its profit for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.

Notes to the financial statements
for the year ended 31st December 1994

1 Accounting policies

- **Basis of preparation of accounts**

The financial statements are prepared under the historical cost convention and incorporate the results of the principal activity which is described in the directors report and which is continuing.

- **Turnover**

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

- **Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Motor vehicles	25% reducing balance basis
Fixtures and fittings	25% reducing balance basis

- **Leasing and hire purchase**

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets and depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

- **Operating leases**

rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the profit and loss account as incurred.

- **Stock and work in progress**

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Vitech Scientific Limited

Notes to the financial statements cont. for the year ended 31st December 1994

• Deferred taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes using the liability method, only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the near future.

• Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

• Foreign currency transactions

Translation is done at the rate applicable at the date of transaction and assets and liabilities at the rate applicable on the balance sheet date.

2 Turnover

During the year the company earned its entire turnover in the United Kingdom.
(1993 - 100%)

3 Operating profit

The operating profit is stated after charging:

	1994 £	1993 £
Depreciation of tangible fixed assets
